#### THE PENITERTIARY AFFAIRS.

During the past two years, under Hon. A Leazar's management as Superintendent of the penitentiary, there has been expended in addition to the receipts \$12,500 a year for its support. There is now a debt If the Legislature should make an debts. appropriation to pay this debt, as recommended, the penitentiary would cost the tax-payers exactly \$39,188 for two years a trifle less that \$20-000 a year. Against this amount due, there are crops and other resources on hand amounting in value to \$44,207.65.

These figures show that in spite of the unprecedent floods of 1893 defaulter to Pennsylvania. d the great depreciation in the alue of crop products in 1894, the nearer to a self support t for the floods and the low price yould not have cost the tax-payers I
