lican and Populist nominees for

Have you ever had in the morn-  
ing what is fancifully called a  
"dark brown taste" in the mouth.  
If so, it is the effect of a deranged  
stomach and liver, the best remedy  
for which is a dose of Ayer's Pills,  
together with a little discretion as  
to diet and mode of living.

Master Arthur Morrison Monday  
afternoon celebrated the seventh  
anniversary of his birthday by in-  
viting a number of little friends to  
his home, where they all enjoyed a  
party. Refreshments had been  
prepared for the occasion and the  
little tots were indeed happy.

Saturday night at Eastfield a  
number of negroes engaged in a  
general fight in which several were  
injured, one negro man being lacer-  
ated with a razor and may die.  
We could not get full particulars.  
This row, with the one at Colum-  
bus Chapel on Sunday, is enough  
to terrify that community. The  
negroes fight all among themselves.

Rev. A K Pool informs us that  
the singing class at the Presbyterian  
chapel at Forest Hill under the  
training of Mr. Walter Kirk is quite  
large and encouraging. It met for  
the first time last Saturday night  
and will meet again tomorrow night  
when it is believed that many more  
will avail themselves of this splen-  
did opportunity to develop this one  
of the grandest gifts--the power of  
vocal music. They use "Gospel  
Hymns," found at Swink's. All  
are invited to secure books and join  
the class.

Many bodily ills result from ha-  
bitual constipation, and a fine con-  
stitution may be weakened and  
ruined by simple neglect. There  
is no medicine for regulating the  
bowels and restoring a natural ac-  
tion to the digestive organs, equal  
to Ayer's Pills.

At Columbus Chapel, on the Ca-  
barrus and Mecklenburg line in No.  
2 township, a terrible fracas among  
the negro population took place  
Sunday. Thirty or forty took part  
in the free-for-all fight, eight or ten  
of whom were hurt, several quite  
seriously.

The two year old child of Mr. and  
Mrs. R A D Peeler, who live in  
Rowan county, fell headforemost in  
a lard can of water and was  
drowned. The child's parents were  
away from home, leaving it with  
several others. When found the  
child had been dead some time.

The chronic grumbler still lives,  
but there are less cases of chronic  
Indigestion and Dyspepsia than  
formerly. The fact is so many peo-  
ple in the past have taken Sim-  
mons Liver Regulator that they are  
now cured of these ills. And a  
great multitude are now taking  
Simmons Liver Regulator for the  
same troubles and they will soon  
be cured. "It is the best medi-  
cine."--Mrs. E Raine, Baltimore,

**No Rain Since May 14th.**

Mr. John Fisher, wife and child,  
of Forest City, St. Francis county,  
Ark., are visiting in Cabarrus, their  
native home. Mr. Fisher is a son of  
Henry Fisher, who once lived a mile  
above the city on the Beattie's Ford  
road, who went to Arkansas several  
years ago. Mr. Fisher has been in  
North Carolina two weeks and will  
remain for some time. He says that  
in Arkansas they have had no rain  
since the 14th of last May. Crops  
will not exceed one-third the usual  
production out there.

For rain, sunshine, good crops  
and happiness, Old North Carolina  
beats them all!

**CHILDREN** ought to  
brighten a mother's  
daily cares and help  
her to be strong, capa-  
ble and cheerful. It  
isn't right for mothers  
to feel the burden of  
life growing heavier  
and heavier year by  
year because of child-  
bearing and child-rear-  
ing. That shows some-  
thing is wrong in the  
mother's physical con-  
dition. There is some  
unnatural weakness in  
her delicate organism  
which disqualifies her  
for motherhood. When  
this is wrong every-  
thing is wrong. A woman's physical  
life is wrapped up in  
the special organs of  
her sex. When these  
are restored to health  
and strength the whole  
woman becomes  
healthy and strong. Dr. R. V. Pierce of  
Buffalo, N. Y., has made a life-study of this  
problem of restoring health and strength  
to women. His "Favorite Prescription"  
is the most successful remedy that has ever  
been known for women's peculiar ailments.  
Its sale exceeds the combined sales of all  
other medicines for women. It cures the  
most obstinate uterine diseases. It goes  
directly to the internal organism which is  
the real seat of all the troubles. It imparts  
the real seat of all the troubles. They are most  
vigor and health where they are most  
needed; heals ulceration; stops the weak-  
ening drains; promotes regularity; restores  
muscular power to the ligaments, thus cor-  
recting displacements of special organs in  
the only natural way.

Complete information regarding the "Fa-  
vorite Prescription" and tes-  
timonials from hundreds who  
have used it, are embodied in  
Dr. Pierce's Common Sense  
Medical Adviser, a standard  
medical work of 1008 pages,  
profusely illustrated, which  
will be sent free on receipt of  
21 one-cent stamps to cover  
cost of mailing only. This  
work is a complete family  
doctor book and should be read by both  
young and old. The profits on the sale of  
500,000 copies at \$1.50 has rendered possible  
this free edition. Address, World's Dispensary  
Medical Association, Buffalo, N. Y.

Dr. Miles' Pain Pills are guaranteed to stop  
headaches in 20 minutes. "One cent a dose."
