

## CHEERLEADERS

This year when Charlotte College fields its basketball team, the team will be accompanied by cheerleaders. The Owls will be backed by five beautiful lassies as they trot on the floor for their first home game. This is a brand-new idea at C. C. and we hope it will revolutionize the basketball team and will lend them a little more splendor.

These girls should be commended for the time they are giving to the team and to Charlotte College. They are getting absolutely nothing for their work except the enjoyment they will get out of it. We, the students, can make their jobs much easier by being in the stands and shouting with them. Can you imagine cheerleaders without anyone to cheer with? Well, if you can then I'm sure you will be at the games.

There were a few qualifications required for the job. First of all the girls had to want to do the job. Second, they had to have good enough grades. And third, they had to have or make the time it will take.

The Cheerleaders are: Barbara Duckworth, Gwen Daly, Nancy Fisher, Pat Kendricks, and Johnnie Greene.

## THANKSGIVING ASSEMBLY

The Thanksgiving season has already come and gone and I'm sure no one will forget it. This was the time of year that everyone should have thanked God for all the things that He has given us.

C. C. did their part during the Thanksgiving season by presenting an assembly to put us in a real Thanksgiving mood. John Scroggs did a wonderful job of instilling within the students a wonderfully thankful mood.

Mr. Scroggs presented a narrative story about all the things that we should be thankful for. Gwen Daly wrote the material and other students helped in the scenes.

Bill Reid sang for the assembly and did a fine job. The sorority also took up a donation to buy food for some needy families here in Charlotte.

Let's give Mr. Scroggs and his committee a big hand for such a fine and enjoyable assembly.

## CORRECTIONS ANYONE?

Due to the illegibility of the writing by the author of the article, Geology Field Trip, found in the last issue of the paper, several words were misspelled.

In case some people know something about rocks and know there are no such rocks as we mentioned, you may substitute the following names accordingly. We hope that this won't happen again but we can't assure you of it. Oh, my aching head!

## Incorrect

C.C. HEARS FROM  
FORMER STUDENT

Glenn Kever, now stationed in Japan with the U. S. Army, has written to Miss Cone expressing his wishes to attend the University of North Carolina. Glenn is a former student of C. C. and also a former editor of the Charlotte Collegian. Mr. Kever expects to be out of the service by the Fall quarter of next year and hopes to enter school at that time. Glenn has asked for information pertaining to transferring his grades.

Glenn expressed that the Army is not satisfactory and he longs to be back at home. "Still," he said, "I've seen a lot of country and have met different people. Even this far away I've been able to keep up with doings at Charlotte College and I'm proud of the progress she has made."

Glenn is remembered at C. C. as being one of our finer students and also as the editor of the Collegian. We want to wish Glenn all the luck in the world and hope to see him in the future.

## RECORD ROUND-UP

Well, hi there; and here we go with some more of the more popular tunes of the day. Man, there are some smooth hits making the rounds through the country. Here we go.

Dean Martin now has a new tune that takes this fellow's vote as being the coolest disc that has appeared on the market in the past few weeks. It's going like hot-fire in every music store and should stay around the top for a while to come. "Memories Are Made of This" should sell a million for Dean. If you have heard this song, you will probably agree with me that the background music gives it some great rhythm. If Dean keeps singing like this he can do without Jerry. By the way, it's on a Capitol label.

The McGuire sisters are still in the lime-light with their disc of "He." The McGuires also have another record on a Coral label that is going like mad. "Give Me Love" is the record of which we are speaking. In addition to their singing ability, they are also good looking.

"Only You," a Mercury recording, has put the Platters among the top artists of the day. This record is not only sensational in the R & B field, but is also making a landslide in the "pop" music market.

"Black Denom Trousers and Motorcycle Boots," by the Cheers and backed by Lex Baxter, is still going strong. "Love is a Many Splendored Thing," "Suddenly There's a Valley," and "Moments to Remember" are still selling like hot-cakes.

Mitch Miller and the chorus must not be over-looked among the top recorders of the day. "Bonnie Blue Gal" is a cute little ditty and rates near the top in this column. I hope Mitch keeps up the good work.

There are some great new records that have just come into the scene. "Love and Marriage," by Eddie Fisher, is only one of our prognostications for a hit tune. "Croce Di Oro" will probably be up near the top in a few more weeks also.

King Cole, the old maestro, has a soft and dreamy waxing in "Someone You Love." The King is sure making it rough on some of the younger singers.

Well, I had better say good-bye for now. Don't forget to be at the Christmas Dance. Here's wishing everyone a cool Yule and a frantic first.

## COLLEGIAN REPORT

The Charlotte Collegian is happy to announce that it has published its third issue and has come within its budget. The Winter quarter will bring two more issues of the Collegian. We hope that you have enjoyed this paper.

We believe in the stuff we are handing out, in the firm we are working for, and in our ability to get results. We believe that honest stuff can be passed out to honest men by honest methods. We believe in working, not weeping; in boosting, not knocking; and in the pleasure of our job. We believe that a man gets what he goes after, that one deed done today is worth two deeds tomorrow, and that no man is down and out until he has lost faith in himself. We believe in today and the work we are doing, in tomorrow and the work we hope to do, and in the sure reward which the future holds. We believe in courtesy, in kindness, in generosity, in good cheer, in friendships, and in honest competition. We believe that there is something doing, somewhere, for every man ready to do it. We believe we are ready-right now.
