Y. M. C. A. Board Of Directors Have Annual Meeting

The annual meeting of the board of directors of the Young Men's Christian Association was held yesterday at 5 o'clock in the association building. Much routine business was transacted and reports from all the officers of the association were received, all of them showing that the association was in fine condition and had had a prosperous year. The annual election of officers resulted in the choice of the same men as served last year. They are: President, Robert Glasgow; vice president, J. A. Durham; recording secretary, J. H. Ross; treasurer, F. C. Abbott; general secretary, D. L. Probert; physical director, A. L. Paul; boys' work director, A. C. Sheldon; office secretary, Ernest E. Ruff; membership secretary, Audria Alexander.

The report of General Secretary D. L. Probert follows, covering the year and showing in some detail the good condition of the association: Mr. Probert's Report. To the Board of Directors of the Young Men's Christian Association. "Gentlemen:—The work of the association year just closed, has been of marked activity and efficiency in every department, and the directors, officers, committeemen and members of the association in general should feel encouraged to do larger and better things in the coming year because of the success of the past. A fact that promises well for the year just before us is that, so far as is now known, there will be no change in the force of employed officers, and but one change in the personnel of the board of directors. The general secretary wishes to thank the members of the board for valuable advice and co-operation in every activity attempted, and also to thank many men and boys for loyal and efficient service during membership and missionary campaigns, as well as other interests.

Religious. In a report of the work done for the past year, it seems well to give first attention to the work done along religious lines, as in the minds of some, the Young Men's Christian Association is not considered an efficient religious body. However, on the contrary, the following figures show decided activity in the matter of religious meetings and Bible study: "Four adult Bible classes with 105 enrolled in 164 sessions had a total attendance of 2,004, and 12 boys' classes with 151 enrolled in 204 sessions had a total attendance of 1,537, making a grand total of 16 Bible classes with 256 enrolled and 368 sessions, attended by 3,541.

Physical. "We are fortunate in having the same physical director for several years, in the person of Mr. Albert L. Paul, whose work shows conservatism but a steady increase in efficiency and in the number availing themselves of the privilege of this department. Mr. Paul will report more in detail the work done under his leadership, which will show that 620 class sessions were held during the year, which is 50 sessions in excess of the report of the previous year; the total number using the department privileges during the year was 83,338.

General. "During the spring an aggressive membership campaign was promoted in competition with 14 other Southern cities, of the larger size. While the Charlotte association did not win the cup, it did attain, however, a new high record for membership—1,106. "The annual booklet was again issued, and thanks to a number of advertisers, the cost to the association was very slight. "Special contributions of \$1 each were secured from a number of contributors and members of the association, which has enabled the association to purchase a new set of books for use at the men's meetings at the building, and also to procure two additional phonographs, one for the senior department parlors, and for the boys' department.

Speakers. "In addition to our local pastors who have spoken at our Sunday meetings the following among other, out-of-town speakers should be mentioned to show the fine privilege afforded to hear men of prominence and ability in the south and nation, as well as in the city. Rev. Dr. James I. Vance, Mr. Archibald Johnson, Rev. W. L. Graham, Rev. E. M. Poteat, De. E. K. Graham, President J. S. Moffatt, Rev. Zorbaugh, Dr. Edwin Mims, Rev. C. L. Boynton, Rev. Dr. C. A. Barbour, Rev. L. S. Chafer. Missions. "Mr. Morris Trotter, treasurer of the missionary committee, will make a complete report of the finances in connection with this work, which has resulted in the collection of about \$1,254.95 during the year for missions. The year was especially marked by the visit of Rev. Charles Luther Boynton, who has been the representative of this association on the force of the National Young Men's Christian Association committee at Shanghai, China. Mr. Boynton expressed himself as delighted with the loyalty and strong work of the local missionary committee and contributors to the mission fund, and stated that he was proud to represent this association for so many years. On his return, he will again represent this association, it is hoped, for the second full period of seven years. "The year's work of the missionary committee was also marked by the visits of Rev. Dr. Painter of the Presbyterian Church, Mr. Arthur Rugh of China, and M. V. Bowe of Brazil, the last two being secretaries of the International Committee, at home on furlough. During the visit of these gentlemen, a missionary campaign was promoted by the committee, which resulted in the securing of \$689 in pledges to the work for the year. Educational. "The educational work of the association during the past year, and especially in the fall, beginning the season of which we are now in the

Twelve Wake Forest Men to Stand State Bar Examination. Special to The News. Wake Forest, Jan. 24.—The Wake Forest law department will send a class of twelve to apply for their licenses to practice in this state at the next term of the supreme court which will convene in Raleigh February 2. The class organized yesterday with the following officers: L. Mills Kitchen, of Scotland Neck, president; Hoyt P. Taylor, of W. ton, vice president; Dan B. King, of Sanford, secretary. The class voted to hold a banquet in the Bland hotel at Raleigh the night of the examination. The next examination will be the first held in the new supreme court building, which will be formally dedicated the night of the examination. The present class is one of the largest ever sent down at the February term of the court and includes several men who have previously studied in other law schools: Carolina, Washington and Lee and Trinity being some of the institutions represented.

Revenue Officers Captures Still in Stanly County. Revenue Officer E. L. Kendrick, of Asheville, arrived in the city last night from Stanly county, where he has been for several days investigating a report that an illicit distillery was operating. His investigations were not in vain, for he captured a blockading outfit in the county between Big Lick and Locust Level, together with some of the unfinished product of the still. The operator of the plant has not been located. Mr. Kendrick had only a slender clue to work on, but located the still after a careful reconnoiter of a few days. It is said that whiskey from the neighborhood of Stanly, where the still is located has been coming into Charlotte in considerable quantities.

Stiff Neck. or any other stiffness or lameness of strained and aching muscles, should have prompt relief. Nothing like SLOAN'S LINIMENT to remove the soreness! Try it for backache—in fact, most any kind of pain. Mr. A. Moore, Manchester, N. H. writes: "I suffered with a awful stiffness in my legs. I tried two or three liniments—no use. Finally I tried Sloan's, and after two mornings could run to my work." At all dealers. Price 25c, 50c. & \$1.00. Dr. Earl S. Sloan, Inc., Boston, Mass.

ALMOST FRANTIC WITH DANDRUFF. Tormented by Itching, Hair Came Out by Combs, Pimples on Scalp, Cuticura Soap and Ointment Made Permanent Cure. Bissell, Ala.—"I had a very bad case of dandruff on my head. I was tormented by itching and my hair began to come out by the comb. I almost became frantic, fearful that I would lose all of my hair which was my pride. There were some pimples on my scalp and I scratched them until they made sores. My hair was dry and lifeless. "I was bothered about four months and had tried various kinds of preparations which seemed to only make it worse. I saw the advertisement of Cuticura Soap and Ointment and sent to my druggist for three cakes of Cuticura Soap and a box of Cuticura Ointment. I washed my scalp with warm water strong with the Cuticura Soap and dried, afterwards applying the Cuticura Ointment, working it in the scalp slowly with my fingers. After using them for several days my hair began to stop coming out. The dandruff all disappeared and in less than four weeks a cure was accomplished permanently." (Signed) Miss Lucy May, Nov. 6, 1912. Cuticura Soap and Ointment do so much for pimples, blackheads, red, rough skins, itching, scaly scalps, dandruff, dry, thin and falling hair, chapped hands and shapeless nails, that it is almost criminal not to use them. Sold everywhere. Liberal sample of each sent free, with 32 Skin Book, Address-post-card "Cuticura, Dept. T, Boston."

Receipts table: Senior membership fees, Junior membership fees, Contributions, Special contributions, Educational tuition, Advertising and supplies, Physical-Lockers, Towels, Sunday collections, Lunches, Miscellaneous, Dormitory, Total income for 1913.

TRINITY COLLEGE ITEMS OF INTEREST

Special to The News. Trinity College, Jan. 24.—For some time it has been the custom at Trinity College each year to have on Washington's birthday, February 22, a civic celebration. It is intended that the occasion shall be of service in cultivating a better citizenship and more patriotic ideas of government. The college is fortunate in securing R. D. W. Conner, secretary of the state historical commission, to deliver the address at the civic celebration. This address last year was delivered by Dr. W. E. Dodd of the University of Chicago.

Following the custom of many years standing a series of special religious services will begin at the college Sunday, February 1. The services are under the auspices of the Young Men's Christian Association, and will be conducted by the Rev. H. M. North, Presiding Elder of the Durham district. Services will be held each evening, and also all the college exercises will be suspended at 12 o'clock and an hour's service will be held from 12 to 1 o'clock each day.

The mid-year examinations are now being held and will continue until Saturday January 31. The second term will begin Monday, February 2. Rev. J. A. B. Fry, a former student of Trinity and for the last several years pastor of the Methodist Episcopal Church, South, at Berkeley-conference, the seat of the University of California, will deliver a lecture at Trinity March 1. Mr. Fry is now in Europe but expects to return in a few weeks. He has done a great work on the Pacific coast and will receive a warm welcome at the college.

The faculty residence formerly occupied by Dr. W. H. Glasson, is being overhauled and enlarged and will be occupied by Dr. F. N. Parker, professor of Biblical literature and college pastor whose work among the students is an ever increasing influence for good. In an interesting game of basketball, yet one void of special features, Trinity College beat Charlotte Y. M. C. A. by the score of 61-13 Thursday night in the Angier Duke gymnasium.

WAITING. (Caswell County Democrat.) We are expecting each day the few loads of wood yet due on subscription, and this week has been favorable for hauling same.
