### A NEW CANDIDATE

At the solicitation of my many friends, I announce myself a candidate for the office of merchant tailoring to make pantaloons only. This is subject to the amount of patronage I may receive. With my new drafting machine I can cut pants to fit any size from a 5-year old kid to a 250 pounder. I have tested my system thoroughly during the last three months. I guarantee a fit in all cases where I do the making. I guarantee nothing where some one else does the seam sewing.
