CENSUS BEEN TAKEN.

Nine Hundred and Seventy Five White Population—Sunday School Attendants.

MR. EDITOR: A few facts concerning the people at Cannonville may be of interest to many of your readers, so I give the following.

Some days ago I took a census of the white population here and found that there are nine hundred and seventy-five of which four hundred and sixty-five are between six and twenty-one years of age. What a host of children who ought to be in school! One very sad feature in this is that nothing like half of them attend Sunday school.

The Union school has on roll one hundred and fifty. Bay's Chapel one hundred and eleven, and say twenty-five (which is a large count) attend other schools and you see we have only two hundred and eighty-six who ever see the inside of a church during Sunday school and many of these do not attend half of the time. Many of those who do attend are over twenty-one and quite a good number under six; so our children are not in Sunday school at all, and yet I believe the Sunday school attendance here will compare quite favorably with that of any other part of town. J. R. MOORE.

[And the attendance will compare favorably with that of any section of the United States. ED. STANDARD.]

Has Not Been Arrested.

At last accounts Marshall Cain, the murderer of his brother Filmore, in Davie county, had not been arrested and there is little expectation that he will be. The Landmark hears that he spent the night after the murder at John Reavis', in Eagle Mills township, this county, and it is believed that he will surrender to the officers just before the next term of Davie court and fight his case in court—setting up the plea of self defense. He is able to hire good counsel and, all things considered, stands a good chance of acquittal.—Statesville Landmark.

THE REPORT FAVORABLE.

Georgia Avenue to be Extended—Jake Boger Before the Board—Graded School Board Met.

At the adjourned meeting of the board of town commissioners Tuesday night to hear the report of the investigating street committee, the proposition of Mr. P B Fetzer, in regard to the opening and grading of Georgia avenue, was adopted, which means that the proposed street will be, at an early day, one of the many additional improvements of the town.

The committee offered its report on the street asked for on the south side by colored citizens. The board proposed to furnish lumber for the purpose of building necessary bridges, provided the citizens who want the street would obtain the right of way and do the grading. To this proposition Jake Boger, the colored people's mouthpiece, objected, stating that they would not do the work of grading. W O Coleman owns the property through which the street is wanted and will not give the right of way, which virtually means that the street asked for is altogether out of the question.

Tuesday afternoon the graded school board met and arranged the salaries for the teachers, to be the same for the ensuing year as last, and the time for the opening of the school on Wednesday, September 25.

Bound Over to Court.

John Kennedy was yesterday afternoon arraigned in Esquire Maxwell's court, on charge of disposing of mortgaged property. The charge was preferred by M Oglesby, of Harrisburg, who claims that the transaction took place in 1893. As a result of the trial, Kennedy was bound over to court in the sum of \$25. The court room was full of witnesses, some of whom were from Concord. Osborne, Maxwell & Keerans appeared for Oglesby, and Clarkson & Duls for Kennedy.—Charlotte News.

Graham Again in Jail.

It will be remembered that several weeks ago, on Saturday night, one Tom Moore, an ex-convict, was severely cut with a knife in the hands of Charles Graham, another ex-convict, and that Graham gave the officers the dodge.

On Monday Chief Boger located Graham in Charlotte and on Tuesday evening brought the refugee home and lodged him in jail.

Today Mr. Hill, who runs the county boarding house, has three to feed, an increase of one since our last report.

MURDER TRIAL ON.

Tom Moore on Trial For His Life—The Validity of the Revenue Act Not to Be Tested—The Leans and Fats to Play.

SALISBURY, N. C., Aug. 21.—Rowan superior court is in session here, so far there have been few cases of importance for trial. The grand jury yesterday found a true bill against Tom Moore colored for killing Chess Posten also colored several months ago. A special venire of fifty men was ordered and the case set for trial at 10 o'clock this morning.

The validity of the revenue act passed by the last Legislature will not be tested at this court as was publicly stated through the papers some time ago. Mr. T F Klutz who had intended bringing it up at this term of Rowan court has not had the time, owing to other business, to properly prepare the case, but informs your correspondent that his first business will be devoted to that purpose.

There is some talk of taking a census of Salisbury at an early day.

The Fats and Leans (selected from the citizens of the town) are to play a game of ball here next Tuesday. Mr. E B Neaye is captain of the Leans and Col. C R Barker captain of the Fats. Lots of fun and amusement is anticipated. The game will be free to all but a collection will be taken up for a good cause.

The ladies issue of the Herald which was to have been published tomorrow (Thursday) has been deferred for several weeks.

Rev. N D Jones returned Monday night from Elkin, where he has been conducting a meeting.

Esq. Witherspoon Critically Ill.

Mr. M F Nesbit sends the STANDARD word that Esq. J O Witherspoon of Coddle Creek, No. 3, is critically ill with typhoid pneumonia.

Mr. Witherspoon has been ill for several weeks, and his friends are now greatly alarmed, the patient himself having given up hopes.

Mr. Witherspoon is a gentleman of fine character and great usefulness, and his death would be a great loss to the community.

Killed in Watauga.

Knoxville, Tenn., Aug. 20.—Deputy Sheriff Greene and a special deputy named Greenlee were killed in Watauga county, N. C., yesterday while trying to arrest the two Cable brothers, notorious outlaws. They had located the two boys in their father's house and called on them to surrender. A general fight followed in which the officers were killed. Mrs. Cable was shot through the shoulder and hand and the old man Cable was shot through the stomach. The two young men both escaped unhurt.
