FIREMAN COLLETT KILLED.

Box Cars Crashed Into a Train—Mr. Collett's Neck Broken—Ney Rouche of Salisbury Fatally Injured—Mr. Asbury One of the Passengers.

Mr. O F Asbury, of the D A Tompkins Company, thought the world had come to an end at Abbeville, S. C., yesterday morning at 1 o'clock. He was on his way home and was on the north-bound passenger Georgia, Carolina & Northern train. The train stopped a little way from the depot at Abbeville to change crews. The engineer on the switch engine, not knowing or remembering that the train was at the bottom of the grade, ran against four box cars standing on the track at the station, intending to couple on to them. The cars started off, increasing in speed as they went down the grade. They ran into the passenger, killing one man, Fireman Thos. Collett, and fatally injuring Ney Rouche, son of P D Rouche, engineer on the Western North Carolina, whose home is in Salisbury. Mr. Collett was out on the engine of the passenger fixing a flag signal. When the cars came together, the concussion was so great that he was knocked some feet in the air, and fell, breaking his neck. His brother, A W Collett, an engineer on the same line, was in his cab on a track to the right of the passenger. He had a brother killed near the same place some months ago.

Fireman Collett was from Thomsville. Ney Rouche is a boy in short pants. He ran away from home, and was riding blind baggage wherever he could. He and another tramp were in the first box car that struck the passenger. Rouche was, it is thought, fatally hurt. The passengers in the sleeper and day coach were all asleep when the collision occurred. Mr. Asbury says that when he woke the passengers were in great excitement. He could not realize for an instant what was the matter.—Charlotte Observer.

Says Poverty Makes Populists.

William Waddington, an old Confederate veteran of Caswell county, who was a soldier in the Second North Carolina Cavalry, under General Rufus Barringer, is in the city. In conversation with a STANDARD reporter the gentleman said: "People down in our county don't know what hard times are—everybody has plenty of money. An effort was made to organize a Populist party, but our people were so well satisfied with the D mocrats and such good times prevail that the thing fell through. We raise tobacco, have plenty of money, no poverty and consequently no Populists."

Rev. Yonan Lectures.

Rev. Isaac M Yonan, the Persian minister who lectured at the First Presbyterian church last evening, in company with Rev. A K Pool, of this city, went out to Rocky River this morning, where Rev. Yonan lectured this afternoon at 3:30 o'clock. He will lecture tonight at 8 o'clock in the Methodist church at Forest Hill. He is a native Persian and his lectures are interesting throughout.

In Death Not Divided.

A Phoenixville special says: Fannie Hume, of Phoenixville, aged sixteen years, and Sallie Longhead, of Pottsville, aged eighteen, were buried together and in the same grave, in Morris cemetery, Friday afternoon. The girls were cousins, and some time ago Miss Hume went to Pottsville to visit Miss Longhead.

Miss Hume was taken sick and her cousin, through worry and anxiety for her, was also sick. The girls grew worse, and on Tuesday Fannie died. Sallie, hearing of her cousin's death, lost all desire to live, and she, too, died a few hours later.

The girls had made the compact just before they died to be buried in the same grave. After Fannie died, Sallie called her parents to her bedside and told them she would die, and made them promise that they would take her body to Phoenixville and bury it in Fannie's grave. Hence they were buried in one grave. Both were interred in white coffins.

The Ideal Panacea.

James L. Francis, Alderman, Chicago says: I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physicians' prescriptions or other preparations.

Rev. John Burgus, Keokuk, Iowa, writes: I have been a minister of the Methodist Episcopal church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery. Dallas Pitts Able to Be Out.

Mrs. Pitts arrived home last night from Richmond, accompanied by her son, Dallas, whom she went to see. Mr. Pitts is able to be out, although he is very weak, having been down several days with malaria. It was by some misunderstanding that word was sent his parents that he was so very low.

Mr. Pitts will spend some time in the city with home folks.

The Cheapest, Purest and Best Family Medicine in the World!

For DYSPEPSIA, CONSTIPATION, Jaundice, Bilious attacks, SICK HEADACHE, Colic, Depression of Spirits, SOUR STOMACH, Heartburn, etc. This unrivaled remedy is warranted not to contain a single particle of MERCURY, or any mineral substance, but is

PURELY VEGETABLE,

containing those Southern Roots and Herbs which an all-wise Providence has placed in countries where Liver Diseases most prevail. It will cure all Diseases caused by Derangement of the Liver and Bowels. The SYMPTOMS of Liver Complaint are a bitter, or bad taste in the mouth; Pain in the Back, Sides or Joints, often mistaken for Rheumatism; Sour Stomach; Loss of Appetite; Bowels alternately constive and lax; Headache; Loss of Memory, with a painful sensation of having failed to do something which ought to have been done; Debility; Low Spirits; a thick, yellow appearance of the Skin and Eyes; a dry Cough, often mistaken for Consumption. Sometimes many of these symptoms attend the disease, at others very few; but the LIVER, the largest organ in the body, is generally the seat of the disease, and if not Regulated in time, great suffering, wretchedness and DEATH will ensue.

The following highly-esteemed persons attest to the virtues of SIMMONS' LIVER REGULATOR: Gen. W. S. Holt, Pres. Ga. S. W. R. Co.; Rev. J. R. Felder, Perry, Ga.; Col. E. K. Sparks, Albany, Ga.; C. Master-son, Esq., Sheriff Bibb Co., Ga.; J. A. Butts, Bainbridge, Ga.; Rev. J. W. Burke, Macon, Ga.; Virgil Powers, Supt. Ga. S. W. R. R.; Hon. Alexander H. Stephens. We have tested its virtues personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world ever saw. We have tried forty other remedies before Simmons' Liver Regulator, and none of them gave us more than temporary relief; the Regulator not only relieved, but cured us.—ED. Indians Riding Wheels.

"The noble red man may yet be civilized by means of bicycles," said A L Bartlett, of Beatrice, Neb. "The Otoe tribe have steadily resisted all efforts to induce them to become citizens, and their numbers have dwindled until but few of them remain. In fact, there are few more Indians in Nebraska now than in New York and Indiana. A few days ago one of the chiefs of the Otoe tribe visited Beatrice and became much interested in bicycles. The owner thought it would be fun to let the old Indian learn to ride, and it was not long before the chief had mastered the art. Then he must have a wheel of his own, and not having any money he traded four ponies for one. He rode it to the reservation and next day half a dozen Indians came to town, bringing ponies to trade for bicycles. 'Ride faster. No feed,' they say, and when the bicycle manufacturers learn of this new field it is probable that they will reap a harvest, and the Indians will lay aside their primitive customs and join the L. A. W. in a body."—Washington Star.

Glory to the Drummers.

For more than a year past the commercial travelers have been trying to get a reduction in the mileage books, and at last they are to get what they want, the Seaboard Air Line coming to their relief. That company will begin selling the 2,000 mile books September 4, at \$40. The price heretofore has been \$50. Of course anybody can buy the books, but to the "drummers" being the glory of bringing about the reduction.

Dr. Miles' Pain Pills are guaranteed to stop Headaches in 20 minutes. "One cent a dose."

The sugar men of Louisiana are greedy in the extreme. Not satisfied with the five million bounty just paid them will demand \$40,000,000 more which they say is due them under solemn contract which cannot be broken. Strange condition of affairs; one set of citizens demanding bounty while another set beg to be relieved of burden. No wonder there is friction in the land.
