#### A CRACK SHOT.

Au Old Time Hunters Skill With the

Kit Carson was the crack shot in the Rocky Mountains in his day, and many are the stories told on the frontier of his quick eye and uner- New York World.

dozen of the webbed feet to boil into soup. To have a steriit, the imperial fish of Russia, is the desire of spring of 1863, and Captain Cutler, then a Deputy United States Marshal, was enroute to old Fort Bent, below Pueblo, this State. The country was sparsely settled, only here and there finding a small settlement along the Arkansas River, which he was following. He was traviling along on horselved.

dozen of the webbed feet to boil into soup. To have a steriit, the imperial fish of Russia, is the desire of support of the webbed feet to boil into soup. To have a steriit, the imperial fish of Russia, is the desire of every citizen. Sometimes this fish cost only \$5 or \$10, though, owing to scarcity, as much as \$250 has been given for a single fish.

Some of the purely national dishes of Sweden, as cut fish, are most extraordinary. This cut fish is steeped in a solution of potash until decomposition takes place. On the Christmas Eve, this fish is boiled and Jerry Sullivan, executive committee.

Some of the webbed feet to boil into soup. To have a steriit, the importance of bayonate turn to work at the point of bayonate. The following are the officers of the club: Charles Carroll, president; J. H. Fitzgerald, V. P. Hart, P. Murphy, John Dorsey, John Blue and O. E. Parsons, vice presidents; Micheal Anderson, secretary, Patrick McEnroe, John Cushman and Jerry Sullivan, executive committee.

diet. They use neither chairs nor tables, but a low stool being put in the middle of the room, a large, circular, copper tray is placed upon of lightning. Near the cabin was a corrad in which were a large number of sheep, and thither the great eagle was bent for prey. Reining up his horse the Captain awaited the result. There was a wild bleating and a rapid flight of the sheep, but a moment later the eagle rose from the corral bearing a large lamb with it. The lamb did not seem to impede its flight in the least, and the great strength of the eagle can readily be discerned by its breaking some branches near the top of the trees by the fearful stroke of its wings. Upward and upward it soared, the reason of a high Tariff. In the North reason of a high Tariff. from hardening and has the pecu- Think over it.-Plant. liarity of not evaporating.
