### CONCORD, AUGUST 29, 1896.

#### A LETTER FROM MR. SEWALL.

We clip and insert the following from the Mecklenburg Times with the hope that it will meet with due consideration by all seekers after truth and fairness:

One of the Ten Commandments is: "Thou shalt not bear false witness against thy neighbor."

It is just as much a violation of this commandment when a man misrepresents a political opponent, as when he slanders his own brother in the fish. It is too often the case that men misrepresent and circulate false reports about their political opponents. Men of all parties have been guilty of this sin. Believing it to be wrong we never publish as the truth anything about any man that we believe to be untrue.

In this connection we call atten-

tion to the following taken from the People's Paper:

"Let every man who doesn't want McKinley elected vote for Tom Watson, and let Mr. Sewall come down and go back to attending to the duties he has to attend to, as he is president of five National banks, several railroads, and a very large stock holder in about a dozen of the biggest monopolies in the country."

We sent this clipping to Mr. Sewall and asked him if it was true. His reply which follows speaks for itself:

BATH, Me., Aug. 18th, 1896.  
W C Dowd, E-q.,  
Charlotte, N. C.

Dear Sir—Your esteemed favor of the 15th inst. at hand.

The statement of the clipping you enclose, and which I now return to you, is entirely misleading.

I am president of one bank; have no official connection with any other corporation, or otherwise, excepting a trustee in a small trust company.

My sole interest in this campaign is in the one issue, free coinage of silver, upon which I believe our future prosperity depends.

Yours truly,  
ARTHUR SEWALL.

This letter is dignified in its denial, but at the same time very explicit, and ought to prevent any further misrepresentation of the Democratic candidate for Vice President. We suppose that it is hardly necessary to state that a trust company is in no sense a trust or similar to it.

It is worthy of note that the Vice Presidential candidate says: "My sole interest in this campaign is in the one issue, free coinage of silver upon which I believe our future prosperity depends." Mr. Sewall is an earnest and consistent advocate of free coinage, and no one can oppose him on that ground.

Let the truth be told in all these matters without fear or favor.

#### SUCCESSFUL FARMING.

The great value of successful farming may not be so much underestimated as it is overlooked in the popular gaze for a more rapid accumulation of wealth or a more apparently inviting occupation. When considered from every standpoint, there is probably no occupation so conducive to long life, robust health, a steady nerve, sound sleep, moral culture and real blessedness.

Discouragements are probably more visible than in most other occupations. It is therefore a matter of special delight for us to note every mark of adequate reward for scientific efforts.

About a year ago Mr. James P. Beatty, of New London, Stanly county, bought what was considered a thin, almost worthless piece of land near him. He used his large sulky plow and put a 25½ acre field in good condition and applied 200 lbs of guano to the acre. His reward was 389 bushels of wheat from the field of 25½ acres. About 75 bushels was an average crop before.

Mr. Beatty is from Ohio and it was feared he would meet with the failure usually experienced by men from other sections, but not so. We congratulate Mr. Beatty.

Unscrutinizing confidence in officials results in despotism; unfair criticism produces confusion and the destruction of all confidence in faithful officials invites anarchy.

#### Sixteen for One.

A Georgia editor rhymes the free silver business as follows:

"He said, my love, 'tis sad,  
That we cannot agree,  
You are for glittering gold,  
While I'm for silver free.  
Let's kiss now, and make up,  
How many must I take?  
To let you know I love you,  
And love you for your sake?  
'Oh!' said she, 'e'll not fall out,  
But we'll differ just for fun;  
Dear John, stick to your politics—  
Take sixteen, love, for one.'"

### Our I's and....

#### ....Other Eyes.

Our I's are just as strong as they were fifty years ago, when we have cause to use them. But we have less and less cause to praise ourselves, since others do the praising, and we are more than willing for you to see us through other eyes. This is how we look to S. F. Boyce, wholesale and retail druggist, Duluth, Minn., who after a quarter of a century of observation writes:

"I have sold Ayer's Sarsaparilla for more than 25 years, both at wholesale and retail, and have never heard anything but words of praise from my customers; not a single complaint has ever reached me. I believe Ayer's Sarsaparilla to be the best blood purifier, that has been introduced to the general public." This, from a man who has sold thousands of dozens of Ayer's Sarsaparilla, is strong testimony. But it only echoes popular sentiment the world over, which has, "Nothing but words of praise for Ayer's Sarsaparilla."

ASK the recovered dyspeptics, bilious sufferers, victims of fever and ague, the mercurial diseased patient, how they recovered health, cheerful spirits and good appetite; they will tell you by taking SIMMONS' LIVER REGULATOR.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Biliary attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

**PURELY VEGETABLE,** containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels.

The SYMPTOMS of Liver Complaint are a bitter or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately costive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption.

Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. R. Co.; Rev. J. R. Falder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens.

We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED. We sell as good Tinware as any house in Concord. Our prices are the lowest to be had. Recently one of our customers tried to exchange produce for a gallon bucket. They asked 15c, and when he spoke of the Racket selling cheaper he was told they did not handle cheap shoddy stuff like the Racket handled. Theirs was triple plated besides. The man came to us; we gave him 15 cents to buy the bucket, wishing to vindicate ourselves. He brought us the bucket. It was the same size single plate and weighed 1 ounce less than our 10c one. The party took our bucket and left us the "15c" one. See our extra heavy stamped dish pans at 35c.
