Miss Marlena Shaw in concert.

## Marlena Returns

By Robert Wood

Saturday night, in the UNION Parquet Room, Marlena Shaw will make her second appearance on the UNC-C campus. Those who attended last year will remember the great performance that she gave.

Accompanied by Loonis McGlohon and his orchestra, Miss Shaw gives wholly of herself for three full hours. She laughs, she cries, she talks -- and the audience stays with her every minute. She has no established style, yet she does something which is very much of herself. Her songs include everything from modern jazz to sentimental ballads, from today's rock

to yesterday's melodies. Count Basie has said that she is one of the fastest moving jazz singers around today. Other accents to her career include performances on the Playboy Club Circuit and guest appearances on the Tonight Show.

Her performance is done in the tradition of her night club career, maintaining all of her songs, all of her jokes, and interspersing her own personal glimpses in her act.

The place is the Parquet Room. The time is Saturday night at 9:00. The cost is, \$1.00 per person and \$1.50 a couple, with student identification. Dress will be after-five.

## Moratorium Recognized

The Ad Hoc Vietnam Moratorium Committee of our campus met on Friday, October 3 to announce its tentative plans for the scheduled October 15 moratorium.

Ed Wayson, chairman and spokesman for the moratorium committee, announced that the Ad Hoc Vietnam Moratorium Committee had been recognized by Dean McKay as an official organization on campus.

Mr. Wayson also announced that the Administration Building lawn had been reserved for October 15 and that a microphone and podium have been acquired.

The tentative plans for the

moratorium were announced, and it was indicated that a schedule will be available for students and faculty before October 15. Tentative plans call for a series of speakers and entertainers.

The speeches will be given starting at 8:00 a.m., 9:30 a.m., 11:00 a.m., 11:30 a.m., noon, 12:30 p.m., and at 2:00 p.m. So far, 5 faculty members have consented to speak. These are Dr. Bigelow, Mr. Bush, Mr. Carr, Dr. Hall, and Dr. Robbins. Several students are scheduled to speak including Ed Wayson, Steve Rayborn, Ed Stone and others. Mr. Rayborn will also perform at the demonstration along with other local talent.

Mr. Ed Wayson, chairman of the Moratorium Committee.

## Faculty Endorses Resolutions

By Joe H. McCorkle

At a meeting on Wednesday, Oct. 1, the U.N.C.-C. faculty approved a motion concerning the Viet Nam de-escalation resolution which the Student Legislature had endorsed on Sept. 19.

The motion stated that the "Resolution Concerning Present American Military Involvement" will be regarded as a petition that will be circulated to members of the faculty for individual decision. Thus, the petition is not to be regarded as an official faculty matter.

The petition contains the Viet Nam resolution endorsed by the Student Legislature and differs from the Legislature's version only in the introductory statement, which reads as follows:

"We, the undersigned members of the General Faculty of the University of North Carolina at Charlotte, endorse the following resolution passed by the Student Legislature of the University of North Carolina at

Charlotte as an indication of increasing student, faculty, and general public concern over the war in Vietnam...."

A previous motion had been made that the faculty, as a body, adopt the Legislature's resolution but it failed to carry. One reason cited for its failure was a feeling among certain members that such a motion should not be a faculty matter.

### Selective Service

Students who wish to have their enrollments confirmed to the Veterans Administration (for benefits) or to their Selective Service Boards (in support of deferment requests) must personally request the confirmations at the Records Office, 136 Administration. HSC

## GRE's

### Given October 25.

Educational Testing Service announced today that undergraduates and others preparing to go to graduate school may take the Graduate Record Examinations on any of six different test dates during the current academic year.

The first testing date for the GRE is October 25, 1969. Scores from this administration will be reported to the graduate schools before December 1. Students planning to register for the October test date are advised that applications received by ETS after October 7 will incur a \$3.00 late registration fee. After October 10, there is no guarantee that applications for the October test date can be processed.

The other five test dates are December 13, 1969; January 17, February 28, April 25 and July 11, 1970. Equivalent late fee and registration deadlines apply to these dates. Choice of test dates should be determined by the

requirements of graduate schools or fellowships to which one is applying. Scores are usually reported to graduate schools five weeks after a test date.

The Graduate Record Examinations include an Aptitude Test of general scholastic ability and Advanced Tests measuring achievement in 21 major fields of study. Full details and registration forms for the GRE are contained in the 1969-70 BULLETIN OF INFORMATION FOR CANDIDATES. The BULLETIN also contains forms and instructions for requesting transcript service on GRE scores already on file with ETS.
