

FEEL HEADACHY, DIZZY, BILIOUS?  
CLEAN YOUR LIVER! A DIME A BOX

These cathartics! Always trace them to the cause by stimulating the bowels, making the bile and constipation move on and out of the system. One taken tonight straightens you out by morning—a 10-cent box will keep your head clear, stomach sweet, liver and bowels regular, and make you feel bright and cheerful for months. Children need cathartics, too.

NEWS BUDGET  
FROM STATE'S  
CAPITAL CITY

Jan. 14.—There was a meeting of the executive committee of the University of North Carolina at the office of Governor Craig yesterday afternoon at which there was a general discussion of a number of important matters to come up before the meeting of the trustees scheduled for January 25. The members present were Governor Craig, Col. J. H. Andrews, Gen. J. S. Carr, Major John Graham, Charles Whitbee, Col. J. H. Andrews, Acting President Ed. J. Graham. Matters considered were:

FIRST SUNDAY IN  
FEBRUARY IS "CHURCH-  
GOING" SUNDAY

The first Sunday in February has been set aside by the members of the Charlotte Ministerial Association as special church-going day for the city of Charlotte, the purpose of the appointment of such a day being to set as large a number of people to the benches of the city on that day as possible. A special effort will be made by the ministers to have every member of their own churches present on that day. The special church-going day has been observed recently in a great many cities and much good is said to have resulted from it. The determination of the Charlotte ministerial association to have such a service was reached at the last meeting of the Charlotte Ministerial Association.

LACKING SUPPORT

The Chinese government has let it be known to Americans in Peking that it desires that Americans are not bidding for 2 shares of the railroad company, and for concessions a high rate of interest. The Chinese government is being distributed in the scheme for developing the republic. English, German and French capitalists and contractors have been busy in China for a long time seeking concessions and contracts, but Americans have not been heard from.

GIRLS! HAVE BEAUTIFUL, LUSTROUS,  
FLUFFY HAIR--25 CENT DANDERINE

More Dandruff of Falling Hair—A Real Surprise Awaits You. If you are possessed of a head of heavy, greasy hair; soft, lustrous, fluffy, and free from dandruff is merely a matter of using a little Danderine. It is so easy and inexpensive to have soft, fluffy hair and lots of it. Just take a cent bottle of Knowlton's Danderine and apply a little as directed. In ten minutes there will be an abundance of abundance; fresh, soft, fluffy hair, and you will find a trace of dandruff or

MRS. MCBEE ASSUMES  
DUTIES AT THE  
NEW HOTEL CLAYTON

Mrs. Sudie Avery McBee who is to be the lady in charge of the handsome new Hotel Clayton on Fifth and Church street assumed her duties yesterday. The hotel will soon be open to the public. A quantity of the furniture is being moved in today. The hotel is to be one of the most complete in the city or state. It is for the general public, women as well as men.

Mr. Twombly's Brother  
Dies in Massachusetts

Mr. Wilbur Twombly, clarinetist in the Piedmont orchestra, received a telegram Sunday night announcing the death of his brother, Mr. Frank Twombly, at Nashua, Mass. Mr. Twombly was sitting in Frazier's cafe where the orchestra was playing their regular Sunday night concert, when a messenger boy brought in a telegram. As the telegram was in the midst of a number of minutes, Mr. Twombly had merely time to rush to the station and catch No. 38 a few minutes before it pulled out for the North. He will be absent from the city for some days.

A WORD AS TO THE  
WOODMEN BANQUET

Council Commander W. R. Matthews of White Oak Camp, No. 2 W. O. W., requests all members and others invited to the banquet Friday night at 8 o'clock to assemble at the court house at 8 o'clock that night to receive tickets to the banquet hall.

PASTOR AND FAMILY OF  
VILLA HEIGHTS GET  
GOOD "POUNDING"

Rev. E. G. Carson, pastor of Villa Heights A. R. P. church, and his family were the recipients of an old-fashioned "pounding" last Monday night. A large part of the membership of the congregation assembled at the home of one of the members of the congregation and went quietly to the manse of the church, taking the pastor and his family completely by surprise and bearing with them a large quantity of good things for the pantry, the parlor and other parts of the manse. The visitors spent a pleasant social hour with the pastor and his family and departed leaving them in possession of a large number of useful material things and a grateful frame of mind toward the members of the congregation.

Mr. Chafer's Meeting Attracting  
Many To Knox Church

Attendance and interest increased yesterday in the Knox church meetings which are being conducted by Rev. Lewis S. Chafer of New York. The afternoon lectures on Satan are drawing people from all parts of the city. "The future of Satan" will be the theme today. Tomorrow the study will be of "Satan's present position and power." This will be continued on Friday.

ALDERMEN ENDEAVOR  
MOVE TO SECURE  
REGIONAL BANK

The board of aldermen at its meeting last night lent its official sanction to the movement to secure one of the regional reserve banks for Charlotte. Mr. T. T. Allison, of the city executive board appeared before the aldermen and asked that the sum of \$100 be appropriated toward the expenses that would be incurred by several citizens and city officials who would go to Washington today to appear before the regional reserve bank organization committee, he having been deputized to come before the board and make such a request. He stated that at a meeting of the Charlotte Clearing House Association yesterday afternoon, which developed into a citizens' meeting, that he was instructed to appear before the board and make the request for the appropriation and to have the city give the movement its official sanction.

Alderman Mason moved that the sum asked for be granted and that Mayor Bland be asked to go to Washington in behalf of the city and make any necessary preliminary arrangements for the appearance of the Charlotte party before the organization committee today. This was moved a motion of giving official sanction to the movement, as Mayor Bland left last night for Washington and was not present at the meeting of the board.

Milk Ordinance Not Discussed

The proposed new milk ordinance did not come up for discussion. Alderman Mason, who, with Messrs. Johnston and Kirkpatrick, had been added to the committee to draft an ordinance, stated that the committee had prepared a revision of the former ordinance, but as Dr. Crowell, chairman of the committee, was absent, until the next meeting. This was until then next meeting. This was agreed to.

After considerable discussion and upon argument by Aldermen Mason and Barnes to the point that the city needed more fire-fighting apparatus, a resolution was offered by Alderman Barnes and seconded by Alderman Mason that it was the sense of the board that the city needs more fire-fighting apparatus. Messrs. Mason, Barnes and Hagood were appointed by Mayor Pro-Tem Kirkpatrick a committee to decide on what was needed in this line and also to negotiate a building and loan note for the improvement of the Central fire station. It was pointed out by Alderman Barnes that many cities of 15,000 or 20,000 inhabitants have more firemen and as good fire fighting facilities as Charlotte with her approximate 50,000 population. It was also pointed out that the insurance rate was kept very high by inadequate fire protection.

Superintendent R. L. Womack of the Charlotte Electric Railway was before the board asking permission to double track North McDowell for a short distance in the block between Sixth and Seventh streets and for a short distance around the curve on Seventh street. The purpose of the double tracking is to make it possible for better service on the Belmont line. It was stated by Mr. Womack that the conductors on the cars going toward Belmont cannot see whether a car is coming from that direction on Seventh street and that it sometimes happens that two cars will meet on the single track near McDowell and Seventh street, to the consequent delay of traffic and the disturbance of the schedule. A motion was made to deny the request, but this was withdrawn and Mr. J. E. Honeycutt, alderman from Ward One, was appointed to confer with the street railway authorities to see what would be the best solution of the problem.

There was an apparent sentiment against the granting of the permission, if anything else could be suggested to relieve the situation. Mr. Mason stated that the granting of the permission would disturb the arrangement of assessments for paving in the territory. He said that a good deal of trouble had already arisen on account of such procedure and he thought the street railway, when it was asked for there, did not make it known before the assessments for paving were made at that point. A lengthy letter was read to the board from Messrs. Canster & Canster, attorneys for the Seaboard Air Line railway, stating that at a conference of the engineers of the Seaboard, Southern and Norfolk Southern railways at Washington recently the matter of the building of a bridge at the 14th street crossing, this city, was discussed. The Seaboard officials, according to the letter, agreed to build the bridge on condition that the city would do certain things, enumerating a long list of conditions.

Man, This Is Overcoat Weather---  
and they're all going at 1-3 less than the original price.  
What's the use to freeze?  
GIBSON - WOOLLEY COMPANY

THE "SIX GREATEST AMERICANS."

(Philadelphia Inquirer.) An after-dinner speaker in New York the other night, in a brave moment, gave out a list of the six greatest Americans. His new hall of fame included Commodore Cornelius Vanderbilt as the greatest business man; Abraham Lincoln, the greatest statesman; Thomas Edison, the greatest inventor; Horace Greeley, the greatest journalist; Mark Twain, the most original novelist; and Walt Whitman, the greatest poet.

Truth loses nothing when a hot-headed youth misses her, no more than virtue and religion, when a prodigal denounces them.—Schiller.

NORTH CAROLINA LEADS  
COUNTRY IN POUNDS OF  
COTTON TO ACRE

Special to The News. Raleigh, Jan. 14.—It is found by Commissioner of Agriculture W. A. Graham that North Carolina leads the whole country for the fourth consecutive year in the production of cotton to the acre, the North Carolina average last year being 239 pounds, with South Carolina second with 234 pounds to the acre. For the year previous the North Carolina average was 215 pounds to the acre. It is found that the North Carolina tobacco crop is valued at \$30,988,000, the highest in the tobacco belt, with Kentucky second with \$2,000,000 valuation less. The North Carolina sweet potato crop led the country with 8,090,000 bushels, with Georgia second with 7,231,000 bushels. The Carolina wheat crop increased one and three-quarter million bushels over 1913. The increase in oats was 7,000,000 bushels and increase in corn 4,000,000 bushels. The increase in corn crop for the past four years has been 21,000,000. The peanut crop the past year was the largest in the country.

COMPULSORY SCHOOL LAW.

(Concord Tribune.) The report of Mr. J. W. B. Long, trustee officer under the compulsory school law, for the city of Concord is very gratifying. Mr. Long made his canvass of the city last week and reports that every child in Concord between the ages of 8 and 12 years, whose parents have not a legal and valid excuse for absence, is in school. We trust the benefits and wisdom of the compulsory attendance law are as apparent throughout the county and the state as they are in the city of Concord.

Improve Your Skill  
As a Cook  
You don't know how good a cook you really are until you use  
Peerless Flour  
For this flour enables you to surpass in goodness anything you have ever baked.  
Buy a sack today—use it the next time you bake bread—the folks will be so surprised that they will ask you where you bought it.  
Peerless Flour  
is always uniform. It can't be equalled for absolute purity and cleanliness. It is made in a modern new mill, in North Carolina, by North Carolinians. It is ground from soft selected winter wheat and human hands do not come in contact with it during the process of manufacture.  
Peerless Flour  
is a money saver too—it cost no more than other good flour—and every pound sold under a guarantee to be as represented.  
Phone your grocer to send you a sack.
