the University of Georgia and played the part of John Apply in the May play, "The Late George Apply."

Sigma Phi Alpha Initiates Eight

The members of Sigma Pi Alpha, national honorary language fraternity, will initiate eight new members into the fraternity this quarter. The students who will be admitted into this organization are successfully completing courses in either French or Spanish and have been recommended by their respective teachers for membership. Eligibility for membership in Sigma Pi Alpha is based upon the student's ability to understand and speak a foreign language and upon his unusual interest in this language.

The initiation will be held on May 23, 1952, at 8:15 P. M. here at the College. Immediately following the ritual the members will attend the social planned for that evening by the Social Committee. Those being initiated into the fraternity this quarter are: Frank Pernill Carter, Arthur C. Farley,

Jr., Miss Sula Floros, Michael Hamilton Palmer, Walter Herbert Peake, Jr., James Pearson, Miss Amy N. Frye, and Hubert Allen Womack, Jr.

Officers for Sigma Pi Alpha for the coming year will be elected at a meeting soon after the initiation. The advisors for the fraternity are Mrs. Frances Hoyle and Dr. Pierre Macy.

Sor'ty, Frat. News

Rho Gamma Alpha Sorority, which was comparatively inactive last quarter due to rather heavy schedules of the members, has livened up somewhat this quarter and has accomplished quite a bit.

The new drapes in the Student Union Building were presented by Rho Gamma Alpha. The thorough cleaning of the Student Union was accomplished by the sorority.

Sigma Lambda Chi (better known as "the Old Keymen Fraternity") will again give a scholarship to some worthy-would-be-C.C.-student. The scholarship will be awarded sometime in May. Last year's recipient was Mike Palmer.

On May 16 the Frat. took time out from working on the Student Union Building to treat themselves to a weenie roast at Cordelia Park. We are proud to say that this little social was a howling success, and that we wish the school socials would be as well attended.

Student Council Meets

The last meeting of the year for the 1951-52 Student Council was held May 7 in the library annex. Jack Proctor, president, presided at the meeting.

A financial report of the Charlotte Collegian was given by Michael Palmer. An additional \$83 was appropriated for the Collegian, bringing total appropriations for the paper this quarter to \$383. Bill Scholl, editor of the annual, summed up the work of the annual staff this year.

The most important issue at the meeting was the organization of an honor society at Charlotte College. The motion that such an organization be formed at CC was passed by the Council. An application for a chapter of Phi Theta Kappa, a National Junior College Honor Fraternity, will be made in the near future. Until plans with this fraternity are completed, the organization will assume another name. The procedures are expected to be completed by September. Membership in Phi Theta Kappa is restricted to students of high character and leadership, who have distinguished themselves scholastically.

Members of the Student Council, and its advisor, were entertained at a party at the Student Union Building on May 20. Mrs. Edith F. Winningham is advisor for the Council.
