What 16 to 1 Is.

A reader of THE STANDARD has asked us two questions which will be recognized by our answers.

Free and unlimited coinage of silver means that any one holding silver, be it bars, old watch cases, plate ware, spoons, etc., or any other form, may take it to the mints and have it coined free of charge, the expense being borne by the government, and no limitations as to quantity.

Sixteen to one means that the ratio shall be such that a pound of gold shall make just 16 times as many coined dollars as a pound of silver. There is to be no refusal to coin either gold or silver when presented and no matter what quantity of either is presented.

Professor Boone's Buried Man Woke Up.

INDIANAPOLIS, Ind., Aug. 5.—Professor Boone, a well-known hypnotist, put J. J. Wyatt under his mysterious influence yesterday, and announced that he would bury his subject and bring him to next Friday, after an interval of three days. Wyatt had previously consented to the arrangement, and the burial took place at Fair View Park last night, at 10:30 p. m., a tube being passed down so where he lay. He was buried four feet under the ground and a guard was placed at the grave. Shortly before noon to-day Wyatt came out of the influence and began screaming like a wild man when he realized his situation. He was hurriedly dug up and it was some time before he could be cooled down. He protested against a second interment, but Prof. Boone soon got him under control and Wyatt was again put down in the earth. The experiment is attracting much attention.

Some of our pseudo-patriotic-free silver-fusion howlers need a new fashioned gun in the coming campaign—one that, while it hurls one missile at the enemy in front, will crash two into us in the rear rank who can't quite keep up with their hop, skip and jump rate.

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of Mercury, or any mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry cough, often mistaken for Consumption. Sometimes many of these symptoms attend the disease, at others very few; but the Liver, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Sup't. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; this Regulator not only relieved, but cured us.—Ed. Rock Hill Camp Meeting Begins.

Presiding elder J. W. Thomas, Rev. A. M. McIver and Rev. R. A. Simmons, pastor in charge, will begin the Rock Hill A. M. E. Zion church campmeeting four miles west of this city tomorrow, August 6th, to continue until Wednesday August 12, when the series will close with the grand Christian march. Provisions have been made to accommodate all who may desire to attend. White friends are invited to go.

Even Blacksmiths who are supposed to represent great strength and perfect health, are likely to die of consumption. Mere muscularity isn't always health. Disease will develop rapidly once let the germs of consumption get into a man's system, and it will kill him certainly and surely if he doesn't take the proper measures to get rid of it. Exercise and work and dieting and all that sort of thing are good enough in their way, but consumption is one of the things that they won't cure. The bacillus of consumption is a living organism. It is infinitesimal, but it is alive. The only way to get rid of it is to kill it. If it isn't killed, it will develop and multiply. Germs are wonderfully prolific. In the quickest imaginable time, one becomes a thousand and a thousand a million. Dr. Pierce's Golden Medical Discovery is a germ hunter and a germ killer. Wherever a disease germ lurks in the body, the "Discovery" will find it—will render it harmless. It doesn't make any difference what you call your disease, or what kind of a germ it is. All germs circulate in the blood. The "Golden Medical Discovery" purifies the blood—purges it of germs—enriches it with life-giving properties. It not only kills disease, but it builds up health. It is a tonic, a nerve or nerve-food, or invigorator and blood-purifier, all in one bottle.

If you want to know all of the facts about this wonderful remedy—if you want to know all about the human body, and human health, and sickness and how to get rid of it, send for Dr. Pierce's Common Sense Medical Adviser, a standard medical work of 1008 pages, profusely illustrated, which will be sent free on receipt of one-cent stamps to cover cost of mailing only. This work is a complete family doctor book and should be read by both young and old. The profits on the sale of 680,000 copies at \$1.50 has rendered possible this free edition.
