and Rethallie Henrick.

To save not been having my fun, as scane of over exchanges seems to tention, simporth we have missed an inche 2 or Roby's mule got in North Carolina. That investigation in the secret service, I had mer and in the meelee that follnand we had one rib carved in and lost one suspender backle. On top of that, the office boy left the roller in the sun to dry and it acted as if had been attacked by a handful of

The newspaper brethren who want to exchange with us should send along the case, not necessarily for publication, but as a guarantee that we will not have to go to church barefooted this winter.

Some of the cord wood which Brother Winslett brought us last week is so crooked that it won't lie still Some of it has already wiggled through the fence and disappeared.

Mr. Corbett may be president som day, but he will never be the champion of the world until he succeeds in driving a small bay mule out of his garden by twisting its tail. We know whereof we speak.

Our wife's mother says she is not afraid of the cholera. If anybody con ward off the disease she can. We have often seen mothers-in-law attacked in the public prints, but ours has proved herself to be a hero-We gay this advisedly. Last week when we were sick she met Colonel Martin at the door and wooled him before the town marshal could pull him off, The colonel was angry bout a little squib in our last in which we endeavered to make a pun on his war record. He has written Ar.d Russell to Take His Place -- Can It located on the same spot where my give it to the Republicans than to us a cordial note explaining that he
