A NEW CANDIDATE

At the solicitation of my many friends, I announce myself a candidate for the office of merchant tailoring to make pantaloons only. This is subject to the amount of patronage I may receive. With my new drafting machine I can cut pants to fit any size from a 5-year old kid to a 250 pounder. I have tested my system thoroughly during the last three months. I guarantee a fit in all cases where I do the making. I guarantee nothing where some one else does the seam sewing.

SPECIAL!

Jacob Reeds' Sons advise us that their New Fall Goods are pouring in by freight and steamer and that they must have room for them. So to clear their tables, have made some reductions in trousers that mean dollars for our customers while they last. Some styles are in ample quantities, others contain but a few patterns. Early buyers will receive the pick in a lot so uniform a choice throughout. If you need a pair of nice trousers, call at once. Remember we guarantee a perfect fit at
