FIREMEN'S TOURNAMENT.

The Second Day a Great One and a Large Crowd in Attendance—Greensboro Won First Prizes in Steamer Contest and Hand Reel Races.

Special to THE STANDARD,
SALISBURY, Aug. 21.—Thursday was one of the biggest days Salisbury has ever had. Thousands of visitors are in the city and are being royally entertained, and the day is one of great pleasure and exciting incidents.

The programme of the day began with a grand procession at about 10 o'clock. At 11:30 the steamer contest, the first on the programme, began. There were two of these, first, quickness of time; second, distance. Entered first contest: Wilmington, Greensboro, Winston, Newbern. Winston won first prize, \$75, time 3:24; Newbern second prize, \$40, time 3:33.

Distance contest: Wilmington and Winston entered. Wilmington made 221½ feet; Winston 225 1/5. Protest entered as to measure of distance. No decision reported as yet.

At 3 p. m. hand reel race. Eight teams entered, as follows: Asheville, Salisbury, Charlotte, Durham, Eagle, of Greensboro; Atlantic, of Newbern; Eagle, of Salem; South Side, Greensboro. First prize, \$75, won by South Side, Greensboro; second prize, \$40, won by Atlantic, Newbern. Score by teams, distance 150 yards; Asheville 36:2.5 seconds, ruled out, having lost nozzle; Salisbury 36 seconds, Charlotte 34, Eagle, of Greensboro, 35 1/5; Atlantic, of Newbern, 33½; Eagle, of Salem, 35; South side, Greensboro, 31 1/5.

Some of the visiting boys gathered on the square last night and chunked eggs at a medicine man, running him and his musician from the streets, and with this one exception the very best of order prevailed.

Disappointed Aspirants.

At the seventh district Populist congressional convention held in Salisbury Thursday there were three aspirants to congressional honors that were disappointed. L O Caldwell was pretty certain before the caucusing in the morning that his name would be put in nomination and that he would run Shuford a close race. In his speech to the convention after he had been put in the chair, he gave the Democratic party particular fits for abusing the Populists and Republicans two years ago, but not once did he refer to his own powerful shirt-splitting speeches against them, nor did he wind up by singing about their "Sweet Mary Ann." But he's in the wrong pew, and didn't take.

Kestler offered a resolution wanting the convention to postpone the nomination, leaving the matter in the hands of the Republicans to select a man (himself we suppose) from the Populist party that would be entirely satisfactory. The resolution did not take, and was immediately tabled.

When Sheriff Sims arose to put the name of M H H Caldwell before the convention, the famous Morrison H. scooted out of the court room. His name was received with a chilliness that gave everybody the shivers.

Some man from Davidson then put in nomination Hon. A C Shuford, and was backed up by every other county except Cabarrus and half of Iredell. Shuford's name was

received with a great demonstration of cheers and stamping of feet.

The convention was anything but enthusiastic and the three men who were so badly left seemed, to a man up a tree, very much disappointed.

Recovered His Bicycle.

Last week some one entered Pounds' machine shop on West Corbin street and stole a bicycle belonging to Mr. Thomas Evans, an employee at the shops. The theft was properly advertised through the Standard, and now Mr. Evans has his wheel again. A negro named Tom Johnston was the thief and was caught in Stanly county. He is now in Cabarrus jail.

Johnston was wanted here during the recent term of court but couldn't be found.

Largest Cave in the World.

Mansfield, Mo., Aug. 20.—There has been great excitement here over the reported discovery of gold and the finding simultaneously of the largest cave in the world near the new town of Hudson. For two or three years the earth has been sinking in these parts to such an extent as to cause uneasiness among the population. Later there has been a recurrence of this strange phenomenon. Upon investigation, an opening to what is said to be the largest cave in the world was found. Cavern after cavern, lined with pure onyx, and traversed by subterranean streams have been explored without finding the end. Portions of stalactites in one of the caverns were found to contain gold.

For Over Fifty Years
