

LAW AND ORDER LEAGUE TO BE FORMED TONIGHT

The promoters of the Law and Order League, which it is proposed to organize tonight at Hanna Hall, have been very active during the week and have met with hearty response from all quarters. It is expected that there will be a large attendance tonight when the meeting is called to order at 8 o'clock.

The following letter is being sent out to all over the city by the committee appointed for that purpose:

Dear Sir: On Thursday night at 8 o'clock, at Hanna Hall, in the Y. M. C. A. building, there will be a meeting to organize a Law and Order League. It is necessary that you be there. Please get every one that you can to come with you as the club will have an unlawful sale of liquor in drug stores and elsewhere must be stopped. Be sure and be present and let nothing keep you away.

Respectfully,
R. E. MASON,
J. E. IVEY,
A. W. WHITAKER,
J. H. ROSS,
HERIOT CLARKSON,
Committee of Law and Order League.

Citizens Urged to Attend To night

The News is asked to publish the following: All citizens interested in the enforcement of law and order and the suppression of blind tigers and the illegal sale of liquor are urged to meet at the Y. M. C. A. this evening at 8 o'clock in Hanna Hall.

Feathers to Be Discussed At a Meeting Tonight

The regular bi-monthly meeting of the Boy's Poultry Club of the Y. M. C. A. will meet tonight at 8 o'clock in the association building at their rooms. Every boy who has some problem which he has been unable to solve or has some question which he would like to ask is requested to bring them up at the meeting tonight. As new members will be received tonight, every boy in the city who is thinking of joining the club should be on hand tonight. Membership is open to all boys of the city, whether members of the club or not and the membership fee is but 25 cents, as the object of the club is to help the boys and not to burden them with fees. The club prefers that they put their money in pure-bred birds.

Six Young Girls Pallbearers. Atlanta, Feb. 8.—Six young girls dressed in white acted as pallbearers for the body of their young companion and friend, Miss Alta Stephens, who was buried here yesterday afternoon.

Six young men acted as an honorary escort, but the casket was actually borne by the young women.

FLYING MEN FALL. Victims to stomach, liver and kidney troubles just like other people, with like results in loss of appetite, backache, nervousness, headache and tired, listless, run-down feeling. But there's no need of feeling like that as T. D. Peables, Henry, Tenn., proves. "Six bottles of Electric Bitters" he writes, "did more to give me new strength and good appetite than all other stomach remedies I used. So they help everybody. Its folly to suffer when this great remedy will help you from the first dose. Try it. Only 50 cents at W. L. Hand & Co.'s."

"Evangelization of Colored People"

There will be a prayer meeting this afternoon at 4:30 in the Second Presbyterian church. Mrs. Elizabeth Preston Allan will conduct the service. The subject will be "The Evangelization of the Colored People." Mrs. Allan takes great interest in the colored people. Recently she formed a Bible class for the colored people, and they have shown great interest and enthusiasm in the work.

Miserable Dyspeptics

All the world looks gloomy to the man with the upset stomach. He sees the world through smoked glasses and never tries to rub off the smoke. Cheer up, Mr. Dyspeptic, there's bright days ahead of you. Go to R. H. Jordan & Co. this very day and say I want a box of M-I-O-N-A tablets. Take them as directed and if the misery doesn't leave your stomach and bring a sunny smile to your gloomy countenance, go and get your 50 cents back. M-I-O-N-A stomach tablets will promptly end the distress of indigestion, will stop nervousness, dizziness, biliousness, sick headache and sleeplessness. Fifty cents buys a large box at R. H. Jordan & Co.'s and druggists everywhere.

It's An Astounding Fact, Bill

What right here in progressive Charlotte, a city of skyscrapers and blind tigers, church spires and clubs, religious workers and bridge rammers, of much plety and great hypocrisy, of electric energy and hot air artists—I say in such a Garden of Eden, Bill, with such beautiful women and wise men, it is almost beyond comprehension, that any one could be found satisfied with a 2, 4, 6 or even 8 per cent investment, which is taxed by the state, taxed by the county, taxed by the city (you know Charlotte taxes everything save the elect) while at 25 S. Tryon St., the home of The Mutual Building & Loan, 31 years old, every dollar of such money can be invested at about 6 1/2 per cent NET, taxes paid by the B. & L., no lying to be done as many are doing yearly to escape their part of the burden of a great (?) and wise (?) and just (?) government.

THERE'S BUT ONE EXPLANATION, KEESLER, There's a certain percentage of mankind fools. This is true and established history, tradition and statistics. Tuberculosis may one day be eradicated but fools never. We may lower the percentage, but extermination was left out of the great plan of creation. New series still open.
