

Eyes and Ears-

have we that we may see and hear; brains; that we may reason and understand: so there's little excuse for much of the suffering that is tolerated. Dr. Pierce's Golden Medical Discovery is fast becoming the one recognized remedy for all diseases resulting from thin, impure and impoverished blood.

Indigestion and dyspepsia, scrofulous affections, liver and kidney diseases, sores and swellings, catarrh and consumption, are blood affections. With purified, enriched and vitalized blood, they flee as darkness before the light! Dr. Pierce's Golden Medical Discovery is the only guaranteed blood-purifier and liver invigorator. Sold on trial! Money promptly returned, if it doesn't benefit or cure.

Elias Carr, one of the most successful farmers of our state, and an ex-president of the state Farmers' Alliance, has been very ill with grip and pneumonia, but is now convalescent.

Gone—all the painful disorders, and chronic weaknesses peculiar to the female sex. They go, with the use of Dr. Pierce's Favorite Prescription. Periodical pains, weak back, bearing-down sensations, nervous prostration, all "female complaints" are cured by it. It is purely vegetable and perfectly harmless—a powerful general, as well as uterine, tonic and nerve, imparting vigor and strength to the whole system. It costs you nothing if it fails to give satisfaction. It's guaranteed to do so, in every case, or the money is refunded. It can be guaranteed—for it does it. No other medicine for women is sold on such terms.

That's the way its makers prove their faith in it. Contains no alcohol to inebriate; no syrup or sugar to derange digestion; a legitimate medicine, not a beverage. Purely vegetable and perfectly harmless in any condition of the system.

IMPORTANT TO ALL.

I hereby notify all tax payers that I will on the 15th day of December, levy and seize the personal property of all persons who have not by that time paid their property taxes. At the same time I shall return to the Mayor the names of all persons who have not paid their poll taxes to the town.

This hurry is necessitated in consequence of the need of funds for the graded school, for the interest on bonds and for macademizes.

This is no notice simply to scare, but is exactly what I am compelled by law to do. If any body thinks I am not compelled to act, they can take it easy and see, and pay costs.
