**BOTANIC
 BLOOD
 BALM**

Blind From Scrofula Cured.

Atlanta, Ga., June 2nd.
 My six year old son has had a terrible sloughing scrofula ulcer of the neck for three years, attended with blindness, loss of hair, great emaciation, and general prostration. Physicians and various blood remedies were resorted to without benefit. The New Atlanta Medical College treated him for three months, but his condition grew worse. I was urged to try the efficacy of B. B. B. and to the astonishment of myself, friends and neighbors, one single bottle effected an entire cure. Ulcers of the neck entirely healed; eyesight restored, and the hair commenced growing on his head again. I live at 245 Jones street, Atlanta, and my boy is there to be seen.
FRANK JOSEPH.

J. W. Messer, Howell's Cross Roads, Cherokee county, Ga., writes: "I was afflicted with chronic sores nine years, and had tried many medicines and they did me no good. I then tried B. B. B. and eight bottles cured me sound and well."
