WOMEN RIOT FOR EGGS. Pull Hair and Tear Clothes for a Chance to Bid on Fresh Hen Fruit. Superior, Wis., Feb. 2.—The high price of eggs has caused such a scarcity here that a decision to auction off seven dozen absolutely fresh eggs caused such a scramble of women to gaze on really fresh eggs that many of them in the riot suffered pulled hair, torn clothing and bruises. Some even climbed to the window of the building, where the eggs were being sold, in order to gaze upon really fresh hen fruit. The eggs auctioned were those laid during the poultry show just closed, and sales of a dozen eggs at a time brought such prices that it was finally decided to auction off the remainder in lots of three. Those who were outbid were allowed to gaze upon the eggs before they left the building.

FOOTBALL RULES COMMITTEE IN SESSION TODAY

New York, Feb. 2.—Suggested changes in football rules for the coming season presaged a warm fight among the members of the football rules committee, which gathered here today for the regular annual meeting that is likely to last two days.

Some members of the committee believe that the present rules are all-sufficient, while the so-called progressives believe that changes are necessary in order to bring about a fairer and better balanced game.

A sharp fight was anticipated on the question of the forward pass over the line of scrimmage. Some conservative are in favor of limiting it to behind the line of scrimmage on the ground that it eliminates many dangerous hazards.

The question of reduction in the number of yards to be gained in four downs, or of increasing the number of downs to five, comes up early for consideration. The opinion was freely expressed today that something must be done to more nearly equalize the attack and the defense and at the same time to insure greater continuity to offensive plays.

WOMAN DIZZY PARTLY NUMB

Doctors Did Her No Good—Testifies How She Was Helped by Lydia E. Pinkham's Compound.

Zanesville, Ohio.—"Last fall I had female weakness very bad, and was nervous and run down. I was dizzy and had numb feelings and my eyes ached. I took doctor's medicines but they did me no good, so I decided to try Lydia E. Pinkham's Vegetable Compound. I did so, and now I feel stronger and better. I have told other women what Mrs. Pinkham's medicines have done for me and give my permission to publish this letter for the good of others."—Mrs. HULDA ERICKSON, 506 Maysville Avenue, Zanesville, Ohio.

More Proof. Burlington, Iowa.—"For years I suffered a great deal from female troubles. I had awful pains and felt sick nearly all the time. I saw Lydia E. Pinkham's Vegetable Compound advertised and heard that it had helped other suffering women so I felt sure it would do me good. Sure enough it did. The first bottle helped me and now I am a strong and well woman. I would not be without it in the house."—Mrs. ANNA HIGGINS, 1125 Agency St., Burlington, Iowa.

There need be no doubt about the ability of this grand old remedy, made from the roots and herbs of our fields, to remedy women's diseases. We possess volumes of proof of this fact, enough to convince the most skeptical. Why don't you try it?
