

A camp was organized Wednesday night, electing a Commander and other officers.

About twenty sons of Confederate veterans met at the court house Wednesday night and organized a camp. Commander D A Caldwell, of the Confederate veterans, was present and told the purposes of the meeting.

Mr. Holland Thompson was called to the chair and Harry Dutton was made secretary. Election of officers was then proceeded with and resulted as follows:

Commander, Mr. Holland Thompson; First Lieutenant, Mr. James R Young; Second Lieutenant, Mr. Robert P Benson; Third Lieutenant, Mr. John M Cook; Adjutant, Mr. Wm. Gibson; Quartermaster, Mr. S J Eym; Commissary, Mr. D J Bostain; Sergeant Major, Mr. L D Coltrane; Treasurer, Dr. Joe F Goodman; Surgeon, Dr. R S Young; Assistant Surgeon, Dr. C G Caldwell; Chaplain, Rev. C B Miller.

At the conclusion of the election of officers, Mr. Thompson made a brief but spicy talk, exhorting the Confederate veterans and promising the sons to emulate and perpetuate the cause for which their fathers so nobly fought.

Each member was made a committee of one to bring members into the association and to work for the success of same.

The camp would have a membership of not less than one hundred and fifty. Let every father's son be up and doing.

The meeting adjourned to meet again at the call of the commander.

Dehon Elected. At last the Kentucky legislature has elected a United States Senator, on the 112 ballot. This contest is estimated to have cost \$100,000.

Evidence of Prosperity. The long-looked-for prosperity that has been heading this way for a long time, has come to view. Old man Joe Grier, who carried Uncle Sam's mail on one of the star routes has purchased a new buggy, and is the happiest and proudest old negro in the land.

Complete Within Ten Days. John Wadsworth, of Concord, was in Salisbury Thursday, says the World, and left on the Yadkin train for Anson county to look after the surveying of the road of which he has been elected President. Mr. Wadsworth tells us that the surveying has been almost completed, and ten days more would suffice to finish this up.

Mr. Harold Parker, of the engineering and surveying corps, has been called to his home in Boston, Mass., on account of the illness of his mother.

Some Advantages as Veterans. Since the organization of the Sons of Confederate Veterans in this city Wednesday night, many citizens have signified their intention to become members of the association. It is the intention of the Veterans to attend the reunion at the Nashville Centennial in June, and it would be the delight of the old soldiers' hearts to be accompanied by a camp of the Sons, who will receive the same accommodations and treatment as the Veterans. Quite a number have expressed their desire to attend the Exposition and a movement is on foot to get the old soldiers and their sons to go in a body.

Concord Presbytery. A special to the Charlotte Observer from Statesville on Thursday, the 28th, says: "Concord Presbytery, in session here, to-day celebrated the 250th anniversary of the adoption of the Confession of Faith by the Westminster Assembly. In the forenoon Rev. Dr. J. Rumpke delivered an important and valuable historical address on 'The Teaching and Influence Which Led the Westminster Assembly to Adopt the Confession of Faith and Catechism.' Rev. Dr. J. B. Shearer spoke of the reconnection of Presbyterianism with the work and cause of education. Rev. John M. Rose, of Morganton, preached the most eloquent sermon on 'The Faith Once Delivered to the Saints.' At night Rev. Eugene Daniel, of Raleigh, delivered an able address on the theological teachers and teachings which predisposed the Westminster Assembly to the adoption of Calvinism.

Rev. J. Tidwell was received as a member of the Presbytery.
