We have enquired and ex chairman of the board, J Dove, says no convict under his direction or with any knowledge of his was ever allowed to leave the guards save trusties and they were sent on business strictly and never on pleasure. It becomes a serious ests of good government whether labury to most her sister. the courts or the execusors of necessary to suppress violations of Albemaric.

We are not disposed to lay the friends and relatives here. responsibility of Honeycutt's death at the door of the author of this blunder that we believe was an error on the side of a good heartedness, for death is but the natural consequence of a drunken group, but this is the very evil which Petrea's sentence was intended to suppress and his release was calcuto the effect of Honeycutt's death, was most beautifully rendered to Nussiana. lated to promote and did promote the 'widow's and the orphans' be- the delight of the large audience asreavement and the anxiety and dis-

## A CLEAN SWEEP.

Governor-elect Russell is reported as saying that no amount of sentimentalism is to prevent the Republicans and Populists from having all the appointments to positions within the State. Nothing more noblcould be expected of course, but in- lown, tegrity and efficiency must give way when the spoils system comes along. That all our State institutions are to suffer the inconvenience, not to eny the damage, of a change from se who have the work well in hand to those who must learn to adjust themselves to the work connected with these positions is no very pleasant to contemplate.

We freely admit that an administration should not be hampered by opposing policies near its centre, but where the policies represented by those elected to office are not in- buildings." volved there is no stimulus to improvement by change, rather the very opposite.

Changes in appointments except for purposes of improvement in acrvice works a downward tendency and must lead to official spolition rather than to official probity.

We repeat that nothing more noble could be expected from the an oyster aupper, at he delines. source but surely North Carolina can do better than to foeter the ig- St. John's Grange hall on Friday mobile sentiment that public office is night, Jan. ist, 97. A good time a public reward for partisan anal.

## MR. BRYAN'S LEATURE

Ever since it has been a nounce that Mr. Bryan would enter upon a lecturing tour people have been enrious to know the subject of his lecture. In due time it was anmounced to be "The Ancient Landmarks." Then of course the ques the lecture We olip from the retion was, what will be the drift of port of the Southern Associated Cure All Press a synopsis of the lecture believing that our readers will reeeive much satisfaction therefrom.
