The Farm.

The Farmer.

The farmer leads no E Z life, The CD sows will rot;
And when at EV rests from strife His bones will A K lot.

In D D has to struggle hard To E K living out; If I C frosts do not retard His crops there'll B A drought.

The hired L P has to pay Are awful A Z too; They C K rest when he's away, Nor any work will do-

Both N Z cannot make to meet, And then for A D takes Some boarders, who so R T eat & E no money makes.

Of little U C finds this life;
Sick in old A G lies;
The debts he O Z leaves his wife,
And then in P C dies.

Work the Crop.

Nashville Argonaut.] There is nothing so absolutely necessary to success in making a latest machine on earth,

crop as proper and thorough cultivation. The land may be rich and every other condition favorable, and everything showing a vigorous up the constitution. growth, while close by will be another larm where the grass has been allowed to get a footing and the cultifarm where the grass has been althan with proper effort can not only be kept entirely clean, but frequently Denote an impure state of the blood kept clean from the start.

Hopeful Indications. Progressive Farmer.] As a rule, the farmers of the Confirm our statement when we say State have applied themselves with that Acker's English Remedy is in unusual earnestness to their farm other preparations for the Throat and Lungs. In Whooping Cough themselves of debt. They are economizing in every way, with the hope that at the end of a faithful year's zer's Drug Store. work they may enjoy some of the fruits of their labor. They have set their faces toward industrial independence. They have adopted a broader diversification of crops. In Call Meeting of the Board of the central and western portions of the State they are giving more attention to stock and to the cultivation of clover and the grasses. In the cotton section they are endeavoring to come back to the good old system of making their own supplies of any owner of any premises or lot upon which there is a cellar, sink or exat home. Better still, their horizon is broadening and enlarging. They are beginning to investigate those great economic questions in which their interests as farmers and citizens the still and the and tax-payers are largely involved. be gullty of a misdemeanor, and upon conviction thereof shall be fined fifty They are beginning to search for dollars or imprisoned twenty days.

Sec. II. This ordinance shall be in full force from and after it is ordained. which hangs about their efforts and their energies as a mill-stone. They their energies as a mill-stone. They are being aroused to the fact that the substance of their earnings is the substance of their earnings is continually dwindling away, and damage any of the electric light posts, that however hard they may work, and however good their crops, the net income to them is about the same. They are beginning to feel that they must go to thinking for that they must go to thinking for the first dollars or imprisoned for thirty days. themselves. They work hard-work good land, are industrions and eco-nomical; their families work hard town of Concord do ordainand live hard, and they make no any sling-shot or juvember within the progress, while all the great interests and enterprises of the country are flourishing and prosperous, and at last they are rising up and asking the all important question: What je 14 Clerk of Board. the all important question: What is the matter? A spirit of intelli- Sale of Valuable Land gent and earnest enquiry and investigation is fast taking a deep hold in their minds. They are reading, discussing, enquiring and listening more than ever before. They begin to believe that, if their interests are advanced and protected, it must be done through the farmers themselves. They are fast learning the valuable lesson taught by other callings and other interests, that combination-concentration-co-operation, is the power that rules the world. Impelled by these considerations, they have, by a common impulse and a common sentiment come together, and present the largest and most powerful organization ever known in our State. Founded upon the same purposes, the same ideas and the same princi ples the various farmers' organizations of the country will meet next

December in St. Louis and consoli-

date, and will then stand as the

strongest organization ever known

to the world. We accept these all

as hopeful indications and as happy

auguries for our future. The con-

servatism, the patriotism, the devo-

tion to law and order and to liberty which has ever characterized the

agriculturists of all lands and of

all ages, is the sheet-anchor of our

free institutions and of our civiliza-

tion. The middle class in America

is our stay and hope for the preserva-

tion of republican liberty on this

continent, and that middle class is

made up largely of the farmers of

Consumption Surely Cured

To THE EDITOR-Please inform your readers that I have a positive remedy for the above named disease By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy free to any of your readers who have consumption if they will send me their express and post office address.

Respectfully, T. A. SLOCUM, M. C., 181 Pearl st., New York. SCHOOL S

A CHILD KILLED. Another child killed by the use o opiates given in the form of Sooth-ing syrup. Why mothers give their children such deadly poison is sur prising when they can relieve the hile of its peculiar troubles by using Ackers baby soother. It contains no Opium or Morphine Sold by P. B. Fetzer.
