FOUR DROWNED IN A SLOOP.

A Pleusage Party Caught Like Rats, In. a Trup The Captain's Heroic Action. Savagnah, Ga., July 23 — The sloop Losell Dell, owned and sailed by Capt. Allen N Calder of Thunderbolk and having on board a pleasure party, was capsized in the Ogeochec river, near Hell Gate during a squall yesterday afternoon and Captain Calder's aged mother and infant daughter were drowned. Cap-

tain Calder's father and wife

were seriously injured and his

father may die. On the sloop were Dr. and Mrs. Stephen A Calder, of Sun bury: Capt. and Mrs. Allen N Calder, of this city, their five children-Vernon, 12 years old. Frank, 9 years old; Lawrence, 7 years old; Delacy, 5 years old, and Olga, 18 months old, who was drowned, and Mrs. Sandi-ford, who is 60 years old. All except Captain Calder and his son Vernon were in the cabin at dinner. Vernon was holding the jib sheet. When the storm struck the craft Captain Caider ordered his son to slacken the shees. The boy was frightened and became excited. Instead of doing as ordered he pulled tight on the jib halyards, and the sloop refused to answer her Without warning the graft was capaized and those in the cabin were instantly submerged in water. They were penned in like rats in a trap, as the entrance to the cabin was under water. With desperate courage Captain Calder dived into he cabin and sacconded in

Will Cure Stamach Ache in Five Minutes.

This is just what Painkiller will do; try it. Have a bottle in the house for instant use, as it will save you hours of suffering. Watch out that the dealer does not sell you an indication, as the great reputation of Painkiller (Perry Davis'), bus induced many people to try to make something to sell, said to be "just as good as the genuine.

Falled to Employ a Ductor - Are Found

Guilty of Crimian! Negligence. Spokane, Wash., July 28 .- The coroner's jury that investigated the death of small children or Me. and Mrs. Gso. Graham, of this city, reported that death was caused by alphtheria and the parents are "guilty of crim ] inal negligence for falling to employ or scrept skilled medica assistance." The jury recom mended that a State law cover ing such cases and exacting a penalty be enacted.

Mr. and Mrs. Graham are believe in medicine, though sur gery is permitted. When their children became sick they were anointed by an elder of th Church, Later a doctor wacalled and was allowed to lance the children's throats but not to give them medicine. Three died and one recovered. Whether the parents will be prosecuted has not been determined.

In one of the western counties. hree small school districts were consolidated and a new school

building with two rooms, well lighted and ventilated, was built at a cost of \$600. Heretofore these three districts had been running from two and a half to three months with one teacher in each. East year the three combined, taught by two teachers, ran four and a half months. At the Teacher's Institute this curamer there was an honest but goorant old farmer present and be was the most enthusiastic man in attendance. He said that autil the past year his children never attended school, that they didn't care to go, they preferred to work in the field, and be never made them go , but two weeks before the school began last year the teachers spent a few bours at his house and talked with the ramily. The result was that the children started to school, and he added: "My little boys think these are the greatest teachers. n the world. Why, every night they would get their books, and until they went to bed they talked of nothing but what the teachers had told them at school. They . over wanted to go to school before and they never went; butthey never grow tired now, and I am here to-day to see if we Before starting to the | can't make the term longer." As this honest old man spoke these words there was an expression of joy and pride in his rugged countenance that would have answered any argument against the improvement of the middle schools.
