

SUFFERED EIGHT YEARS RESTORED BY PERUNA.

MRS. MARY S. FENNESSEY.

AS MANY THOUSAND PEOPLE SUFFER FROM CATARRH OF HEAD IN WINTER, MRS. FENNESSEY'S PERMANENT RECOVERY SHOULD CREATE GREAT PUBLIC INTEREST

Mrs. Mary S. Fennessey, Lake Benton, Minnesota, writes: "I was afflicted with a bad case of catarrh in the head, and was unable to breathe through my nose for eight years. Six bottles of Peruna cured me entirely and I have not been bothered with catarrh since."

A Helpless Invalid. Mrs. Annie Spaine, Gainesville, Arkansas, writes: "I was helpless in bed for eight months, and part of the time would not have weighed sixty pounds. Food would do me no good. I had catarrh of the head and stomach and internal catarrh, and also had heart trouble so bad I could not bear any one to talk in the room where I was. The doctors and everybody that saw me said I would not get well. But God saw fit to spare me and sent relief through your wonderful medicine, Peruna."

COUGHS, COLDS AND GRIP. Mrs. I. D. Hayes, 1937 Druid Hill Ave., Baltimore, Maryland, writes: "Peruna is one of the best remedies for grip, cold in the head, sore throat, nervous headaches, and coughs that has ever been discovered. I don't feel safe without Peruna in my house." In a later letter Mrs. Hayes says: "I am never without a bottle of Peruna in the house. I give the children Peruna if they find they have a cold and it always relieves them."

SOCIAL SERVICE COMMITTEE AND ITS PLANS

The social service committee of the Men and Religion Forward Movement met at luncheon in the Y. M. C. A. building yesterday evening and formulated some definite plans for its future work. A "Know Your City" campaign is to be undertaken by which it is hoped the actual religious and social conditions may be determined. It is felt that the churches and other agencies can do more effective work if they are fully informed as to the conditions to be met. The work is very important and is enlisting the interest and co-operation of some of the best men of the city.

It was announced at the Committee meeting that Dr. Wilbur F. Crafts will deliver his famous lecture, "That Girl and Boy of Yours," on March 19th. One of the largest audience rooms in the city will be secured and the lecture will probably be free. Dr. Crafts is known around the world as an interesting lecturer. Everybody should mark the date, March 19th, and make sure to hear him.

W. C. McNabb Will Be Brought Back

Officer Walter Culbertson, of the local police force, will leave tonight or tomorrow, for Mobile, Ala., to bring back to the city W. C. McNabb, who will be tried on a charge of obtaining money under false pretense. McNabb is the man who about a year ago won quite a lot of notoriety in the Charlotte Auto School by obtaining a lot of money from the students of the school by various false pretenses and by also working several banks for different sums. The authorities have been looking for McNabb high and low ever since he left the city, but never found a clue as to his whereabouts until they came into possession of a post card a few days ago, which told where he was. There is no doubt of the Mobile man being the right one and he will be brought back at once.

TO HAVE COMPLEXION THAT MEN ADMIRE

"A man may admit, with great sophistication, that powder and rouge are necessary aids to beauty," writes the Countess of Wenick, "yet deep in his heart he dreams of the woman whose loveliness needs no artificial touching up. Women who appreciate this, who give consideration to the masculine viewpoint, avoid using anything that might indicate their beauty is not all their own. "Such women in increasing number are acquiring the mercerized wax habit. By applying the wax at night as they would cold cream, washing it off in the morning, they secure, and maintain, entirely natural complexions. Their faces exhibit no evidence of having been 'beautified.' Nothing is added to the old complexion—the latter, instead, is discarded. Mercerized wax, procurable at any drug store—an ounce will do—absorbs the devaluated outer skin gradually, almost imperceptibly. The fresh, clear, satiny 'under-skin' which appears, bears a healthy, youthful bloom not comparable with the fixed artificial color."

The new firm has taken over the Doggett-Mobley Co. stock which will be closed out in a fifteen days sale, beginning Saturday, March 2d. These lines will be replaced with new and attractive goods and it is designed to make the store a "live member" in the busy district in which it is located.

The many friends of Mrs. Z. V. Taylor will regret to hear that she has been confined to the house for several days.

Rev. Dr. Pharr Died Last Night

Aged and Revered Minister of The Southern Presbyterian Church Passed to His Reward—For 59 Years a Minister.

Rev. William Walter Pharr, D.D., one of the oldest and most venerated ministers of the Southern Presbyterian church, died last night at 11 o'clock at his home at Mooresville, aged 80.

Dr. Pharr had been in feeble health for several years, but was not acutely sick until a few days ago. Owing to his age and condition, grave fears for his recovery were entertained.

His daughter, Mrs. P. M. Brown, and son, Mr. Clare Pharr, of this city, were with their father when he passed away. Another daughter, Mrs. W. L. Moore, of Mobile, Ala., arrived here this morning and will go to Mooresville this afternoon. Mr. Brown left this morning for Mooresville. Of the 59 years of his life, Dr. Pharr had spent 59 in the ministry. He was a towering figure in the councils of the church, a man of rare ability, of notable purity of character, of consecration and power. Throughout this entire section he was honored, loved and revered. He kept the faith of his fathers strong and true. His life was a benediction to his home, his church, his state. By reason of his strength he came unto fourscore.

Biographical. Dr. Pharr was born in Cabarrus county on January 1st, 1832 and entered Davidson College at the age of 17 years. He was graduated from there in 1853 and went to Union Theological Seminary at Hampton-Sidney (Va.) in 1856. In May, 1858, he was ordained by the Presbytery of Concord. He served in the capacity as stated clerk of the Presbytery for 22 years.

In 1862 he accepted the ministry of Center church, of Mooresville, where he faithfully served throughout his life.

The Funeral. The funeral services will take place tomorrow afternoon at 2 o'clock.

INFLUENTIAL HOURS FOR BUSY WOMEN

The religious work committee of the Young Women's Christian Association has arranged a most interesting series of vesper services for the Sunday afternoons during the month of March. Realizing the number of busy business women in the city these talks by busy men have been arranged with the thought in mind of packing the most helpful and inspiring messages into the least time. The speakers are all practical men and women of affairs and they will put into their addresses the results of their large experience.

An approximate census has been made of the wage earning women of the city and the number has been found to be 525 exclusive of the girls and women who work in sewing houses and mills. This is a conservative number and no doubt if a careful enumeration were made the number would be considerably larger. This is a large number and is constantly increasing.

The dates and speakers follow:

"Influence in the long run is the impress of our real character on other lines."—Hugh Black. Influential Hours for Busy Women. Sunday, March 3, 5 p. m.—"Rendering Unto Caesar the Things That Are Caesar's."—Mr. Robert Glasgow. Sunday, March 10, 5 p. m.—"Thrill as a Religious Factor?"—Mr. F. C. Abbott.

Sunday, March 17, 5 p. m.—"Ambition or the Power of a Purpose."—Mr. W. C. Dowd. Sunday, March 24, 5 p. m.—"Books for Busy Women."—Miss Mary B. Palmer.

Sunday, March 31, "The Quiet Hour."—Miss Lois A. Neel. Young Women's Christian Association, 12 North Church street. Special music at all these services.

SICK HEADACHE, DIZZINESS, TORPID LIVER, CONSTIPATION--CASCARETS.

Sick headaches! Always trace them to lazy liver, delayed fermenting food in the bowels or a sick stomach. Poisonous matter, instead of being thrown out, is reabsorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, awful throbbing, sickening headache.

Cascarets remove the cause by stimulating the liver, making the poison move on and out and purifying the blood. The effect is almost instantaneous. Ladies whose sensitive organisms are especially prone to sick headache, need not suffer, for they can be quickly cured by Cascarets. One taken tonight will straighten you out by morning—a 10-cent box means a clear head and perfect health for months. Don't forget the children—their little insides need a good, gentle, cleansing, too. Children gladly take Cascarets, because they taste good and never gripe or sicken.

The last I knew of her she lived in your city some 20 or 30 years ago. I also lived there myself and worked for a man by the name of Mr. Phifer. I also worked in a rim factory run by Mr. Markell, my grandfather. I do not know whether my sister is married or not. The last account I had of her she was a clerk in the Racket store. Her name was Ella Thompson, and she is about 38 or 42 years old. I lived in Charlotte some 20 or 30 years ago and have since lived in Georgia. I wish to find my sister and go live with her, as I am some 50 or 55 years old and not married and just living from place to place, though my health is very good and I can do any kind of work. Now, anything you can do to locate my sister will be thankfully received and I assure you that you will be helping a poor, lonely old man. Yours, etc, MARRON THOMPSON.
