

MONEY.

NO. 2.

In my former communication it was said that \$1,600,000,000 at 60 pounds to the dollar would weigh 9,600,000,000 pounds. It should have been put 96,000,000,000 pounds. Similarly 600,000,000 pounds should have been 6,000,000,000 pounds, and 9,000,000 pounds should have been 90,000,000 pounds.

nearly as possible, as much as one season of the year, or rather one year as another. Any change in the value of the metal creates disturbances that are far reaching. Change of value creates doubt and doubt in matters of trade are always damaging to the commercial interests of a country. Nations have devoted their best talent to the question of stability of value in the money metal to be used, and the present money of the more enlightened nations show the result.

A SOUND MONEY CLUB. One Organized at Wilmington by a Mass-Meeting of Democrats. Wilmington, June 20.—A mass-meeting of citizens composed chiefly of business men was held in the court house to-day and organized under the name of the Democratic Sound Money Club. Article three of the constitution as adopted reads: "The object of this organization shall be to promote the intelligent study of monetary and financial questions, to foster a loyal support of the Democratic administration and to endeavor to preserve the integrity and ascendancy of the Democratic party."

Royal Baking Powder ABSOLUTELY PURE. KORNER WRITES. "THE OTHER SIDE." The Methodist Christian Advocate. Several weeks ago the Methodist Christian Advocate, one of the best church papers we ever saw, said something startling on the money question. Here it is: "The great question before the people in the next few months, we may say until after the next presidential election, will be monometallism or bi-metallism. Which shall hold the place? As banks, as a whole, will favor that financial system which is least beneficial to the people, we need only to wait for their deliverance and take the other side."

THE BEST FAMILY MEDICINE! She Has Ever Known. Words of Praise from a New York Lady for AYER'S PILLS. "I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headaches caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my inevitable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent a gripe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known."

AYER'S PILLS Highest Honors at World's Fair. Ayer's Sarsaparilla Cures All Blood Disorders. Mrs. Henrietta M. Dowd, mother of editor Dowd of the Charlotte News, died Thursday at her home near Charlotte. She was 52 years of age.

Dr. J. H. Watts, druggist and physician, Remond, Neb., who suffered with heart disease for four years, having tried every remedy and all treatments known to himself and fellow-practitioners, believes that heart disease is curable. He writes: "It was not until I used your valuable medicine that I was cured. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was Rheumatism of the Heart. It was almost incurable, with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No man can describe my sufferings, particularly during the last months of those four weary years. I finally tried Dr. Miles' New Heart Cure, and was surprised at the result. It put new life into me and made a new man of me. I have not had a symptom of trouble since, and I am satisfied your medicine has cured me for I have now enjoyed, since taking it, Three Years of Splendid Health. I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my suffering then and the goodness of your medicine. Your Name and other particulars give excellent satisfaction." J. H. Watts, Remond, Neb., May 8, '95.
