**WELCOME**

week. If each and every member of the student body will take the time to stop someone in the hall and introduce himself, he will be repaid immeasurably. It should be easy to formulate friendships this first week of school if everyone will make use of this tactic and the name cards. Won't you do your bit?

These name cards are to be given out on Wednesday and worn that day and Thursday. For every person who wears his name card on Thursday, there will be a special prize.

Another step in providing opportunity to make friends has been the completion and opening of the Student Union Building. This building is yours and it is hoped that you will take advantage of it. If enough interest is shown, we would like to have open house there one night a week. At these open house meetings refreshments would be served and games or other forms of diversion provided.

We have acquired a bulletin board which will be located near the library door. Since the majority of classes are held on this floor, we felt it would be appropriate to have a bulletin board near the place where the students usually congregate. This board is for the general use of all students, and students are urged to use it when the need arises. Read it every day.

I would like to take this opportunity to welcome everyone back to school. Please feel free to call on me or any member of the Student Council whenever you need. We shall expect the same from you. Council whenever you need to. We shall expect the same from you.

C. C. VESS, V.-Pres.

We would sincerely appreciate your support and any suggestions that you would care to contribute.

BILL BASS.

**SOCIAL PLANS**

The hours spent in class this year at Charlotte College will, without a doubt, be of inestimable value in preparing for the future. However, "book learning" is not enough. To feel that the college really belongs to him, each student must become better acquainted with his fellow students and with the members of the faculty. It is the sincere desire of the social committee to make each student feel at home, and to provide him with an opportunity to meet and enjoy the fellowship of students and faculty members.

In participating in these affairs, we hope that you will learn to love our school and to feel that the school belongs to YOU. I want each student to feel that the Social Committee is an instrument for his use. I feel that it is not so much the duty of the Social Committee to plan and arrange social activities as it is to carry out your wants and ideas along this line. Please feel free to make any suggestions to the Social Committee. Members are urgently needed to fill positions on the committee. If you are interested in any phase of the social activities, please contact me.

CONRAD HOLMES,  
Chairman Social Com.

**TALENT NEEDED!!**

An urgent call is being sent out to each and every person at Charlotte College for talent! A few students have been making plans for a talent show to be held in October. There is only one thing lacking—talent! We are sure that there is talent at Charlotte College, and any volunteers for this show will be greatly appreciated.

Donald MacDonald has consented to help direct the show. Don writes for The Charlotte News and is active in many musical productions in Charlotte. He is a member of the Charlotte Opera Association; he had a major lead in an operetta presented by Myers Park Presbyterian Church this summer; this summer he was also the director, participant, and general handy man in a minstrel show given at the Presbyterian Hospital Nurses' Home. A few years ago Don was in a show at Charlotte College similar to the one we plan to have.

This show, which will be christened "Campus Cut-ups," will be a great opportunity to show the citizens of Charlotte what we are capable of doing. SO COME ON STOODENTS—let's all chip in and have a great show!

More information will be issued in a few days; but if there are any interested prospects before that time, just get in touch with John McClure.

—JOHN McCLURE.

**STUDENT UNION BUILDING OPEN**

Charlotte College now has a place for its students to get acquainted, refreshed, and relaxed. This place is the Student Union Building located at the far end of the track field directly behind the school. For your convenience, the Student Building will be open during the big break and will feature cokes, sandwiches, coffee, donuts, etc. It will also carry a line of paper, pencils, note pads, and other school supplies. For those who want to relax we have comfortable chairs and a radio. Here, your money will serve you doublefold; first, it will buy you cokes, cigarettes, etc., at the lowest price possible; second, the profits will be turned over to the Student Council to be used again to your benefit. We want this building to become your "School Home". We must have the backing of the entire student body if we are to put it across the way we have planned. Arthur Farley, Charles Vess, and David Moore will be happy to talk to anyone interested in working in or with the Student Building. I now cordially invite each of you to the warm and friendly atmosphere of YOUR Student Building. Come one—Come all.

DAVID MOORE.
