

Those Who Pick Most Titles Are Winners.

"Song and Story" Prizes Go to Those Who Correctly Name Books and Songs.

NAMES OF AUTHORS AND COMPOSERS IS OF SECONDARY CONSIDERATION.

All Puzzle Pictures Are Selected From Titles Found in Catalogue. All 70 Answers There.

The prizes in The Game of Song and Story will go to the persons who fit the largest number of correct TITLES to a series of 70 puzzle pictures.

Get the idea fixed in your mind—the largest number of correct TITLES. This does not mean that your answers will be judged on the spelling of the authors' names or the names of the composers of the music. The title is the main thing.

For instance, if one participant had 67 of the titles right, and that was more than any other player had, he would be entitled to the first prize no matter how many authors' names were spelled wrong.

The whole game hinges on the finding of the right titles. The pictures are drawn to represent titles only. The plot of the story, the words of the song and the names of the authors have no connection with the puzzle picture.

When it comes to judging lists, the titles only will be taken into consideration and the persons who have the largest number correctly named will be the winners in the game.

Every picture has been drawn to represent a title of a book or song that is found in the Catalogue. The pictures are drawn to fit the titles and in no case has the title been selected to fit the picture.

In some few cases more than one title seems to fit a picture. For this reason all players are allowed SEVEN answers to a picture. This is done so all will have a fair chance to find the RIGHT answer.

Pick titles and win the gold.

HUSBAND AND WIFE UNITE IN PRAISE

Of The Old, Reliable Thedford's Black-Draught, Which Has Been in Constant Use For over 70 Years.

Clifton Station, Va.—Mr. W. O. Putnam of this town says: "I have been using Thedford's Black-Draught, and I would not do without it. I am well of a very bad case of stomach trouble, after using only a few packages, and I think it is fine for indigestion and headache. My wife has also frequently used Black-Draught for constipation and headache, and thinks it is worth its weight in gold. She would not be without it in the house. I recommend Black-Draught to my friends, and tell them what it did for me. You are at liberty to publish my letter, as it might be the means of helping some suffering person." You cannot go wrong in taking Thedford's Black-Draught for any

derangement of the liver, stomach or bowels. Thedford's is the old original, genuine, powdered liver medicine, having been successfully and extensively used long before its many imitators began to try to build on its success. Black-Draught has been found to quickly and permanently relieve such symptoms of liver and stomach troubles as constipation, biliousness, indigestion, headache sour stomach, etc., thereby cleansing and purifying the blood, and restoring the system to its normal condition and efficiency. Black-Draught belongs in your home. Get a 25-cent package from your druggist today—costs only one cent a dose.

Old People Need A Bowel Stimulant

The Ideal One is a Mild Laxative-Tonic that Will Keep the Bowels Gently Active.

Healthy old age is so absolutely dependent upon the condition of the bowels that great care should be taken to see that they act regularly. The fact is that as age advances the stomach muscles become weak and inactive and the liver does not store up the juices that are necessary to prompt digestion.

Some help can be obtained by eating easily digested foods and by plenty of exercise, but this latter is irksome to most elderly people. One thing is certain, that a state of constipation should always be avoided, as it is dangerous to life and health. The best plan is to take a mild laxative as often as is deemed necessary. But with equal certainty it is suggested that cathartics, purgatives, physics, salts and pills be avoided, as they do but temporary good and are so harsh as to be a shock to a delicate system. A much better plan and one that thousands of elderly people are following, is to take a gentle laxative- tonic like Dr. Caldwell's Syrup Pepsin, which acts as nearly like nature as is possible. In fact, the tendency of this remedy is to strengthen the stomach and bowel muscles and so train them to act naturally again, when medicines of all kinds can usually be dispensed with. This is the opinion of many people of different ages, among them Mrs. Mary A. P. Davidson, of University Mound Home, San Francisco, Cal. She is 78 and because of her sedentary habits had continual bowel trouble.

MRS. MARY A. P. DAVIDSON

From the day she began taking Dr. Caldwell's Syrup Pepsin she has had no further inconvenience and naturally she is glad to say kind things of this remedy. A bottle can be bought of any druggist at fifty cents or one dollar. People usually buy the fifty cent size first, and then, having convinced themselves of its merits, they buy the dollar size, which is more economical. Results are always guaranteed or money will be refunded. Elderly persons of both sexes can follow these suggestions with every assurance of good results.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

State Camp Modern Woodmen of America In Session Here

The triennial meeting of the state camp of the Modern Woodmen of America met in the Knights' of Pythias hall over Stow's drug store yesterday with representatives present from about 49 counties. The address of welcome to the visitors was made by Mayor Pro Tem T. L. Kirkpatrick and the response was made by State Consul A. L. Stevenson of Winston-Salem. Col. Kirkpatrick in his address paid high tribute to the order as a fosterer of patriotism and good citizenship.

He reviewed the facts that it was founded by a great faculty of humanity, Hon. Joseph Cullom Root, and was first chartered under the laws of Illinois on May 5, 1884, a little over 30 years ago, and was admirably conducted as a beneficial organization for the public good. The annual election resulted in the re-election of Mr. A. L. Stevenson of Winston-Salem as state consul and Mr. D. C. Oldham of Wake as clerk. A handsome meerschaum pipe was presented by the state camp to Deputy Westberg as a token of appreciation for his faithful service. He expressed his appreciation.

The credentials committee reported the following delegates present and entitled to vote in the deliberations of the camp:

- C. R. Hofer, Cates; J. M. Howard, Hartford; E. A. Butler, Surry; J. A. Tudor, Columbus; James M. Heister, Robeson; C. A. Bland, Anson; G. W. Hobson, Yadkin; R. V. Sharpe, Alexander; E. E. Wingard, Cabarrus; S. N. Finger, Catawba; W. T. Hognis, Gaston; W. M. Tye, Mecklenburg; C. D. Shaw, Buncombe; A. J. Gibbs, Henderson; R. M. Tomasson, Swain; R. J. Milward, Henderson; D. C. Oldham, Wake; C. B. McKim, G. W. McGowan, Pitt; B. B. Spencer, and J. W. Buchanan, Washington; J. R. Rayner, Bertie; W. W. Whittington, Greene; C. A. Jones, Halifax; J. W. Sumner, Washington; A. M. Branch, Wilson; R. O. Adams, Craven; B. F. Pearsall, Jr., Duplin; J. W. Haskins, Pamlico; J. L. Nail, Chatham; Rev. G. W. Swope, Franklin; G. D. Allen, Wake; L. G. Turner, Alamance; W. B. Mr. Scott Appeals For Return to Paths of Bible Belief

The keynote of the sermon of Rev. W. Moore Scott at Tenth Avenue Presbyterian church last evening was an earnest appeal for return to the old paths of Bible belief and Bible preaching as the first fundamental element in the establishment of a glorious church. The text of the sermon was "That he might present it to himself a glorious church," Ephesians 5:27. Mr. Scott named as the necessary elements in the building of a glorious church these: The preaching of pure doctrine; the living of lives of practical sanctification; lives set apart for the service of God; liberality of Christian spirit, which is brotherly love; aggressive methods of work; united effort upon the part of the membership of the church, all of the members working together as one man to save souls from sin and lead them to God.

Mr. Scott emphasized especially his belief in the Bible as the inspired word of God and that it is inspired in every book, chapter and verse and not merely in part. He said further that if he did not believe the Bible to be all inspired, he would not remain a minister of the gospel, but would return his credentials to his Presbytery and tell that body that as the basis for his gospel message had been taken away, he no longer had work as a gospel preacher.

Speaking of the great doctrines of the Bible and their importance, Mr. Scott said that he believed in a literal hell for the unsaved with the same confidence that he believed in a literal heaven as the abode of the saved. Sin, he said, is not merely a misfortune, but is the result of the transgression of the law of God and salvation is to be secured only through the blood of Jesus Christ which was shed to save men from sin, in the past and in the present and the future, as well. The congregation present last evening was large. A. L. Justice of Northfield, Mass., directs the music and this is an interesting feature of the meeting. The meeting continues with an afternoon and evening service each day.

EXECUTIVE BOARD DEFERS ELECTION OF CITY EMPLOYEES

The employees of the city who are chosen by the executive board, which includes the police, fire, health and street working departments will remain in office 30 days longer at least without change. The executive board, as now organized, decided at its meeting yesterday afternoon that it would defer the election or re-election of employees for 30 days, or until the finance committee can be conferred with as to the amount of the budget for the coming year.

This was the first meeting of the board since the election of Mr. J. E. Morris to its membership last Monday night by the board of aldermen and the re-election of Dr. J. A. Austin at the same time. Both were present at the meeting yesterday afternoon. It is likely, it is said, that there will be no changes in the various departments unless it is seen by conferences with the finance committee that the city is not able to maintain the present number of men in the department. Col. W. W. Phillips objected to the board's adjournment without some official announcement to the employees that there was a likelihood of their being continued in their places, and a resolution embodying that sentiment was adopted.

It was the sentiment of the board that the finance committee and the executive board should have a meeting at as early a date as possible and that the departments live within their appropriations when received.

Contracts Let.
The board let contracts for the remodeling of the city hall, work to cost about \$6,000. The bids follow:

- For plumbing, J. J. Breen Company, \$288.
 - Hackney Bros., \$298.60.
 - Walter-Tomkins Company, \$272.
 - Acme Plumbing Company, \$315.75.
- The contract for this work was not let at the meeting, but Mr. J. A. Joes was empowered to see that the bids met all the requirements in requirements in every detail and close the contract with the lowest bidder. The single bid of \$72.50 by the Winchester Electric Company for electric wiring was accepted. The main part of the remodeling work was let to R. L. Goode, whose bid was \$5,445. One or two other bids for this part of this work was received, but had to be rejected because they failed to meet the requirement of having with the bid a check for five per cent of the amount of it.

IF SKIN BREAKS OUT AND ITCHES APPLY SULPHUR

Use It Like a Cold Cream and Dry Eczema Eruptions Right Up.

The moment you apply bold-sulphur to an itching or broken out skin, the itching stops and healing begins, says a renowned dermatologist. This remarkable sulphur made into a thick cream effects such prompt relief, even in aggravated Eczema, that it is a never-ending source of amazement to physicians. For many years bold-sulphur has occupied a secure position in the treatment of cutaneous eruptions by reason of its cooling, parasite-destroying properties and nothing has ever been found to take its place in relieving irritable and inflammatory affections of the skin. While not always establishing a permanent cure, yet, in every instance, it immediately subdues the itching irritation and heals the Eczema right up and it is often years later before any eruption again manifests itself. Any 'good' pharmacist will supply an ounce of bold-sulphur cream, which should be applied to the affected parts like the ordinary cold creams. It isn't unpleasant and the prompt relief afforded is very welcome, particularly when the Eczema is accompanied with torturous itching.

cause they failed to meet the requirement of having with the bid a check for five per cent of the amount of it.

The annual report of City Building and Electrical Inspector R. P. Connelly showed that 1,000 new water closets had been installed in the city during the year that 692 new water meters had been installed that the plumbing inspector had issued permits for the year to the number of 1,500; that the number of bath tubs installed was \$70, the number of lavatories 500, the number of kitchen sinks 200.

During the year 374 building permits were issued representing an expenditure of \$1,609,734, while during last year 307 permits were issued representing an outlay of \$1,027,822. The increase of the past year over the preceding one was \$581,902. In April of 1913 building permits to the number of 47 were issued representing an outlay of \$117,830, as compared with 44 permits for April of this year representing an outlay of \$124,160 worth of buildings.

The report of the police department showed that during the year the total arrests were 2,730 and that the percentage of convictions was high. The proceeds from the fines and costs were \$13,524.35.

City Engineer Lea was empowered to advertise for bids for the construction of a bridge on Tenth street over Sugar Creek.
