

Such is Co'sistency:
There is said to be a regular epidemic of jim-jams at Duquoin, Illinois, and it is not the first case reported from that part of the great West—from Indiana, Illinois and perhaps Ohio and Kansas. The nature of the epidemic is violent attack of negro antipathy followed by extreme nausea. It seems a bright mulatto girl passed an examination in the grammar school and won promotion to the high school. This is deemed an outrage for never before was there a negro at the high school. There is a threatened exodus of the white pupils. "My! my!" and that in a State where Republicans have had control so long. What long range friends of the negro the Illinois folk are.—Messengers.

Marked for Identification.
Mistress: "What have you marked that 'M' on all your pies for, Norah?"
Norah: "Sure, ma'am, that to tell th' mince pies from th' apples pies. 'T M' on the mince pies is 'tis mince' and 'M' on th' apple pies is 'tain't mince'—so I kin tell 'em, ma'am, widout cuttin' 'em."

He Has Been There.
After the first baby has arrived in a family, a man can't kiss his wife without waiting for her to take a lot of pins out of her month.

The Sizes.
A Southern man, writing to the New York World, sums up, in a masterly way, the disproportion of forces during the war. He concludes as follows: "Build your arch of triumph, men of the North, but history will inscribe upon it that you enlisted 2,775,304 soldiers, while the Confederacy summoned only 600,000 defenders."

Isn't this the Size?
After all, the "Mecklenburg Declaration of Independence may have been a resolution gotten up by a few citizens, who simply did not endorse the official acts of the British Government. People oftentimes resolve without pledging their lives and sacred honor in its defense. Maybe those people were simply an advance guard of kickers.

Of Two Evils Choose the Lesser.
"I told you," said the teacher, apologetically, to Tommie, "that I should whip you if you didn't tell your father you had run away from school, didn't I?"
"That's all right," responded Thomas, "I didn't tell him. One of your lickin's is a picnic by the side of one of dad's."

Idaho Democrats Act.
Pocatello, Idaho, May 26.—The Democratic state convention met here yesterday and elected the following delegates to the national convention:
J. M. Burke, J. W. Reid, J. M. Bennett, J. H. Hawley, Col. Bryan and R. Z. Johnson.
Resolution favoring the free and unlimited coinage of silver and recommending that plank be inserted in the national platform, were adopted. The delegates go uninstructed.

What a Cure.
Will you heed the warning. The signal perhaps of the approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves cough and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Porous Plaster. Sold at Fetzler's drug store.

What They Will Do.
The dentists meet at Winston this week and will talk about "snags" and "cavities" and sheet iron plate and ingrowing toe nails and corns and bunions of the jaw, and the delegates will tell some joke and take laughing gas to help them see the point.

It is not worth the small price of 75c, to free yourself of every symptom of these distressing complaints, if you think so call at our store and get a bottle of Shiloh's Vitalizee, every bottle has a printed guarantee on it, use accordingly and if it does you no good it will cost you nothing. Sold at Fetzler's drug store.

Something Awful and Fearful Here
Waldenboro Messenger.
We have been shown by Mr. Calvin Cox, of Morven, several grains of wheat that were in the gin house of the late John S. Little when it was burned by the Yankees in 1865. Although this wheat has been lying in a field that has been in cultivation ever since that time, yet it is as sound and perfect as it was over 20 years ago. Of course it is blackened, the result of the fire, but otherwise its preservation is perfect.

Col. Charles Marshall.
Colonel Charles Marshall, who served during the late war, has been invited by the U. S. Grant Post, G. A. R., of Brooklyn, to deliver an oration at the Memorial-Day exercises at Grant's tomb. Colonel Marshall has accepted and will leave Sunday night for New York. Colonel Marshall says: "I am very glad to be able to assist in honoring the memory of General Grant, because I consider that his services to the country, both North and South, in the terms made at the surrender of Appomattox are worthy of honor."

Boils, abscesses, tumors, and even cancers, are the result of a natural effort of the system to expel the poisons which the liver and kidneys have failed to remove. Ayer's Sarsaparilla stimulates all the organs to a proper performance of their functions.

Garza Follows Pleading Guilty.
San Antonio, Texas, May 27.—Since the conviction of Colonel Pablo Manos, several of the Garza revolutionists have made pleas of guilty in the hope of securing light sentences. The trial of Garza's father-in-law, Alexander Gonzalez, is set for Tuesday next.

Jurors Afloat on the Anarchists.
Paris, May 27.—The jurors likely to be drawn for the trial of Ravachol at Mont Brison for murder, are pleading ill health to avoid serving. It is now expected that the trial will begin June 14.

The Rev. Geo. H. Thayer, of Bourbon, Ind., says: "Both myself and wife owe our lives to Shiloh's Consumption Cure." For sale at Fetzler's drug store.

Fred Douglas spoke amid much enthusiasm to nearly ten thousand people of this region, the white as well as the colored people joining in a grand oration.

BOTANIC BLOOD BALM
Help in Time of Need.
When a man is drowning he will grasp at straw, but straws will not save him. Extend to him a life-belt and his rescue is certain.

Mr. James A. Greer, of Athens, Ga., (endorsed by the editor of the Atlanta Banner-Intelligencer) makes the following statement: "I am first cousin of the late ex-Governor Alexander H. Stephens and have been pestal chronic diarrhoea ever since 1878. For ten years I have been a sufferer from a cancer on my face which grew worse until the discharge of matter became profuse and very offensive. I became thoroughly disgusted with blood purifiers and pronounced them humbugs, as I had tried many without relief. Finally I was induced to use Botanic Blood Balm (B. B. B.). The offensive discharge decreased at once and the hardness disappeared. It became less and less in size until nothing remains except a scar. I gained flesh and strength, and all who have seen me bear testimony. I cannot say too much in its praise."

This infallible remedy for Dyspepsia of the most chronic type, is the result of many years' medical research of one of the most noted and eminent medical scholars of the period, Dr. L. V. Swinton. Patient and proprietary medicines have had no more bitter opponent than this most eminent physician, for the simple reason that the same dose is invariably prescribed for the sufferer, no matter what the temperament of the patient, and no matter what the peculiarities of the disease, and this too, in the face of the claims that such remedies will cure a majority of known diseases.

WHY THE AMERICAN RAMBLER
