[Composed and arranged for the estate is said to be worth nearly old spinning-wheel; and respectfully dedicated to that devoted friend of Twenty bushels of wheat at protected machinery and high tax-

> Our Mary had a little lamb, And her heart was most intent To make its wool beyond its worth, Bring fifty-six per cent.

But a pauper girl across the sea, Had a small lamb also, Whose wool for less than half that sum She'd willingly let go.

Another girl, who had no sheep, Nor stockings, wool, or flax, But money just enough to buy A pair without the tax.

Went to the pauper girl to get Some wool to shield her feet, And make her stockings not of tax, But both of wool complete

When Mary saw the girl's design. She straight began to swear, She'd make her buy both wool and tax. Or let one leg go bare.

She cried out "protect" me from That pauper's sheep wool free, If made to keep both her legs warm What will "excourage" me ?

So it was done, and people said Wherever that poor girl went One leg was warmed with wool and one With fifty-six per cent.

Now praise to Mary and her lamb Who did this scheme invent, To clothe one-half a girl in wool And one-half in per ce 4.

All honor too, to Mary's friends,

And wrap the poor in tax ! Consumption Surely Cured.

And all protection's acts; Who sheaply clothe the rich in woo
