There seems to be a diversity of opinion as to the advisability of settling Geromino and his Apache band in Western North Carolina. There are some who favor it on the ground that they will have to be supported by the United States Government, and a military post will be necessary to guard, thus leading to a further expenditure of money and the opening of a market for the farmers and traders. Attorney General Davidson opposes it on the plea that it will interfere with the immi-

tlers.

WHAT SHOULD BE DONE?

There seems to be quite a diversity of opinion as to the punishment - November 1. that is to be meted out to the Lexington lynchers, in case of their conviction. Not a few express them-Proprietors. selves as being in favor of hanging them. Now, while we condemn lynching as much as any one, and are as anxious for its entire abolition, we do not approve of the extreme

penalty of hanging in this particular the power of the law, and have attempted to enforce it. They are driven to this course by increasing frequency of this barbarous practice within the last few years, and especially by the fact that this affair followed so closely upon the heels of the Morganton lynching in the face of the Governor's proclamation and public sentiment generally, condemning that proceeding. But although this is true, and people did generally condemn it, yet this meth-Would not a little more enthusi- od of summary punishment has been tolerated in the past, and in no instance has any effort been offenders to justice. Washington Letter.

WASHINGTON, Oct. 28th, '89 From Our Regular Correspondent.]

Who cares to write on a subject so threadbare as that of drink, will find a field of ripe promise in Washington. Yesterday afternoon I was passing one of the most exclusive restaurants in the city, when I observed three young ladies emerge from the elegant vestible and enter a public hack that had the curtains help the Fayetteville centennial. partly drawn. All three were very women. I know two; one the daughter of a United States Senator; the other nearly related-and the ward -of a member of the Supreme Court. All were drunk. They were not simply tipsy, but drunk. One dropped her hat, and the extra exertion required to replace it so exhausted her that the vigorous and line. assistance of the jehu who drove the her inside.
