

Photographer Records Meet

The track team traveled to Laurinburg for a meet with St. Andrews during the spring holidays and Journal photographer Frank Coley went along to capture a little of the action on film.

Larry McAfee finishes ahead of his opponent in the picture at top left. At top right, Larry experiences a few post race pains and is attended by Ben Basinger and John Lafferty.

Maurice McClettie, in the center shot, finally folds after a grueling run.

At bottom, Frank Sasser and Woody Frick seem a bit outmanned by three St. Andrews opponents.
