#### A Note About This Special Issue

By Nancy Davis

In an effort to supply the student body with accurate and helpful information on the candidates, this special elections issue of the Carolina Journal was published.

A questionnaire was provided for each candidate upon nomination for office at the student government offices. The following articles

are the candidates' answers to these questions. Unfortunately, for one reason or another, the questionnaires were not filled out by all the candidates. If it is an error on our part, we apologize, but every effort was made to get each candidate to answer a questionnaire.

All the questions are not applicable to every candidate

and the office he/she is running for. However, to be as fair and unbiased as possible the questionnaires will be reprinted word for word. The questionnaire was developed to stimulate opinions and answers on a variety of issues. Although most of the answers are very informative, students are encouraged to talk to the candidates personally.
