LITTLE BEAUTY CHATS

BY BLANCHE BEACON.
SIMPLE METHODS OF REMOVING WARTS.
If your hands own to a wart or, if your face has several of these ugly expressions, you should try some of the following remedies. They will remove your wart without in any way injuring your hands.

... treatment several times a day for a week, when, in most cases, the wart will be no more. There will be no scar, so feel no fear of this treatment. Here is another remedy that commends itself to me, and I am hoping it will meet your approval. Invest in a small bottle of tincture of iron, and, dipping a clean toothpick into this liquid, press it gently into the center of the wart. Do this once in a while until the time arrives when the wart gives up the battle, fading away into nothingness.

Son of the Meekins Killed By Fall

By Associated Press.
Newbern, N. C., April 28.—The roller skater claimed its first victim here yesterday when Ellis Meekins, 17-year-old son of Mr. and Mrs. Isaac Meekins, a prominent family of this section, died as a result of injuries sustained several nights ago while skating on the public sidewalks. The young man with several companions were skating on the sidewalk when some one playfully threw a strip of wood in the path of the skaters. Meekins' skates hit the obstruction and the lad was thrown with such force as to break three ribs, his hip and cause congestion of the brain. He never rallied from the fall.

Men Welcome Mother's Friend

A Duty that Every Man Owes to Those who Perpetuate the Race.
It is just as important that men should know of progressive methods in advance of motherhood. The suffering incident to child-bearing can be easily avoided by having at hand a bottle of Mother's Friend. This is a penetrating, external application that relieves all tension upon the muscles and enables them to expand without painful strain upon the ligaments. Thus there is avoided nervous spells; the tendency to nausea or morning sickness is counteracted, and a bright, happy disposition is preserved that reflects wonderfully upon the character and temperament of the little one soon to come. You can obtain a bottle of "Mother's Friend" at any drug store at \$1.00. It preserves the mother's health, enables her to make a complete recovery, and thus with renewed strength she will eagerly devote herself to the care and attention which mean so much to the welfare of the child. Write to the Bradfield Regulator Co., 229 Lamar Bldg., Atlanta, Ga., for their valuable and instructive book of guidance for expectant mothers.

Children Cry FOR FLETCHER'S CASTORIA

SOME STRAIGHT TALK.
Albany, N. Y., April 28.—With clinched fists pounding his desk, Governor Sulzer told a conference of democratic county chairmen Saturday just what he intended to do if his plan for state-wide primary legislation was blocked any longer by recalcitrant party leaders in the legislature. "I will drive out of the democratic party and out of public life every man who opposes state-wide direct nominations measures," he declared. "If you think I will not fight you have another think coming. If you imagine that I do not know the rules of the game, remember I have been in the game all my life. They beat Governor Hughes but I am determined they shall not beat Governor Sulzer. "If we fail in this fight it will not be because I do not realize what the constitution says concerning the agencies of the executive. All that is honest and all good agencies will be used by me from now henceforth to defeat and to crush the demomrats who would make the democratic party of New York the laughing stock of the people, who would make the democratic party of New York a political hypocrite and a political failure."
