A GREAT STATE BENEFACTION." Under the above heading The Willess assiduously imitating her so soon

mington Star commends the movement as her new coiffure or her extra inch started by Dr. McGeachy for a home stage. There was a time when a theafor fallen women:

"The Charlotte News says it discov ers general popular approval of a plan advocated by the Rev. Dr. A. A. Mc. Geachy of that city for a state institution in which to give women a chance to retrace their lives and become useful members of society. Such a home will give them a chance and prepare them for occupations by which they can support themselves. "That is a Christian way of dealing

them after the ways of the law, a custom which the best thought of the country is turning from a repentant way. The state has institutions for its other unfortunates and delinquents, so there could be no greater public benefaction than just such an institution es Dr. McGeachy advocates.'

We believe that the general attitude of all papers and individuals would be found favorable to such a proposition. The remarkably hearty response to the movement is encouraging.

as any other man in Charlotte, no matter who he is."

preached his sermon. The movement should become state-

faces every city for correct solution. by it. The press can, and will render valuable aid in arousing the people to the

need of such an institution.

PARIS SENSATION-MAD.

"Gay Paree" is rent with conflicting thrills. The populace rants and raves have been added to the police force and strenuous efforts are constantly can command a crowded house, while an Evelyn Thaw, with no fame of any sort to commend her but her infamy. dents fight. Demonstrations are start- Zeigfield's Follies, wherein women with a woman in the case.

killed the editor of the Figara 1 scause But the most astonishing part of it is of his attacks upon her husband, who the character of the audiences that is minister of finance, she speedily days of the original "Black Crook" became the popular heroine of the and later only men patronized this

THE MERRY GO ROUND.

(Charleston News and Courier.) Another reason why the county-tocounty campaign should be done away with this summer is advanced by the didates for governor and it is possible that before the lists are closed still A two-thirds vote was necessary to others will announce themselves. him to Robeson county, considering fices to speak, it will be impossible," of the best health work being done in insure the passage of the resolution, The majority of Southern senators aspirant. It would be impossible for paper, would seem to indicate that discuss the issues of the day in such We are prepared to admit without a brief period of time. It will be im- in vital statistics. This is a most imequivocation that the weather man is possible for the voters to size up the portant matter that should not be negvarious candidates under such conditions."

To state the case is enough. No argument is needed to convince any intelligent man that as an educational institution the county-to-county campaign is a farce. All that it now amounts to is to furnish degrading DECADENCE OF POPULAR TASTE. spectacles for those who gather about the speakers in the hope that the vile epithets they are almost sure to bear may possibly eventuate in something

The county-to-county campaign is utterly indefensible. When the democratic club meetings are held next not only among men, but quite as month there should go up from all parts of South Carolina a demand upon the state convention that the present practice be abandoned once today is a terrific one, if true, and and for all. Its continuation is a dis-
