

*What Love,
Win*

Lao Tsu sez: "A vote for Win Minter is a vote stemming from wisdom.

Knowing ignorance is strength. Ignoring knowledge is sickness.

If one is sick of sickness, then one is not sick. The sage is not sick because he is sick of sickness. Therefore he is not sick."

Win Minter, Journal arts editor, was an unsuccessful candidate for homecoming queen. This drawing of Win is an original masterwork by Richard Gantt. We are reprinting it because of its particular style and aesthetic value.
