The Great Incohonee Carl Foster, of Bridgeport, Conn., will bring thousands of Red Men to Charlotte. There will also be other prominent Red Men present.

The Great Council of South Carolina holds its 1914 sessions in Rock Hill in April. It is proposed to have them, if possible, before their meeting to defer it until May 20th, and have them to meet in Charlotte after transacting their business and adjourn to Charlotte and have the officers of each reservation installed jointly by the Great Incohonee.

The Great Sun just closing has been a very successful one, the order is in a flourishing condition, the membership at present is about 6,000. Eleven tribes have been organized during the Great Sun and three councils of the Degree of Peconahonts, a branch of the I. O. R. M., and the most of them as well as our brothers from the reservation of South Carolina will be here May 20th, 1914.

A STATEMENT FROM MR. BRENZER. To the Editor: It has recently been told me that certain rumors have been circulated over the city that the fees charged by me are exorbitant, and to satisfy the public which is entitled to know, I asked the Treasurer of the City to give a statement which I append below.

I wish to state in this connection that I have made no charge for preparing the new charter recently submitted, though my labors extended over a large portion of several weeks. CHASE BRENZER.

April 26, 1913. CITY TREASURER'S OFFICE Charlotte, N. C., April 26th, 1913. The total amount of fees collected by Mr. Chase Brenzer, as City Attorney, from the date of his election on the 17th day of August, 1911, to this the 26th day of April, 1913--are \$4,414.00. This amount includes an additional bill rendered today, \$445.00.

The fees include their regular work of the City Attorney for all services rendered for the Board of Water Commissioners, and in connection with all permanent improvements, contracts, etc.

In this connection I wish to say that in my opinion the work required to be done by the City Attorney in connection with the numerous bond issues, and the permanent improvements, assessments and notices, etc., has been three times as great as in any other administration since I have been connected with the City in the capacity of City Clerk and Treasurer. In addition to his services as City Attorney, Mr. Brenzer has had prepared a large part of the typewriting incident to preparing the bond papers for the bond attorneys and buyers in his office. I do not think, under the circumstances, that the fees charged have been any more than reasonable. A. H. WEARN, City Clerk and Treasurer.

Pure and sincere love alone will influence men and women with this birth-date.

This sign gives ferocity of strength under the influence of anger. The only way to deal with a man or woman having this birthdate, when they are in one of their paroxysms of madness, is to leave them entirely alone and let them rage it out by themselves. After their anger has spent itself, the calm and well poised person will be able to lead them.

There is a demand for good domestic help at this time and the Want Ads will help the energetic, capable and enthusiastic worker to an excellent position during the coming week.

TY COBB'S SALARY \$12,500

Detroit, Mich., April 28.--Ty Cobb, rated by most critics as the greatest ball player in the game today, will receive \$12,500 for the coming season. This was the official statement given out at the Detroit Baseball Club headquarters here this morning.

Ty has been holding out for \$15,000 for months, but signed yesterday to play at the above figure. It is reported here that Cobb received \$9,000 last season, and that after a long conference here yesterday Cobb agreed to play for \$12,500.

Nothing was said by the Detroit club about bonuses to be given Cobb at the end of the season. The contract signed by the Georgia Peach, as far as could be learned, calls only for the salary.

Whether Cobb will receive more next season is another question. The contract calls for one year. Ty reported for practice this morning, but will not be in the game for several days. Ban Johnson will probably hang a fine on the Tiger outfielder for not reporting earlier. However, the amount is not expected to exceed \$100.

Chance Changes Again

By Associated Press. New York, April 28.--Manager Frank Chance of the New York American League club, after several days active service at first base, will lay off again for a while and Hal Chase will return to the corner of the diamond with which he is most familiar, beginning tomorrow's game, according to an announcement last night. Chase has been ordered by Trainer Barrett to rest until his injured leg is in good condition again. He has been advised he must give up active work if he did not wish to become permanently disabled.

Lelvelt is booked to succeed Chase in center field and Derrick who has been nursing a spiked hand, is to get back into the game today at short.

Col. W. W. Phifer reconsidered his determination not to run for alderman, and at the eleventh--nay, the twelfth, hour, Saturday night--announced himself another candidate, or candidate another time.
