

JOE HERRIN CAUGHT.

A much-married ex-convict in Rowan jail—Denies His Own Name and All Knowledge of Persons Who Identified Him.

Joseph Marshall Herrin, late of Stanly county and ex-convict, who recently married Mrs. Pethel, of Rowan county was arrested Thursday on the charge of bigamy and had a hearing before justices O. A. Linn and Joe Coville at the former's office in China Grove township, Rowan county. Herrin was found guilty of the charge, bigamy, and was bound in a bond of \$500 for his appearance at the next term of Rowan county superior court. Failing to give bond he was sent to jail.

According to the records in the Register of Deeds' office in this county Herrin was married to one, Daisy Starus aged 15 years, of this county, on 24th of February, 1893. Soon after he was married he was arrested in Stanly county on the charge of larceny and was convicted and sent to Cabarrus chain gang for a term of 18 months. After his release from the chain gang his wife refused to live with him and eloped with another man.

Since then and until recently Herrin has been living with his father in Stanly county. Some five or six weeks ago he left Stanly and went to Rowan assuming the name of Harmons. He became acquainted with Mrs. Pethel and married her a few days after they were married it was rumored that the man was not Harmond but Joe Herrin. A warrant was issued and he was arrested. This man from Cabarrus attended the trial and identified Mrs. Pethel as his wife. He persistently denied knowing anything about Herrin and also claimed that his name was Harmond. Herrin is about 23 years old and the woman he married is about 30. His first wife is living in Charlotte.

Mr. Edron.

Mr. Edron.—Please tell us how much the fees will be to pay the officers for serving the summonses on the ten members of the town board. Add this to the \$177 and keep up the Record. Jobs are still waiting for some people.

Impersonators and Dirty Places.

One of the most unsightly scenes seen here in the city limits is the ugly gully or drainage between the store room of G. W. Patterson and M. T. Castor's cabinet shop. It is not only a ragged and dirty place, but unwholesome and dangerous. Should some aged, feeble or tottering person come by that place and make a misstep he would very likely break his neck or something else. It would be well for the commissioners to look into this matter, and make it safe for pedestrians, if not for a healthful community.

Wedding.

A wedding has been made of the wedding marriage of Rev. H. H. Overman to Miss Lou Kimball, daughter of the Rev. and Mrs. W. S. Kimball, which will take place on Friday evening, June 5th, in the Lutheran chapel at China Grove. The contracting parties have many friends in this city and are ready to congratulate them upon this event.

Young Girl's Life.

A young girl's life these comes a time when the careless indifference of childhood changes to the most conscientiously self-consciousness of approaching maturity. The eye is brighter; the mind is clearer; the heart is more sensitive; the soul is more expansive; the life is more full of hope and aspiration. It is a time when the young girl begins to realize that she is a creature of God, and that she has a duty to perform. It is a time when she begins to understand the meaning of love, and the value of friendship. It is a time when she begins to see the world as it really is, and to strive to make it a better place.

Forest Hill News.

Not many evenings ago a young man called on his girl and the old gentleman of the house asked the youngster if he could play ball, whereupon the young man answered in the affirmative. "Now," said the old gent, "I am going to make a center hit and I want you to make a home run." He made it.

Sheriff Sims, on Saturday evening, served warrants on Mayor L. M. Morrison, the board of commissioners and Treasurer J. L. Hartwell, requiring them to appear before his honor, Judge A. L. Coble, of Statesville, and show cause why they paid the men who held the municipal election in May remuneration for their time and services.

The commissioners are quivering with fear.

The commissioners are quivering with fear for having done this misdemeanor—"pay out public money without legal authority." This procedure is one among many of the freakish tricks that the dissatisfied Populists are noted for.

Death of a Prominent Young Man.

Stricken down in the morning flash of his manhood, Mr. W. B. Cashion, eldest son of Mr. J. S. Cashion of Dertis, died at the home of Mrs. J. Mack Barhardt, of Caldwell, where he had been for some months engaged in the mercantile business, yet all that skill and power could do to ally, he succumbed to that dreadful disease, typhoid fever, being sick only a week. His sufferings were intense, and on Monday afternoon at 3 o'clock the angel reaper moved down the stem of life and the flower whose petals were still unfolding was carried to the great beyond. The sympathy of many friends go to the grief-stricken family and relatives. Eight months ago they buried their oldest daughter, his beloved sister Minnie. In life they showed more affection than usually exists between brother and sister, and in death they were not being separated. Mr. Cashion was 24 years of age. He was a young man of brilliant natural endowments, and had a bright future before him in life.

On Monday evening his sorrowing parents conveyed his body to their home.

And on the following day his remains were interred in the cemetery at Sugar Creek.

A Business Change.

Changes in railroad circles are at all times in order and some times they are very surprising. We are to lose Mr. O. L. Smith, the efficient agent at the Southern depot. He will go to Oxford Monday morning. Mr. Smith has been the agent at this place for nearly four years and has won a host of friends, in both business and social circles, who will regret to see him leave.

Victor C. Barringer Dead.

A conspicuous character in Concord in the days of our boyhood was the subject of this sketch Hon. V. C. Barringer was born in Cabarrus, in 1827, three miles below Mt. Pleasant. His early life was spent on the farm and his first lessons were gotten in an old school-house in the upper part of Mt. Pleasant. His collegiate education was partly obtained at Gettysburg, Pa. and he graduated at Chapel Hill in 1848. He practiced law in Concord for years. He served on the commission to codify the laws of the State in 1871. He was appointed by President Grant soon after as judge of International Court of Appeals at Cairo, Egypt, where he served for twenty years in a climate peculiarly beneficial to his health.

Untold Misery.

FROM RHEUMATISM. C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla.

"For five years, I suffered untold misery from rheumatism. I tried every known remedy, but the best physician, visited Hot Springs, Ark., for three months, spending \$1000 there, besides doctor's bills, but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles being wasted up to the bone. I was unable to move, except by using a cane. I had no appetite, and was assured by the doctors, that I could not live. The pain, however, was so bad, that I could not get to bed, and I was unable to do any kind of work. I had my right arm and leg in a splint, in the position, but they were only temporary relief. After trying everything, and suffering the most terrible pain, I got to take Ayer's Sarsaparilla, and in ten days, I was able to walk without a cane. In three months, my leg began to strengthen, and in the course of a year, I was cured. My weight has increased to 130 lbs., and I am now able to do my full day's work as a railroad blacksmith."

A man's health is the rope by which he clings to success.

If he can keep his health, he will go on in success. Yet his health is the very thing he neglects more than anything else. It is easier to keep health than it is to regain it. When a man feels himself running down, when he realizes a loss of vitality and energy, he must call a halt. The stands of his rope are parting rapidly. Dr. Pierce's Golden Medical Discovery has helped thousands of men to just this condition. It cures the most stubborn cases of indigestion, constipation, and kidney disease. It doesn't make any difference what name you call your trouble—dyspepsia—kidney disease—rheumatism—consumption—skin disease, the "Golden Medical Discovery" will cure it absolutely. None of these diseases can retain hold on the body when it is full of rich, pure blood.
