P. Shealey, 2 26, bounty 50 cents; three aprons, his share. down to the most youthful badge Chas. Stratford, J. M. Alexander, en dresses, 16 00, bounty 6 60; two has the least idea that there is any earthly hope of their success in the know this, and know more than this, they are aware that any aid to this third party must come from Democratic ranks. The whole thing is people. Looking at it from a Democratic standpoint it appears to us simply a decoy thrown out to entrap Democratic voters, as an "essential" never been able to get the third cy. party organ on our exchange list, but we have perused several copies hardly ever a word against Republing local option, temperance or prolican policies. To the thinking peo- hibition, but when, as the upholder the struggling citizen has thus paid ple of our State and county the cer- of true Democratic principless it 21 76 in tariff taxes, about one fifth

the success of that party whose high well nigh ruined our State, then prohibition must go.

Friends, fellow citizens, there no prohibition governor in the case Which shall it be, Radical rule as in days just after the war, or Democracy as it is? As Carolinians let us give our whole support to the present economic administration and defeat Republicanism and its hangers on.

In each and every town we expect this Third Party to have a few followers whose zeal in endeavoring to moralize the world in a few years far outweigh their judgment, and Chicago to Alger of Michigan. He an element which thinks itself the nection with the special tax bonds, who would dare risk a return to the says Alger purchased fifty Southern best. No sneer is intended." evils of 1868 in their attempt to sober up a whole universe. Of these gates caused his defeat. Yet this is men who get their living by the ety in that matter as a falsehood, we would ask-Do they suppose a the gang that Sherman has been sweat of their brows. They are all THOMAS M. HOLT. Prohibition Governor could do more trying for years to put in control at dumped together, however, in one for the cause than our present offifor the cause than our present officials have done? Would he usurp authority, and, taking the reins of government in his own hand make way with local option by putting in its stead State Prohibition? Would not such a change need the sanction of a popular vote? And then again Prohibition would be overwhelmingly defeated and the downfall of local option would follow.

Concord is out-spoken in her preference for local option, and in very true. Indirect taxation like Mr. Steele will find a half dozen confirmed drunkards in her borders. As for the Prohibition Gubernatorial candidate and his aspiring comrades on the ticket we know not what faction, party or clique they save the supression of the liquor traffic, but we ask every one to en-

"ORGANIZED PROHIBITION."

A number of our citizens met on that "all the blowing up we get in the evening of the 6th of July for Editorial columns we consider the purpose of organizing a Prohibigratis."
