### ROCK HILL REJOICES IN POSSESSION OF NEW AUTO FIRE TRUCK

Special to The News.

Rock Hill, Jan. 30.—The new auto fire truck arrived yesterday afternoon and was paraded up and down the streets. The machine was purchased from the La France Company and a representative from the factory is here to show how fast it can cover the ground and to instruct the firemen with the workings of the various machinery. The fire horses that have served so faithfully will soon be discarded, but the hose wagon will be kept in case of emergency, when horses from livery stables will be used.

A complaint has been filed in York court against Treasurer Neil to recover certain taxes paid by the National Union Bank under protest. Recently Comptroller General Jones of Columbia, instructed all county treasurers to collect taxes on all bonds held by banks, which have heretofore been exempt, excepting Brown consol bonds, which the law emphatically states are non-taxable even from stockholders of banks. The comptroller holds that individuals and corporations holding bonds issued by counties and the United States are not subject to taxation, but when held by banks the shareholders in said banks are liable. As the state exempts Brown consol bonds it is contended in the above-mentioned complaint that to tax United States bonds is in violation of

the constitution, which states that government bonds are not to be discriminated against. Also that the comptroller general errs when he rules that county bonds, issued as non-taxable, are to be taxes against bank shareholders, when individuals and corporations holding such bonds are exempt.

The engagement of Madame Schumann-Heink, scheduled for February 24 at Winthrop College, has been cancelled, as have all other engagements of this noted singer, who is suffering from aggravated bronchial trouble. This news will be received with regret by hundreds who had arranged to attend the concert. Special trains had been arranged for to accommodate music lovers from neighboring towns.

### ESSENTIALS IN CONSERVATION OF AUTOMOBILE TIRES

Occasionally a testimonial letter writer produces a contribution valuable to all car users. This was the case with Dr. Thomas Hubbard, of Toledo, Ohio, who in a recent letter to the Goodyear Tire and Rubber Company, told that his rear Goodyears has given 10,000 miles; his front Goodyears 13,000 miles and still going. He then gave his rules for the care of tires. "The essentials of conservation of tires may in my experience be summarized as follows," writes Dr. Hubbard:

- 1. Uniform inflation depending on load carried. Average 60 to 65 pounds

front and 70 to 75 rear for car 2,200 or 2,400 pounds, properly tired.

- 2. Test tires every three days. Discard an inner tube that leaks enough to lower pressure 15 pounds or more in less than three days.

3. Drive car steady and true. Slowing and skidding are evidences of bad driving just as much as allowing a horse to stumble or fall is evidence of unskillful horsemanship.

- 4. Dashing, brilliant driving—that is, quick headway and a hard brake stop, is destructive to tires just as a "crack the whip" start and sudden stop ruins horses' tendons and ankles.

5. Never twist a stationary tire on rough surface. This refers particularly to turning front wheels, but the rule is applicable to rear tire in starting and stopping.

- 6. Plug small cuts down to fabric to prevent rotting and sand separation of tread.

While the letter discussed Goodyear tires, its points will be of interest to every car owner interested in tire mileage costs.

### QUIMET LEAVES PINEHURST

By Associated Press.

Pinehurst, Jan. 30.—National Open Golf Champion Francis Quimet last night left here for his home in Brookline, Mass., after a week of intermittent play on the Pinehurst Country Club's links. He said he would return to Pinehurst in time to play in the annual North and South Amateur Tournament which starts March 27. As this tournament will immediately precede Quimet's trip to England, interested golfers of two continents will center upon his performance here.

Local golfers were somewhat disappointed at the showing made by Quimet during his play here. His best cards were two of 76 each, with one 77. His other rounds were made in 80 strokes or more. The champion, however, took things easy and did considerable experimenting. It was noted that his wooden club play apparently was better than ever, while he gave but scant attention to his irons. Quimet yesterday played on a round of 18 holes, his card being 80 for the match.

### DR. DEW SPEAKER ON "CHURCH-GOING SUNDAY" AT Y. M. C. A.

The Y. M. C. A. will observe "Church Going Sunday" in a special way Sunday afternoon at 5 o'clock, with a meeting at the Piedmont theatre.

The speaker will be Evangelist J. H. Dew, of Liberty, Mo., who is conducting special services at the First Baptist church every day this week. The First Baptist church, the Yokefellow's low's Band of the Y. M. C. A. and the religious work committee of the Y. M. C. A. will unite in this joint service.

There will be special music, both vocal and instrumental, and altogether an attractive service will be arranged. The chairman of the meeting will be Rev. Dr. W. M. Vines, pastor of the First Baptist church.

All men are most cordially invited to attend. The meeting will begin promptly at 5 o'clock and will last one hour.

### TRINITY SWAMPS QUINT FROM ROANOKE COLLEGE

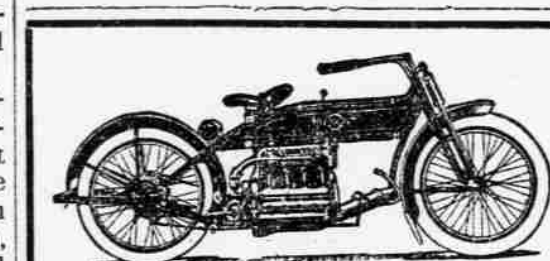

Special to The News.

Trinity College, Jan. 30.—Wednesday night Trinity met and easily defeated in a basket ball game the quintet from Roanoke College. At the very outset of the play the home team piled up the score on their opponents, and at the close of the game the score stood 42-15. The visitors had a fast team and were unusually good at passing, but they were lacking in ability to throw goals.

W. H. Ingram One of Victims. Columbia, S. C., Jan. 30.—W. H. Ingram, of Sumter, S. C., who was among the list of passengers lost in the sea disaster off the Virginia coast early this morning, was state agent of the Georgia Carolina Investment Company, with offices in Columbia. His widow and an adopted daughter, of Sumter, survive him.

## A LADY RESCUED FROM A LIFE OF MISERY

Such was the case with this woman who expelled a monster 45-foot Tape Worm, Head and all complete.

Birmingham, Ala.—(Special)—Mrs. R. L. Ayers, who resides at No. 807 Forty-ninth street, this city, with five small children and her husband, who is a yard foreman at the Alabama Great Southern Railroad yards, Avondale, as this lady is the mother of five small children and has been in poor health for years, she was always under the opinion that it was due to the constant care and worry that kept her feeling so bad. She said: "I never have time to complain for the babies have always kept me busy tending to their wants, so I went on from day to day always thinking I would feel better the next day. I never had the ravenous appetite

that I have heard so much about when people were afflicted with a tapeworm. "But I would feel like there was a lump in my throat and I could not get it up or down, unless I would eat something. I would have a dizziness and headache a good deal; sometimes pains in the back of my head and lower bowels, running around to my back. My breath was very short and foul. I had a nasty slime in my mouth in the morning. I had been reading and hearing about the wonderful Quaker Herb Remedies, and after being persuaded by my friends I called and procured the Quaker Herb Extract and I am thankful that I did, for to think I have only used the medicine three days. I felt a little disturbance in my bowels and, behold,

there passed this monster tapeworm, squirming alive and complete. And this was the true cause of all my trouble. Now, my friends and sufferers, whenever the Health Teacher tells you that Quaker Remedies will cure I honestly believe him, for he says he proved what he said. If you suffer with stomach trouble, catarrh in any form, kidney, liver or blood troubles, that means indigestion, constipation, bloating, belching, dizziness, shortness of breath, headache, start at once using the Quaker Herb Extract and Oil of Balm and see what a wonderful change a few days will make. Quaker Herb Extract \$1.00 per bottle, three for \$2.50. Oil of Balm 50c. From the Charlotte Drug Co., Trade and College streets.
