The Chain Gang Trouble.

The court of county commissioners went into session this (Tuesday) morning. Chairman Dove, Messrs. William Propst, J. W. Foil and John H. Turner present. The special business was to hear complaints against Mr. H. C. Lefler with regard to treatment of convicts.

Mr. W. L. Parish was present and accorded the privilege of asking witnesses such questions as the court adjudged pertinent.

Alex. Shuman testified to nothing materially important or relevant.

Hubbert Smith had nothing to testify against Mr. Lefler.

Dolf Fisher said: "Hands did not have enough to eat. Much complaint was made by convicts. Did not know anything about the letters." (Complaints of treatment by letter were before the court, signed Chaingang.) Disobeyed Mr. Lefler in leaving tent.

Tom Cole:—"Did not write but knew who wrote letters. Did not get enough to eat. Mr. Lefler's boys eat our rations, threw sand in our faces, drove over my leg. I told them they ought to go slow I had locks on my legs. Mr. Lefler said if they don't get out of the way, drive over them. When they got mad he kept our tobacco. I know of one letter, heard of the other. Was afraid to ask for anything, one was whipped so badly. Ed Litaker drew knucks on one of the men. Got not much but bread, blackberries and water in berry time. Been fairing badly since. Would not say anything. They would be meaner. Saw Lefler boys eat convict's rations. In berry time got bread and water sweetened with molasses and colored with berries. Bread raw and bad sometimes and not enough sometimes. Did not know that side of tent was put down to keep us from sticking our heads out and hollowing at people on Sunday. Thought it was put down to keep us from seeing them eat our rations. Spiders in our peas, could not eat them, some got sick. Did not say they would have to blow me down. Did not scratch my meat under bed or in the ground. Mr. Parish asked me if I was going to be at trial. Did not get mad at Mr. Lefler about clothes. Did not get plug of tobacco every Saturday night or Sunday morning.

John Cole:—"Did not write the letters. Did not get enough to eat sometimes. Had meals without meat. Blackberries and bread for dinners, once for supper. Saw Paul and Mike Lefler eat convict's flour bread and molasses, sometimes eat whole meals. Got my tobacco regularly till two weeks before I got off, then got none. Did not get enough after Shuman did not cook. Last 1 1/2 months was trusty. Went in tent and eat enough sometimes, sometimes they fried more meat and we ate it. Sometimes did not know what we would have for dinner. Got berries two or three times per week. Nobody asked me to make charges against Mr. Lefler. Mr. Parish and others asked me how we fared.

Miles L. Misenheimer:—"I was guard under Mr. Lefler. I don't know a thing about this ration business. Have heard them ask for more and they got it. One time I heard them say they could not pick without more rations. Jim Williams would not work right. Mr.

Lefler said no, I will not whip if I can help it. Will cut short his tobacco. Lately heard convicts say they had plenty, and some more than they needed."

Wiley Earnhardt:—"I know nothing of these charges, was with gang in February or March. When men wanted more they called for it and got it. Shuman cooked then. Convicts fared well. No eating of convicts' rations."

Ed Litaker:—"Was with gang seven months prior to last month. Hands got plenty, and threw away meat into the briars when they got a chance, to keep it from being warmed over for them. Sometimes put it under their pillows. Mr. Lefler gave berries sometimes at request of men. Knew of Mr. Lefler to swap rations."

Mr. Lard Stough:—"During last week and some Sundays along before was with gang. Men had plenty. I gave them more when they wanted it. Mike Lefler helped to cook convicts' food and ate one dinner. Sometimes molasses were exchanged but always paid back. Always plenty. Buckets generally had some left in them."

Decision of court was: Charges not sustained.

Of Great Importance.

The most important thought with young men now, except marriage, in this hot weather, is where can I send my shirts, collars and cuffs to have them laundered in first class style. See Tom Johnston, agent, for Model Steam Laundry, Charlotte.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, weakness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Masterson, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us."—Ed. Preparing for the Tournament.

The young people out at Cox's mill are making extensive preparations for the tournament, baseball and picnic that is to take place next Tuesday. It will be one of the largest gatherings ever in that section of the country and a great time is promised. The tournament, which will take place in the afternoon, will be one of the main attractions.

In curing consumption there's nothing like taking Time by the forelock. Doctors say consumption can't be cured; they have arguments to prove it. But when they see it cured right under their face and eyes by

Dr. Pierce's Golden Medical Discovery, they admit that there's something wrong about their arguments and something wonderful about the "Discovery." It isn't miraculous. It won't cure every case; but it cures a surprisingly large percentage of cases, even when the patient is pretty far gone with a bad cough, and bleeding from the lungs, and reduced almost to a shadow. Consumption is a blood disease. The lungs want a fresh supply of pure rich blood and plenty of it; that is what the "Golden Medical Discovery" gives them. It is a blood-maker. It gives the blood-making functions power to produce a large quantity of the nourishing red corpuscles which make healthy life-giving blood. This stops the wasting; drives out the impurities; heals the ulceration and begins a rapid building-up process, of solid, substantial flesh and vital energy.

It isn't only consumptives who need the "Discovery." It cures every form of chronic blood-disease and all scrofulous and eruptive affections.

MR. ISAAC E. DOWNS, of Spring Valley, Rockland County, N. Y., writes: "For three years I had suffered from that terrible disease, consumption, and heart-disease. Before taking Doctor Pierce's Golden Medical Discovery I had wasted away to a skeleton; could not sleep nor rest, and many times wished to die to be out of my misery. Step by step, the signs and realities of returning health slowly but surely developed themselves while taking the "Discovery." Today I tip the scales at one-hundred-and-eighty-seven, and am well and strong. The "Golden Medical Discovery" has also cured my daughter of a very bad ulcer located on the thigh. After trying almost everything without success we purchased three bottles of your "Discovery" which healed it perfectly." Yours truly,

Isaac E. Downs
