## THEY GET THERE EVERY TIME.

Chicago is a peculiar spot in the man of the world. In fact it is so Chicago is powerfully dirty-its war was 112,500, Sometimes you see many things

In these fourteen particulars
North Carolina stands first. The
events recorded antedated all other about Chicago women. That makes similar events in any other State. no difference-they are industrious and have a notion as to the "eternal fitnes of things." The authorities -the street department-neglected so persistently a principal street unall the women themselves met with brooms, rakes and baskets and made frolio of cleaning the street. Lakes that waft a lovely breeze, This put to shame the authorities, Oceans, rivers, gulfs and seas, who at once appropriated \$10,000 for extra street work. When the women start something must result.

### WHO IS THE NEXT COVERNOR?

This question: Who is to be the next Governor? is puzzling some people. Scarcely had the lamented Fowle's remains been placed in their By the hope of country free, last resting place and Lieutenant By the past dread memory, We will choose a farmer Governor Holt took up the affairs of the State's government, until the Starving workmen! full of years, question was asked and answered in many different ways.

That's the trouble with us. We Generous impulse fills our soul, are not at the right place. Some Love, our actions will control, are living in the past—they are cranky, and back numbers; some are altogether in the future-the, are Warrior's glory must contain, building air castles, living in pastures green and fresh, and forgetting the daties of the hour, the living Give to all the good we find, present. There is no need of trouble | Educate the humar mind, over who is to be Governor of North | Love and labor there combined, Carolina. When the time comes, there will be a man to accept the Lo! the poor enslaved again, position. The office will scarcely go segging. Right now you haven't fingers and toes enough to count the | See his farms extended wide, men who are crazy to be Governor. Calming passions that divide, Wait for the nominating convention Calling labor to his side,

## CROOKED STUFF.

A dispatch from Halifax, N. C.,

to the Richmond Times conveys this about the funeral of a young lady: "The day was calm and beautiful -a perfect May morning-but the occasion was one of deep solemnity and sadness, as the deceased was greatly beloved. The text of the discourse was, 'I Know That My By the Gods, now be it worn, Our cause is growing warmer. By the hope we've cherished long, Redeemer Liveth.' in the midst of By the ties of country strong,

the sermon the church was Iled with a brilliant light, as if a flash Crawfordsville, Ind. of lightning had streamed in from every window and lingered in the building, and a gleam of brilliant radiance stood just above the head No Subscribers. But He Sends His Scuttments and Observations. of the preacher for a minute and then disappeared.

This is the worst kind of a fake. There has not been any lightning or thunder during May, until recently. | country to grand. And the presence might have caused the eye-brows and eye-lids and the bloom.

Prof. Cook is right; let the Y. M. of water and thereby made rainbows C. A. be. which this lying correspondent either maliciously or lignorantly took for at it. "a brilliant light."

Such stuff does harm only to the extent that fools believe such tom-foolery. But correspondents to the. This is a good time to ditch, and foolery. But correspondents to the large city papers are humbugs.

## HISTORICAL FACTS CONCERNING NORTH CAROLINA.

That most excellent paper, the Wilmington Messenger, contains the don't say anything about it.

The waters of Clear creek, so say and paste it in their hats. Let us all learn to think of the Tar Heel creation for enough strawberries to State. The Messenger says:

North Carolina has been modest in assecting her claums when others have been blatant and boastfu! When applied to communities and rainv spell as one could wish. commonwealths, it is not true that "real worth requires no intepreter," ing, in fact not c and that glorious deeds and noble that's the truth. words will secure proper recognition and form the blazonry of a State, whether asserted or not. It is high Hough said that the boy's father time that we should take the velvet lived on Dr. Caldwell's land. It was she is first:
