THE STEAMER HAZARD

By Associated Press.

wednesday morning at 11 Alpena, Mich. Nov. 28.—It was sional leaders framing bills. cargo of flax is still aground off North holidays.

The chairman of the committees appointed to raise the \$150,000 for Queens College met today at 1 o'clock at the Selwyn hotel and conferred as to further details about prosecuting the campaign and hetrd informally the reports from the chairman of one or two committees, which were of the most encouraging nature.

It was voted that the formal receiving of the reports from the committees should date from tomorroy at 1 o'clock instead of from the meeting today at that hour, for the reason that the chairmen of one or two of the committees were unavoidably absent from the out of the city. Another factor that Greater Charlotte and S. B. committeemen had spent a strenuous day yesterday in various ways and one today as witnesses in an important
