OUR FIRST VICTORY.

The Baseball Season Opens With a Game Between Concord and Cheraw—Brothers from the Sister State Arc Fought Wanting.
A good crowd turned out Wednesday afternoon at the Miller Park to witness the game between Concord and Cheraw. The cornet band, as a compliment to the baseball club and the visiting team, turned out in their white ducks to do well to the occasion. The attendants were doubly filled—good ball and good music.
Mr. Richmond Montgomery inspired the game and we are glad to say gave satisfaction.
Rogers scored the first run for our boys by a pass ball in the first inning. Malloy made a beautiful catch in center field of Caldwell's fly, but Rogers returned the compliment in an inning shortly afterwards. Rogers and LaGrande scored in the third inning. It's a treat to see LaGrande shove a ball from home to second similar to the one which put down Finlayson. In the fourth inning three of our boys were on the bases and things were most promising but no one but Miensheimer scored before "side-up."
Cheraw failed to score until the fifth inning, which run was made by Malloy, the captain of the team. In this same inning Caldwell made a fine two-base hit and scored on an error. Mangum also scored. We failed to score in the sixth. Rogers was nearing home but was put out between second and third. It was LaGrande's luck to be left on third several times.
Malloy made a fine two-base hit in the seventh, bringing home Evans, and also scoring himself. This made them three to our six. Caldwell made another two-base hit in the eighth. Rogers and LaGrande were left on bases.
Following is the score by innings and the runs, hits and errors:
Cheraw 0 0 0 1 0 2 0 0—3
Concord 1 0 2 1 2 0 0 3—9
H. E. 12 5
Concord 12 5
Cheraw 3 4 9

STOCKHOLDERS MEET.

Officers of the Concord Cotton Seed Oil Company Elected—The Work of Obtaining a Charter Ratified.
The stockholders of the Concord Cotton Seed Oil Company met Thursday afternoon, the 22nd. This was the time for the election of officers for the coming term of twelve months, which election resulted as follows: W. R. Odell, President; J. M. Odell, Vice-President; M. L. Buchanan, Secretary and Treasurer; W. A. Smith, Manager.
The work of obtaining a charter and giving the contracts for the machinery was ratified by the stockholders. The mill will be built at Slippery Rock between the Cannon and Odell mills.
Capt. S. E. Allen Dead.
News came here at 8 o'clock this (Friday) morning stating that Capt. S. E. Allen, of Winston, had died suddenly. This was a heavy shock, of course, to his family and near relatives at this place. He was in apparently good health and no cause for his death was stated.
Mr. Allen married Miss Laura Fink, of this place, daughter of Mrs. Ann Fink. He leaves a wife and six children, one of whom is married—Mrs. H. L. Saunders, of Sumter, S. C. Mr. Allen was a prominent wholesale and retail dealer in hardware and was well-known from a business standpoint by scores of people.
Grand Lodge Officers.
At the session of the Grand Lodge K. of P. in Fayetteville officers were elected as follows:
Supreme Representative, A. O. Webb, Asheville; Grand Chancellor, W. L. Woodward, Wilmington; Grand Vice-Chancellor, D. F. Summey, Charlotte; Grand Prelate, S. I. Welsh, Monroe; Grand Keeper of Records and Seals, W. T. Hollowell, Goldsboro; Grand Master-at-Arms, J. L. Scott, Graham; Grand Inside Guard, H. T. Strauss, Henderson; Grand Outside Guard, E. E. Lawrence, Forest City.

VICTORY AGAIN.

The Cheraw Boys Failed to Sustain Themselves as Well in the Second Game—A Total of Fifteen Runs—LaGrande Sends it Over the Fence—Heavy Hitting.
Even if our boys did beat in the first game with Cheraw, numbers of our people went to the park Thursday afternoon expecting a much closer fight as the Cheraw boys held their best pitcher until that day. But this failed to be true as they failed to come up to their standard of the previous day.
In the first inning our boys scored five runs but allowed the Cheraw boys none. Another run was made by us in the second but still the opponents received nothing but eiphers. But in the fifth inning Capt. Malloy scored one run for them. In this inning it seemed that Cheraw would make several runs. Three men were on the bases and our boys had to play most carefully. But Davall struck out and Rogers caught Powell's fly, leaving Finlayson and Tomlinson on the bases.
In the next inning LaGrande showed the audience how a ball can be parked, scoring himself and also Rogers and Weddington. Mangum also made a run this inning.
Nice playing was done by both teams in the eighth, neither side having scored and both teams worked a double play most successfully. In the last inning we scored one run and the Cheraw boys made two runs.
The following is the score:
R. H. E.
Concord 12 18 4
Cheraw 3 4 9
Concord 5 1 0 0 4 1 0 1—12
Cheraw 0 0 0 1 0 0 2 3—3

ONE OF THE LARGEST GERMAN...

One of the largest Germans we have had in a while was given in the Phifer dancing hall Wednesday night complimentary to the Cheraw baseball team. About thirty couples attended and the visiting boys were given a delightful evening, giving them a better chance to become acquainted with Concord's society. The colored orchestra furnished the music for them.
The visitors speak in high terms of praise for their treatment at our hands and find that defeat does not deprive them of a jolly good time.
His Resignation Accepted.
The North Carolina College Board met Wednesday to consider the resignation of Rev. M. G. G. Scherer, as president of the college, who has accepted a call to the Lutheran church at Newberry, S. C. The resignation was accepted and Prof. Edgar Bowers, who is at present filling the chair of languages, was appointed to fill the president's chair. Prof. Bowers and Prof. G. F. McAllister will canvass for the institution this vacation. Rev. Scherer will leave the latter part of July to take charge of his new field.
The Boy Released.
On Sunday night, the 18th, two young boys were arrested at the depot for beating their way on the train. They were confined to jail and Mayor Means wrote to their parents informing them of their presence in jail. Arrangements were made satisfactory Wednesday and the boy from Salisbury was taken out. The other one is from Asheville. He was released this (Thursday) morning by Mayor Means. The boy assured the mayor that he would go home and be content. The experience was quite enough for him.
The Asheville Boy Released.
The small boy from Asheville who has been spending several days in jail on account of beating a train, was released Thursday and left that evening for his mountain home. His brother came here and gave him a ticket to his home.
Another church for China here.
Contractor Caldwell informs us that he is setting his work in readiness to commence on the new Methodist church at China Grove soon. It will be built above the Patterson mills in the northern part of the town.
Mr. Alfred Litzker Married.
Mr. Alfred Litzker, who owns the Litzker buildings here, was married today (Thursday) to Miss Minnie M. Conder, of Charlotte, who has several times visited here and has been staying here for the last several days. The groom is 61 years married a bride of 23 summers.
Their Child Dead.
News came to us of the death of the 14 months old child of Mr. and Mrs. Samuel Wheeler, who live in No. 5 township. The child died of pneumonia Wednesday night and was buried at Mt. Gilgild church.
Would Not Suffer So Again for Fifty Times the Price.
I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times the price.—G. H. Wilson, Liveryman, Burgetstown, Washington Co., Pa. This remedy is for sale by M. L. Marsh & Co., druggist.

PREPARING FOR THE CHANGES.

When The Standard vacates its present quarters in the brick row a number of changes will very probably follow. The following order will probably follow but arrangements are not certain in every case. Mr. J. L. Boger will move his restaurant and lunch counter to our present rooms and L. E. Lipe will move from the small building beyond the Morris House to the room now occupied by Mr. Boger in the brick row. Mr. Solomon Einstein will move his upholstery establishment to the place vacated by Mr. Lipe.

A SHAMEFUL AFFAIR.

The Mayor of Gold Hill Writes to Coroner Lentz Asking Him to Come to Near Gold Hill at Once and Investigate a Case of a Shameful Nature.
Today (Thursday) Coroner Lentz received the following letter from Mr. Chas. E. Smith, mayor of Gold Hill:
"There has been a mysterious death near this place just over the line in your county. I believe there is sufficient evidence to convict a man of murder. I deem it your duty to come here at once, hold an inquest and determine whether or not this woman came to her death by foul or unfair means. I believe this will be a disgrace to your county as well as to our State to be perpetrated and nothing to be done or said. I again urge you to come here at once."
This was a negro woman who is dead, and lived at the Isehour mine.
Coroner Lentz left this afternoon and will hold his inquest tonight if possible. The evidence to be gained shows this to be a disgraceful affair.—Daily of 22nd.
Merely a Sensational Report.
The letter received Thursday by Coroner Lentz from Mayor Smith, of Gold Hill, calling him to come and investigate a case of very probable murder, proved to be nothing more than a rumored tale, judging from the inquest. It was impossible to get anything against any person causing the death of the negro woman, but it was shown at the inquest that the woman herself very probably shortened her life by her inexpedient way of taking medicine.
As stated, the inquest amounted to nothing, yet the county is put to the expense of a coroner's fee and the pay of the juryman. Coroner Lentz and Dr. L. N. Burleyson returned home that night at a very late hour.—Daily of 23rd.

An Old Grave Found.
Mr. Tom Petrea, of No. 10 township, informs us that while rambling along the banks of Rocky River near the Reed mine, on the old Sophia Barbee place, he discovered a tombstone which attracted his attention. The position of the stone indicates that the grave was made in a north and south direction. It has been often washed over by the freshets. The inscription bears the date of 1770 and the name is Mohamier Feisframo.
NO CURE, NO PAY.
That is the way all druggists sell Groves' Tasteless Chill Tonic for chills and malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults refer to it as bitter, nau seating Tonic. Price, 50c.

There was some excitement at the home of Dr. Grier at Harrisburg Thursday, the 22nd, on account of the actions of a dog which was supposed to be mad. Fortunately no one was bitten but the dog did follow the children into the house and jumped upon one of the young ladies of the house.

Another Southern Carpet Mill.
The Anniston (Ala.) Carpet Company has been organized with a capital stock of \$50,000, for the manufacture of ingrain carpet. Sixty to seventy operatives will be employed and the output will be some 1,500 yards daily. This, however, will be only a start, as the intention is to double the size of the mill and its output within a few months, ultimately developing into an immense carpet manufacturing industry. This is the second carpet mill started in the South. The other mill was lately started at Gaffney, S. C.—Southern Field.

The Anniston (Ala.) Carpet Company has been organized with a capital stock of \$50,000, for the manufacture of ingrain carpet. Sixty to seventy operatives will be employed and the output will be some 1,500 yards daily. This, however, will be only a start, as the intention is to double the size of the mill and its output within a few months, ultimately developing into an immense carpet manufacturing industry. This is the second carpet mill started in the South. The other mill was lately started at Gaffney, S. C.—Southern Field.

THE MAYOR OF GOLD HILL WRITES TO CORONER LENTZ ASKING HIM TO COME TO NEAR GOLD HILL AT ONCE AND INVESTIGATE A CASE OF A SHAMEFUL NATURE.

Today (Thursday) Coroner Lentz received the following letter from Mr. Chas. E. Smith, mayor of Gold Hill:
"There has been a mysterious death near this place just over the line in your county. I believe there is sufficient evidence to convict a man of murder. I deem it your duty to come here at once, hold an inquest and determine whether or not this woman came to her death by foul or unfair means. I believe this will be a disgrace to your county as well as to our State to be perpetrated and nothing to be done or said. I again urge you to come here at once."
This was a negro woman who is dead, and lived at the Isehour mine.
Coroner Lentz left this afternoon and will hold his inquest tonight if possible. The evidence to be gained shows this to be a disgraceful affair.—Daily of 22nd.
Merely a Sensational Report.
The letter received Thursday by Coroner Lentz from Mayor Smith, of Gold Hill, calling him to come and investigate a case of very probable murder, proved to be nothing more than a rumored tale, judging from the inquest. It was impossible to get anything against any person causing the death of the negro woman, but it was shown at the inquest that the woman herself very probably shortened her life by her inexpedient way of taking medicine.
As stated, the inquest amounted to nothing, yet the county is put to the expense of a coroner's fee and the pay of the juryman. Coroner Lentz and Dr. L. N. Burleyson returned home that night at a very late hour.—Daily of 23rd.
