## STANDARDISM.

Even in high life all is not as pleasant and serene as the balmy air of Spring time.

Queen Victoria has just made an unsuccessful attempt to bring the widow of Fredrick of Germany and her son, the present Emperor to amicable terms.

The Brotherhood of Locomotive Engineers of the states are in session in Atlanta.

Five or six hundred families of negro colonists in Kansas are reported in a starving condition and charge their suffering to the men who organized the colonies and then misappropriated the funds. The best friend the colored man has ever had is the original white man of the south but he is the very one whom he will not believe or trust.

The Southern Baptist Convention that has been in session in Atlanta Ga. has adjourned.

One of the events of the convention was the address last night of Rev. Dr. Tomas Hume, of the University of North Carolina, on the relation of scholarship to spirituality.

Able, scholarly, eloquent and devout, Dr. Hume fully sustained his reputation as one of the most accomplished scholars and teachers in the country, and made a profound impression on the convention and the large congregation who heard him Atlanta Journal

The new Chinese exclusion bill, passed by congress and signed by the president, does not permit a china-man to show by negro testimony that he was a resident of the United States prior to the passage of the act. It requires the proof to be made by "one credible white witness." The Chinese Execution bill passed a Republican Senate and was signed by a Republican President and it can be asked if that is all the confidence they put in "the colored man and brother."

It is estimated that 1,000 horses have been killed in Western Kentucky this spring by "buffalo gnats." These gnats enter the nostrils of the animals in such numbers as to suffocate them.

## The Democratic Convention.

Every township was represented except No. 7.

Dr. Young called the convention to order and requested Dr S A Grier and J J Cox to act as Secretaries. A F Hileman was then elected permanent chairman and the temporary secretaries were made permanent.

Resolved that the delegation of this convention vote in the State Convention as the majority may determine.

Delegates to State Convention:

PRINCIPAL. ALTERNATE.

No. 1, Dr. S A Grier,

J M W Alexander.

" 2, J J Cox, Watt Barringer.

" 3, J R Bradford, G C Goodman

" 4, J H Earnhardt, J N Pethel.

" 5, A F Hileman, E P Deal.  
" 6, G E Ritchie, L Kluttz.  
" 8, C D Barringer, J D Cline.  
" 9, M M Farr, Wm. Junker.  
" 10, F P Boger, S L Kluttz.  
" 11, J B White, D L Parish.  
" 12, C McDonald, Jno. A Sims,  
W G Means, O C Bynum.

Dr. Young introduced this resolution: Resolved that the members of this convention do pledge themselves and delegates elected to State convention to earnestly and faithfully support the nominees made and platform adopted at the State Democratic Convention at Raleigh and at the National Democratic Convention at Chicago.

Speeches were made pro and con by Dr. Young, Prof. Ludwig and T A Moser and against pressing the resolution, owing to a deep unrest, by Capt. McDonald and Col. Paul Means. A motion to adjourn was made and withdrawn, then to table the resolution. During some discussion, a part of the No. 8 delegation and one from No. 12 withdrew from the convention. A motion to adjourn prevailed without any action on the above resolution.

Considerable excitement prevailed at times, but we believe there was no bad feeling.

## Forest Hill Tomorrow.

Children's day will be observed by the rendering of a special programme of songs recitations &c, at the morning service, closing with an address to the children by Rev. W R Ware of Reidsville.

The revival services will be continued through the day, and possibly through the following week. The meeting is growing in interest and many have presented themselves as penitents. Some ten or more have professed faith in Christ.

Rev. Ware's preaching is making a profound impression. The sermon tonight will be directed mainly to young men.

Sunken eyes, a pallid complexion, and disfiguring eruptions, indicate that there is something wrong within. Expel the lurking foe to health, by purifying the blood with Ayer's Sarsaparilla. Cures Erysipelas, Eczema, Salt-Rheum, Pimples, and Blotches.

It isn't the usual way—it's just the reverse—to pay a patient when you can't cure him. Nevertheless, that's what's done by the proprietors of Dr. Sage's Catarrh Remedy. They promise to pay you \$500 if they can't cure your catarrh, no matter how bad the case. It isn't mere talk—it's business. You can satisfy yourself of it, if you're interested. And you ought to be, if you have catarrh. It's faith in their medicine that's behind the offer. It has cured thousands of the worst cases, where everything else failed. You can be cured, too. If you can't, you get the money. They're willing to take the risk—you ought to be glad to take the medicine.

It's the cheapest medicine you can buy, because it's guaranteed to give satisfaction, or your money is returned.

You only pay for the good you get. Can you ask more?

That's the peculiar plan all Dr. Pierce's medicines are sold on.
