CONCORD, JULY 9, 1895.

**THE FATHER OF A TRIO.**

The news has flashed, with the speed of electricity, across the country that Grover Cleveland has another baby in his home.

It is a lady baby, and this is the third, and all are ladies.

Grover Cleveland may some day, in the distant future, again be president and who knows but that he may have daughters and sons in-law enough to make up his cabinet without going out of his family for material for secretaries. And if his daughters have as much wisdom in selecting their husbands, as the old man has shown on various occasions, he will have a set of strong advisers.

**LOOKING AFTER HISTORY.**

THE STANDARD prints in another column a card from Mr. W M Voils, of Mooreville. Mr. Voils touches on a subject that should elicit the sympathy of all who take an interest in history and desire to preserve all matters spoken of in our correspondent's letter.

Sometime ago our townsman, Mr. O R White, gave us the facts relative to the grave of signer Patton; and it was intimated then that the grave of another signer was in the county, but could not be located.

If anyone can throw light on the subject, sprung by Mr. Voils, for the sake of history and erecting a monument let it come.

When a man or firm has to curtail expenses the first thing he jumps on is the town newspaper—the organ that devotes its time and energies to the upbuilding of the town in which it is published. But when it comes to economizing they forget the free advertising it does for said town, and the local paper gets it where the chicken got the axe—in the neck. Every business should be represented in the local paper, if only by a two or three inch advertisement.

"Give a lie one day the start, and truth will have to chase it around the world." When it has six months the start, the world has to be encircled a thousand times before truth catches up.

Mrs. Lease still rides her hobbies, but she also rides a bicycle, which makes her a sort of a "straddler," so to speak. But she still keeps "the middle of the road."

Pam's Horn says: "If there is any dog in a man, it is sure to growl when his food is not to his taste." Lots of people are doggish.

J H Harley, of Rhode Island, has purchased an island in Lake Worth, Fla., for 37 cents. He paid \$5 entry fee, and now makes \$80 a month sitting on the island and catching green turtles as they pass.

The curfew ordinance which is so popular in other Minnesota towns, will soon be adopted in Duluth. The proposed ordinance prohibits all persons under 15 years of age from appearing on the streets after 9 o'clock in the evening, and provides a penalty of \$100 fine or ninety days imprisonment for violation of the law. If such an ordinance got on the books of Concord, there are several or more who would be busted shortly or sooner.

**MR. TROUTMAN MISSING.**

Bad News From Gladstone—Big Crowd at the Springs—Personal Matter.

Fine weather and good seasons prevail.

Corn is growing rapidly; laying by corn is the order of the day.

A young man was found on the 4th near the creek called Curl Tail; he was a little under the influence of John Barleycorn.

It is probable that J A Price Troutman, once in the service of the Richmond & Danville Railroad Company, and a resident of Concord, has eloped. His wife, a fine woman, and five children are at J A Troutman's, Esq., in Stanly county.

Mr. J D Grimes, of the Lexington roller mills, and Mr. Mendenhall, of Lexington, were in our village Thursday last. They visited the great Yadkin River at the Narrows and other points and returned Friday evening. Mr. Grimes also visited the Misenheimer & Lentz Springs over Sunday and left for Charlotte and South Carolina Monday.

They are still coming to the Misenheimer & Lentz Springs; some from Raleigh, Greensboro and Charlotte. Others are expected soon.

No one can grumble for pies now. Blackberries plentiful. ISAAC.

**Trying to Find an Old Grave.**

Some weeks ago we saw an article in THE STANDARD in reference to the grave of "Patton," one of the signers of the Mecklenburg Declaration of Independence. Mr. Patton's grave was almost unmarked, and it is one mile and a half from Concord. Another one is within five miles of Concord and unmarked. Some of his descendants have written me to locate the grave if possible. They wish to erect a monument to his memory. If any one of the oldest inhabitants can give me any information that will help me to locate the grave of David Reese, I shall be grateful. If the grave can be located, a monument will be put up at once. He was buried either at Poplar Tent or at what is known as the old Long grave-yard. Respectfully,

W. M. VOILS.

**TURNING GRAY AND THREATENED WITH BALDNESS**

The Danger is Averted by Using

**AYER'S HAIR VIGOR**

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.
