TUESDAY AT COX'S MILL.

A Large Attendance and a Big Dinner—Concord Baseball Team Won A Game—The Tournament a Crowning Feature.

According to announcement, Tuesday was a great day at Mill Grove.

Early in the morning people, both young and old, gathered there in great numbers—there were probably a thousand in attendance. The usual "Howdy-do!" "I'm well. How are you?" occupied a portion of the morning hours. At 1 o'clock the great crowd gathered together beneath the shade of the beautiful quivering water-oaks, where a magnificent dinner was spread and all hands "fell to."

At 3 o'clock the baseball boys were called out, when Concord and Huntersville crossed bats, Huntersville taking first town. The game lasted for seven innings, when it was called, the score standing 3 to 1 in favor of Concord. The players were:

CONCORD.	HUNTERSVILLE.
Caldwell, W. A., 1b	Stanhouse, cf
Mabrey, M. c	Hunter, c
Mills, of	Davenport, p
Misenheimer, 2b	Sercy, 2b
Fisher, lf	Howie, 3b
Reed, 3b	Weddington, 1b
Rogers, ss	Nesbit, rf
Gibson, rf	Dunn, lf
Caldwell, G. *p	Erwin, ss

*In the fifth inning Caldwell dropped out and put Fisher in the box, and it was a "holy caution" how the boys snapped at his curves. Fisher was in excellent trim and did some pretty work.

Weddington scored the single run for Huntersville in the third inning.

Will Gibson made two of the runs for Concord, one in the third and one in the sixth innings. Garrah Caldwell scored in the third inning, at the same time bringing Gibson in on a safe hit.

The game was interesting throughout and with the exception of a partial umpire, Vic Hunter, of Huntersville, the boys say they never enjoyed a better game.

A CROWNING FEATURE.

At 4 o'clock seven regaled knights, mounted upon their sleek steeds, entered the tournament track to compete for the prizes and the honors associated with the "lucky" ones. The knights were:

Will Nesbit—"Knight of the Nineteenth Century."

Morris Caldwell—"Knight of Cabarrus."

Walter Pharr—"Knight of Mill Grove."

Mack Henderson—"Knight of River Bend."

Charles Isenhour—"Knight of County Home."

L S Bingham—"Knight of Scrub Hill."

Robert Dunn—"Knight of Mount Holly."

There were two purses for the winners, first prize \$10 and second prize \$5.

Messrs. Mack Henderson and Will Nesbit tied on 9 rings, but when the tie ride was made, Henderson won first prize, Nesbit second.

Three crowns were presented to the gallant knights to be placed upon the heads of the fair maidens.

Mr. Henderson, who won first prize, placed the golden crown upon the head of Mrs. Emma Goode, of Springville.

Mr. Nesbit came second and chose for his lady Miss Clara Gillon, a

most charming young lady of this city.

Mr. Morris Caldwell won third distinction, and of course took great delight in picking his choice from the great throng that was present to witness the affair, and led to the rostrum the pretty Miss Pearle Jones, of Raleigh, who is visiting in Cabarrus. This wound up the day's pleasures, and not until twilight had dawned upon them did the happy crowd disperse for their respective homes.

HAPPY ON THE WAY.

A Trip to Blowing Rock Through the Country—Will Camp Out—Two Weeks' Stay.

Mrs. John A Sims and Miss Fannie Stafford are chaperones for a gay party of young pleasure seekers and sight seers en route to Blowing Rock and other points in Western North Carolina, that left the city this (Wednesday) morning. The party consists of Misses Mary and Lila Stafford, Iva Parks, Alida White, Bessie and Della Sims and Messrs. Chalmers Sims, Paul Parks, Harry White, Stuart Morrison, John Alexander and James Thomson. The latter two will meet the excursion at Mooresville and journey on from there. They will camp out and make home wherever they choose to pitch their tent. The trip will occupy about two weeks. Everything needful was supplied, and the party is sure to have a delightful experience of camp life, if the weather is favorable.

A Household Treasure.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Drug-gist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Fetz-er's Drug store. Regular size 50c. and \$1.00.

Mr. Walter Thompson Goes to Concord.

Mr. Walter R Thompson, who has been principal of the Statesville graded school for the past two years, and who had been re-elected for another term, has decided to go to Concord, the graded school board, at his request, having released him. Mr. Thompson will take a position with his brother, Prof. Holland Thompson, in a school at Concord, the fall term of which begins on the 31st.

Mr. Thompson is an excellent young man and a competent teacher, and the graded school board gave him up with regret. We hope he will do well in Concord and feel sure that he will. His brother taught there last year and had an excellent school.—Statesville Landmark.

Horse Thieves About.

Some unknown party entered the stables of Mr. Adam Furr, who lives about one mile west of Georgeville, Monday night and took three of his horses and proceeded in the direction of Wadesboro. Finding one of the horses to be lame they dropped him and passing Mr. Martin F Barrier's, took one of his mules. They were met by Mr. Wiley Biggers and Duke Linker just below Georgeville and were going with terrible speed. Being

asked what was up they said "nothing," but did not slack speed. A posse started after them early Tuesday morning. At Mr. Jim Green's, in Stanly county, near the river, the two horses became tired down and the thieves turned them loose and latched the mule to Mr. Green's buggy and continued their flight. The pursuing party is still after them and it is to be hoped they will be overtaken.

Disease is like a railroad train. It has a regular way of coming and going and keeps on steadily along a certain track. You can almost always tell how a disease starts, and where it will probably end. It won't go out of its way to oblige you any more than a locomotive will. Disease usually begins when the appetite gives out—that's the first warning whistle. Then the stomach and nutritive organs fail to supply good blood. The circulation grows poor, thin and tainted. Instead of carrying nourishment to the different parts of the body it carries poison, which settles at some point and eats away the tissues. According to where it settles it is called liver or kidney or skin disease—scrofula, erysipelas, eczema, or consumption if it settles on the lungs. It is all one trouble: tainted blood; clear out that taint and build up the tissues with rich blood and the disease is stopped; sidetracked; it can't go any further. No matter what the name of a disease is if it's a blood disease, Dr. Pierce's Golden Medical Discovery will cure it by driving the poison out of the circulation and creating a new supply of healthy, red, life-giving blood to revive and nourish the wasted tissues. It puts the digestion in order, invigorates the blood-making organs and builds firm healthy flesh. Consumption is a blood-disease. Don't believe it can't be cured! It is cured every day by Dr. Pierce's Golden Medical Discovery.

Dear Sir—I cannot say enough for your "Golden Medical Discovery." For two years my little boy suffered with lung trouble—first taking la-grippe; second intermittent fever; third, lung trouble. For two years he coughed. The physician could do no good and I thought he must die. I was told to try Dr. Pierce's Golden Medical Discovery. I did, and before he had taken one bottle he began to mend and could eat a little. When he had taken four bottles he was well and now is as stout as before. Respectfully yours,

(Mrs.) Martha Rache
Practor, Morgan Co., Mo.
