EXPLOSION AT STANLY MINE

**A Powder House at New London Ex-
 plodes—Two Men Badly Hurt.**
 Special to THE STANDARD.

NEW LONDON, Oct. 21.—An ex-
 plosion occurred here this morning
 about 4 o'clock.

Two colored men, employed at the
 Stanly mine, were in the powder
 house preparing some dynamite.
 A candle was dropped and an ex-
 plosion instantly occurred, blowing
 the house to atoms and fatally
 wounding the colored men, whose
 names are Jack Parker and Henry
 Henderson.

Indicted After 27 Years.

Iverson Howard, colored, was ar-
 rested here yesterday by Sheriff Hos-
 kins on a warrant from Rocking-
 ham county, charging him with
 bigamy.

Seventeen years ago, so it is assert-
 ed, Howard left a wife in that county
 and came to Guilford, where he
 married again and raised a family.

Recently wife No. 1 ascertained
 his whereabouts and had a warrant
 issued.

Deputy Davis left with the prison-
 er today at 12:05 for Rockingham.

Howard has borne a good charac-
 ter in this county and the fact that
 he had a wife in Rockingham was
 never suspected—Greensboro Re-
 cord.

Deaton-Wright.

Mr. J. C. Deaton, manager of the
 store of Mr. C. J. Deal, at China
 Grove, and Miss Beulah Wright,
 daughter of Mr. J. A. Wright, of
 near Enochville, were married in St.
 Enoch church Thursday evening by
 Rev. V. R. Stickley. Before the cere-
 mony a supper was given the bridal
 party at the home of the bride's
 father. The wedding breakfast was
 eaten at the home of Mr. Charlie
 Kimball, at China Grove. Mr. and
 Mrs. Deaton will occupy the house
 built by Mr. A. W. Winecoff, of Salis-
 bury. The groom is an active, ener-
 getic young business man and the
 bride one of Enochville's best young
 ladies. Both have a large number
 of friends whose very best wishes go
 with them to their new home.

From Davidson.

Messrs. Osmond Barringer and W.
 P. Webb, two young students of
 Davidson College, came in about 10
 o'clock from Davidson, making the
 trip here in about two and one-half
 hours on their "bikes." The roads,
 they say, are too dusty and heavy to
 make much speed. They left on
 their return this afternoon.

The Tendency Downward

The price of cotton has a down-
 ward tendency today. The market
 opened this morning at 8 1/2, but this
 afternoon it had advanced to 8.60, a
 rise of 10 points only. In this
 event the merchants can play their
 for-stay and term it "Blue Monday."
 About 40 bales were sold today.

If May do as Much for You.

Mr. Fred Miller, of Irving, Ill.,
 writes that he had a severe kidney
 trouble for many years, with severe
 pains in his back and also that his
 bladder was affected. He tried
 many so called kidney cures but
 without and good result. About a
 year ago he began use of Electric
 Bitters and found relief at once.
 Electric Bitters is especially adapt-
 ed to cure of all kidney and Liver
 troubles and often gives almost in-
 stant relief. One trial will prove
 our statement. Price 50c. and \$1.00,
 at Fetzler's drug store.

Good Work by Young Deaton.

Young man Deaton, who is a local
 reporter for the CONCORD STAND-
 ARD, went to Atlanta this week, and
 on his return gives us just what we
 had so far been looking for in vain
 —a report that would give some
 idea of what the exposition is, and
 what is to be seen there. Instead of
 saying that it is a "good show and
 everybody ought to see it," or that
 it "is a credit to the South," this
 young man Deaton discards all set
 phrases and writes up the show as he
 saw it, and we judge from his ac-
 count that he went through it from
 A to Z. He gives the best running
 account of the show that we have
 seen.—Charlotte News of Saturday.

[THE STANDARD appreciates this
 coming from Mr. Wade Harris, who
 knows how to get up such himself.
 THE STANDARD had looked, too, in
 vain as had the News, and requested
 Mr. Deaton to bring something back
 with him that would give an idea of
 what the exposition is. That he
 did so, The Charlotte News kindly
 testifies to.]

Daddies, Attention.

The bridge over the side walk on
 North Spring street at the lower
 end of the graded school lot greatly
 needs attention. Little boys are in
 the habit of placing loose plank in
 dangerous positions in order to
 trip pedestrians, an evil that might
 result in a serious accident. Place
 those plank stationary that trouble
 may be avoided. This business
 needs your immediate consideration.

Mr. Goodman to Marry.

Mr. J. C. Deaton of Mooresville,
 was in the city today (Monday) and
 told a STANDARD reporter that cards
 were out announcing the marriage,
 Tuesday night, of Mr. Geo. C. Good-
 man to Miss Annie Willfong, both
 of that village.

Heilig, Rowan County, S. C.

Corn shuckings are fashionable.
 Owing to the dry weather, our
 farmers haven't sowed but little
 wheat.

Mr. John H. Foil is preparing to
 remodel his dwelling.

Miss Jennie Rinehardt, of Con-
 cord, is visiting her sister, Mrs. L.
 N. Brown.

No sickness in the community;
 our people are all enjoying good
 health.

It is rumored that Heilig post-
 office will be moved in a few weeks.

Rev. G. H. Cox, of Organ church,
 who has been to Maine to visit his
 sisters, returned home and will
 hold communion services at Organ
 church on the fourth Sunday.

W. R. Misenheimer, Deputy Sheriff,
 has been in search of a negro by
 the name of Fox who is charged with
 rape.

The Ideal Panacea.

James L. Francois, Alderman, Chi-
 cago, says: "I regard Dr. King's
 New Discovery as an Ideal Panacea
 for Coughs, Colds and Lung Com-
 plaints, having used it in my family
 for the last five years, to the exclu-
 sion of physician's prescriptions or
 other preparations."
 Rev. John Burgus, Keokuk, Iowa,
 writes: "I have been a minister of
 the Methodist Episcopal Church for
 50 years or more, and have never
 found anything so beneficial, or
 that gave me such speedy relief as
 Dr. King's New Discovery." Try
 this Ideal Cough Remedy now.
 Trial bottles free at Fetzler's drug
 store.

No. 11 News.

Mrs. G. L. Winecoff is slowly re-
 covering from a very severe attack
 of sickness.

Rev. McLaurin will begin a pro-
 tracted meeting at Center church
 on next Sunday. He will be assisted
 by several other ministers.

The large congregation was very
 much disappointed at Mt. Hermon
 on last Sunday when they were in-
 formed of the sad news of the be-
 reavement of Pastor Shealey's
 family. The communion was post-
 poned until next Sunday (the
 fourth) at 3 o'clock p. m.

There has been much confusion
 concerning the Demorest medal con-
 test which is to be held in a few
 weeks. It will be remembered that
 a contest was held in Cold Water
 church a short time ago but on ac-
 count of some of the contestants
 being sick, the medal was not
 presented. It was decided to have
 the contest again in the same church
 but a few days ago some outsiders
 who are directly opposed to the con-
 test, because it is presumed its in-
 fluence will reflect somewhat upon
 them, began raising a mighty howl
 and has resulted in a state of general
 confusion. They base their ob-
 jections to the medal, saying that it
 is just as much harm to speak for
 a medal as to play cards for a dollar.
 In other words they call it gambling.
 However, they are in the small
 minority, and the contest is going to
 come off. Like Jim Corbett, I would
 say the boys have gone into training
 so that they may be able to make
 the speeches of their lives. Miss
 Jennie Sapp has charge of the con-
 test. Now I wish to emphasize
 three things: First, the contest is
 going to be held; second, it will be
 held in Mt. Hermon church;
 third, the medal will be given.

A Terrible Accident.

Mr. J. W. Freeman was grinding
 sausage yesterday morning in the
 butcher shop next to "Tut" With-
 ers'. The sausage mill is run by
 steam. Mr. Freeman was using his
 hand which had once been paralyzed,
 and got it caught in the machinery.
 His screams brought him assistance.
 He lost all of the fingers on his
 right hand but thumb and front
 finger. He suffered terribly, and
 the accident is a peculiarly unfortu-
 nate one.—Charlotte Observer.

There is a Difference.

A man who recently went to At-
 lanta to see the exposition has since
 his return been wearing a red rose
 on the lapel of his coat; and a
 man who went to Charlotte to see
 Buffalo Bill's wild west show wears
 a red blossom—but not upon his
 coat.

There is a difference between a
 rose and a nose.
