

A Chance to Make \$500—or Better!

A slim chance, you fancy. Well, read and judge for yourself. You have Catarrh \$500 is offered for an incurable case of Catarrh in the Head, by the proprietors of Dr. Sage's Catarrh Remedy.

SYMPTOMS OF CATARRH.—Head ache, obstruction of the nose, discharges falling into the throat, sometimes profuse, watery and acrid, at others, thick, tenacious, mucous, purulent, bloody, putrid and offensive; eyes weak, ringing in the ears, deafness; offensive breath; smell and taste impaired, and general debility. Only a few of these symptoms likely to be present at once. Dr. Sage's Remedy cures the worst cases. Only 50 cents. Sold by druggists everywhere. Either would be acceptable.

At the head of all blood-purifiers is Dr. Pierce's Golden Medical Discovery. But it's different from all of them. Whatever is claimed for this, it's guaranteed to do. The money is refunded in every case where it fails to benefit or cure. It's because it is different that it can be sold so. All diseases originating from a torpid liver or impure blood yield to it. It cleanses and purifies the system, freeing it from all manner of blood-poisons, no matter from what cause they have arisen. For Dyspepsia, Biliousness, Scrofula, Salt-rheum, Tetter, Erysipelas, or any blood-taint or disorder, it is an unequalled remedy. Nothing else can take its place.

"Golden Medical Discovery" contains no alcohol to inebriate, and no syrup or sugar to derange digestion.

It's a concentrated vegetable extract; put up in large bottles; pleasant to the taste, and equally good for adults or children; works equally well all the year round.

IMPORTANT TO ALL.

I hereby notify all tax payers that I will on the 15th day of December, levy and seize the personal property of all persons who have not by that time paid their property taxes. At the same time I shall return to the Mayor the names of all persons who have not paid their poll taxes to the town.

This hurry is necessitated in consequence of the need of funds for the graded school, for the interest on bonds and for macadamizes.

This is no notice simply to scare, but is exactly what I am compelled by law to do. If any body thinks I am not compelled to act, they can take it easy and see, and pay costs.
