Vol. V.—No. 99.

CONCORD, N. C. SATURDAY, AUGUST 20, 1892.

WHOLE NO. 720

Henderson & Puryear

THE COUNTY CONVENTION HARMONIOUS AND FULL OF GOOD HOPES.

The Townships all Represented by a Delegation, Except No. 2—Every Democrat in the County a Delegate to the Congressional Convention—Good Speeches well Received.

At a few minutes past 12, Chairman Young called the Democratic county convention to order, and requested the editors of the Times and Standard to assist in the temporary organization of the convention. The roll of townships was called and each represented except No. 2, and 4; the latter was represented later in the meeting, the delegation having been at error as to the hour of meeting.

D. Henry White, a staunch Democrat of No. 1, was unanimously elected permanent chairman and the temporary secretaries were made permanent secretaries.

Chairman Young of the Co. Executives Committee, stated before leaving the chair that each township had a right to meet and organize in the event the chairman of the township executive committee refused to call a meeting or from any other causes the chairman should fail to perform the duties of his office.

It was moved that each township name its proportion of delegates to the congressional convention, which was amended by making the present township delegation the delegates to the convention at Salisbury, and that any democrat, who desired to attend, might consider himself appointed. This resolution prevailed.

Esq. Puryear informed the convention that T. F. Kluttz, Esq., had notified him that excursion rates would be given to the delegates to the convention.

Mr. Geo. E. Ritchie, of No. 6, offered the following resolution, which was unanimously adopted:

Resolved, That we heartily approve the course and record of our representative in Congress, John S. Henderson, in the efforts he has persistently made since he has been in Congress for the reform and reduction of the tariff and internal revenue laws; for the reform of the currency by a large increase in the circulating medium, and for the free and unlimited coinage of silver and gold; for a radical improvement of the system of federal taxation, by which the revenues of the government are unjustly and unfairly exacted and collected and the agricultural and laboring classes of every section of the Union, and the entire people of the Southern States, in particular, are discriminated against and greatly damaged and injured; and we earnestly urge Mr. Henderson's re-election, in order that he may continue to advocate and promote the enactment of laws intended to benefit the whole people as well as his immediate constituents, to equalize the burdens and benefits of Federal revenue and taxation, so that the laws of Congress may impartially afford the same relief and protection to all sorts and conditions of men, in every community and state in the Union, without favoritism or partiality, and that there may be no longer any favored classes growing rich in consequence of unjust and "protective" laws favoring one class and section at the expense of every other and allowing certain favored classes and sections to rob

the masses of the people under the forms of law.

And the delegation is hereby instructed to cast Cabarrus' vote unanimously for Hon. John S. Henderson for Congress.

Col. Means, in a few appropriate words, spoke of the natural fitness of a Cabarrus citizen for the office of Presidential elector. He moved that the delegation to the convention use every honorable means to secure the nomination of H. S. Puryear, Esq., for Presidential elector. It was unanimously adopted and applause. [The Standard wants to say that if the district convention wants a man, who is an eloquent speaker of vast information, it will nominate Hal Puryear. He will make not only a brilliant canvasser but a successful one.]

Mr. Puryear was called and responded in a tip-top speech of 15 minutes. The convention called for Maj. Montgomery and Col. Means. Each one of these gentlemen responded in a happy manner and what they said was well received. We haven't space to give even a synopsis of the speeches, but simply say they both contained good food to digest.

The following resolution was introduced by Judge Montgomery and unanimously adopted by the convention:

Resolved by the Democratic party of Cabarrus county, in convention assembled, that we deeply deplore the sickness of one of our Senators in Congress, the Hon. Z. Vance, and hereby extend to him our profound sympathy, with the earnest hope that he may be speedily restored to health, so that he can aid us in this critical hour, as he so often and so well done in the past. The convention was made of splendid delegations of representative men, and its name was harmony.

It's pretty good for one day: Jno. S. Henderson for Congress and Hal S. Puryear for Presidential elector.
